Popped A Regan Reilly Mystery:

Popped Carol Higgins Clark, 2003-09-23 It's up up and away with sleuth Regan Reilly in a lively new caper from beloved New York Times bestselling author Carol Higgins Clark. L.A.-based private detective Regan Reilly flies to Las Vegas, the mythic city of cash and flash, glamour and kitsch, to help an old school chum, Danny Madley. Danny is producing the pilot of a reality TV show, *Love Above Sea Level*. The show features three couples who all have experienced the proverbial Seven Year Itch and are now vying for the chance to renew their wedding vows and win one million dollars. But someone is trying to sabotage the show before Danny can shoot the final scene at the Albuquerque International Balloon Fiesta. Danny's show is in competition with the sitcom *Take Me Higher* for a coveted permanent slot on Hot Air Cable, also known as the Balloon Channel. Both shows involve hot air ballooning and both have casts of characters who are more than capable of disrupting production of *Love Above Sea Level*. Regan's job is to find out who is making trouble and why. Is the culprit one of the contestants on *Love Above Sea Level*? Could it be the advice columnist Danny has hired, Aunt Agony and Uncle Heartburn, who are there to help rekindle the sparks between the husbands and wives? Is it Danny's right hand man, Victor, a local Vegas boy Danny met while gambling? Or his cameraman, Sam, who would much rather be surfing than working? Is it Bubbles Ferndale, producer of the sitcom who is desperate to make her show the one that wins the competition? Is it Danny's ex-girlfriend, the Vegas showgirl Honey? Or her friend Lucille, a dealer in one of the casinos? Could local entrepreneur Roscoe Parker, the owner of the Balloon Channel and mastermind behind the TV competitions, be the source of all Danny's problems? There is no shortage of suspects and no shortage of mishaps. From their base in the Fuzzy Dice Hotel, a decidedly third-rate establishment, Regan tries to help Danny keep his production on an even keel. Danny's well-meaning meddling parents complicate matters. Jealousy among the *Love Above Sea Level* contestants escalates. Mysterious inexplicable events keep occurring. Regan is determined to keep Danny's show on schedule and she'll do whatever it takes on land and in the air. **Popped** is a funny, fast-paced jaunt that takes readers from the fancy Vegas casinos to the run-down hotels off the Strip, from the grounds of the hot air balloon fields up into the heavens as the balloons fly over the arid Southwest. **Popped** is written with Clark's expert light touch and filled with the richly drawn, quirky characters so relished by her fans. As Nelson DeMille says, Clark keeps her readers entranced and entertained from cover to cover.

current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *Talking Book Topics* ,2004 Includes audio versions and annual title author index **American Book Publishing Record** ,2004 Sequels Janet G.
