## **Popular Culture Past And Present:**

Popular Culture Tony Bennett, Graham Martin, Bernard Waites, 2013-12-16 This book surveys popular culture in Britain from the early nineteenth century to the present

**A History of African Popular Culture** Karin Barber, 2018-01-11 A journey through the history of African popular culture from the seventeenth century to the present day

The Uses of the Past in Contemporary Western Popular Culture Tobias Becker, Dion Georgiou, 2024-08-24 This book takes an interdisciplinary approach to understanding the different ways in which the past remains present in Western popular culture in the twenty first century It combines theoretical analyses with case study based chapters focusing on examples from Britain the US and Germany among other countries In doing so it pushes beyond a simplistic and monolithic conception of what nostalgia is to allow for a more nuanced and varied conceptualisation of this phenomenon and to also incorporate other ways of understanding the invoking or inclusion of different histories within cultural objects formats and practices

Between a Past and Present Consciousness Christopher A. Williams, 2019-07-08 In an age of rampant xenophobia and the nativist imperative to undo globalization for a return to a bygone purer age can patently modern identities indefinitely sustain their messages of inclusion and equality This volume serves to answer this and other pressing existential questions by tracing the development of the Caymanian people from the colonial era into our modern globalized multicultural age The emergence of Caymanian nationalism is extensively analyzed and confirmed as a phenomenon that was preceded by fragmented Caymanian identities informed by issues of race and class Despite this the native Caymanian people were able to successfully jettison their race thinking and in so doing began to see themselves as members of a singular nationality This notion of national and cultural solidarity as this book details has become a vexing issue and is now being duly tested given the astonishing numbers of immigrants in Cayman many of whom are keen to become Caymanians themselves

**Popular Cultures in England 1550-1750** Barry Reay, 2014-06-17 Explores the important aspects of popular cultures during the period 1550 to 1750 Barry Reay investigates the dominant beliefs and attitudes across all levels of society as well as looking at different age gender and religious groups

**Companion to Historiography** Michael Bentley, 2006-02-27 The Companion to Historiography is an original analysis of the moods and trends in historical writing throughout its phases of development and explores the assumptions and procedures that have formed the creation of historical perspectives Contributed by a distinguished panel of academics each essay conveys in direct jargon free language a genuinely international wide angled view of the ideas traditions and institutions that lie behind the contemporary urgency of world history

**Making History** Peter Lambert, Phillipp Schofield, 2004-08-02 Making History offers a fresh perspective on the study of the past It is an exhaustive exploration of the practice of history historical traditions and the theories that surround them Discussing the development and growth of history as a discipline and of the profession of the historian the book encompasses a huge diversity of influences organized around the following themes the professionalization of the discipline the most significant movements in

historical scholarship in the last century including the Annales School the increasing interdisciplinary trends in scholarship theory in historical practice including Marxism post modernism and gender history historical practice outside the academy The volume offers a coherent set of chapters to support undergraduates postgraduates and others interested in the historical processes that have shaped the discipline of history Continuities in Popular Culture Ray Broadus Browne, Ronald J. Ambrosetti, 1993 The humanities are the strongest dynamic that runs from the past into the future Throughout history except for the past one hundred fifty years the strongest element in the humanities has been the culture of the folk Now it is the everyday culture of a democratic society popular culture a key to people's understanding themselves and their society These sixteen essays by leading popular culture scholars demonstrate how elements in our everyday life flourished in the past came to flower today and will continue to shape us in the future *Companion to Historiography* Michael Bentley, 2006-02-27 This Companion presents a clear thematic overview of historiography explored through a series of stimulating and wide ranging articles Compiled by experts in the field the Companion is fully indexed for ease of access **The Oxford Handbook of Early Modern European History, 1350-1750** Hamish Scott, 2015-07-23 This Handbook re-examines the concept of early modern history in a European and global context The term early modern has been familiar especially in Anglophone scholarship for four decades and is securely established in teaching research and scholarly publishing More recently however the unity implied in the notion has fragmented while the usefulness and even the validity of the term and the historical periodisation which it incorporates have been questioned The Oxford Handbook of Early Modern European History 1350 1750 provides an account of the development of the subject during the past half century but primarily offers an integrated and comprehensive survey of present knowledge together with some suggestions as to how the field is developing It aims both to interrogate the notion of early modernity itself and to survey early modern Europe as an established field of study The overriding aim will be to establish that early modern is not simply a chronological label but possesses a substantive integrity Volume I examines Peoples and Place assessing structural factors such as climate printing and the revolution in information social and economic developments and religion including chapters on Orthodoxy Judaism and Islam **Cultural Theory and Popular Culture** John Storey, 1998 This reader is intended as a theoretical analytical and historical introduction to the study of popular culture within cultural studies It is divided into seven representative sections The first six sections each contain a selection of readings from a particular approach to popular culture culture and civilisation tradition culturalism structuralism and post structuralism Marxism feminism and postmodernism providing a comprehensive overview and examples of the main theoretical perspectives The final section contains readings from recent debates within the study of popular culture Together these sections chart the theoretical development of the study of popular culture within cultural studies and provide examples of the analysis of the texts and practices of popular culture within each specific tradition Each section is introduced edited and contextualised by John Storey **American Popular Culture in the Era of Terror** Jesse

Kavadlo,2015-09-15 Bringing together the most popular genres of the 21st century this book argues that Americans have entered a new era of narrative dominated by the fear and wish fulfillment of the breakdown of authority and terror itself Bringing together disparate and popular genres of the 21st century American Popular Culture in the Era of Terror Falling Skies Dark Knights Rising and Collapsing Cultures argues that popular culture has been preoccupied by fantasies and narratives dominated by the anxiety and strangely the wish fulfillment that comes from the breakdowns of morality family law and order and storytelling itself From aging superheroes to young adult dystopias heroic killers to lustrous vampires the figures of our fiction film and television again and again reveal and revel in the imagery of terror Kavadlo s single author thesis driven book makes the case that many of the novels and films about September 11 2001 have been about much more than terrorism alone while popular stories that may not seem related to September 11 are deeply connected to it The book examines New York novels written in response to September 11 along with the anti heroes of television and the resurgence of zombies and vampires in film and fiction to draw a correlation between Kavadlo s Era of Terror and the events of September 11 2001 Geared toward college students graduate students and academics interested in popular culture the book connects multiple topics to appeal to a wide audience

**British Economic and Social History** R. C. Richardson,William Henry Chaloner,1996 , Past and Present of Appanoose County, Iowa L. L. Taylor,1913 **The Reformation World** Andrew Pettegree,2000 The most ambitious one volume survey of the Reformation yet this book is beautifully illustrated throughout The strength of this work is its breadth and originality covering the Church art Calvinism and Luther History and Speculative Fiction John L. Hennessey,2023-12-14 This open access book demonstrates that despite different epistemological starting points history and speculative fiction perform similar work in making the strange familiar and making the familiar strange by taking their readers on journeys through space and time Excellent history like excellent speculative fiction should cause readers to reconsider crucial aspects of their society that they normally overlook or lead them to reflect on radically different forms of social organization Drawing on Gunl g Fur s postcolonial concept of concurrences and with contributions that explore diverse examples of speculative fiction and historical encounters using a variety of disciplinary approaches this volume provides new perspectives on colonialism ecological destruction the nature of humanity and how to envision a better future

**Mass Media in Modern Society** Norman Jacobs,2022-10-31 In this lively and yet scholarly book creative artists people who direct channels of communications and social scientists present their numerous positions and deeply felt disagreements *Geopolitics, Northern Europe, and Nordic Noir* Robert A. Saunders,2020-12-30 With its focus on the popular television genre of Nordic noir this book examines subtle and explicit manifestations of geopolitics in crime series from Scandinavia and Finland as well as the impact of such programmes on how northern Europe is viewed around the world Drawing on a diverse set of literature from screen studies to critical International Relations Geopolitics Northern Europe and Nordic Noir addresses the fraught geopolitical content of Nordic

television series as well as how Nordic noir as a genre travels the globe With empirical chapters focusing on the interlinked concepts of the body the border and the nation state this book interrogates the various ways in which northern European states grapple with challenges wrought by globalisation neoliberalism and climate change Reflecting the current global fascination with all things Nordic this text examines the light and dark sides of the region as seen through the television screen demonstrating that series such as *Occupied* *Trapped* and *The Bridge* have much to teach us about world politics This book will be of interest to those interested in geopolitics national identity and the politics of popular culture in Scandinavian studies media screen studies IR political science human cultural geography sociology anthropology cultural studies and communication

*Rethinking Social Studies and History Education* Cameron White, 2016-07-01 The book is unique in that it mixes theory and practical applications in rethinking traditional social studies education It focuses on essays integrating media popular culture and alternative texts for teaching and learning in social studies and history education through a social education lens Social education integrates social studies media popular culture and cultural studies all within a social justice framework The text provides 20 curriculum themes with strategies to connect in teaching and learning along with resources to extend depth of understanding In addition the pedagogical philosophy inherent in the essays is student centered learning focusing on issues problem and project based instruction Although the themes are generally social studies and history focused the links to media and popular culture can be integrated in other disciplines
