E. Anthony Swift

Popular Entertainment Class And Politics In Munich 1900 1923:

Popular Entertainment, Class, and Politics in Munich, 1900-1923 Robert Eben Sackett, 1982 From the turn of the century until 1923 the year of the National Socialist putsch popular entertainment in Munich reflected the sentiments and ideas of its largely middle class audience While industrialization rapid urbanization World War I and the German Revolution of 1918 19 created an atmosphere of turbulent change performances on Munich's popular stages gave voice to the continuity of several basic attitudes patriotism nostalgia for a preindustrial rural community hostility toward Jews and increasing anxiety over social status In songs monologues skits and one act plays popular entertainers articulated views common to Munich's traditional middle class of tradesmen and shopkeepers and its new or white collar middle class of clerks and minor officials Folksingers Karl Valentin and Weiss Ferdl serve as examples of this relationship between politics and culture They shared their audience's class background and sympathies and in the cabarets and music halls their songs dealt with vexed social and political issues This intriguing book in cultural history adds to our understanding of social conditions preparing the way for political change A model case study it explores the roots of Nazism in a large urban setting *Patriotic Culture in Russia During World War I* Hubertus Jahn, 1998 A cultural history charting the rise and fall of Russian patriotism during the first few years of the Great War Illustrated with period prints posters and broadsides the book traces the evolution of patriotic symbolism in popular entertainments and cultural production *Popular Theater and Society in Tsarist Russia* E. Anthony Swift, 2002-12-30 This is the fullest and most richly detailed study available of the popular theater that developed during the last decades of tsarist Russia Swift brings alive the world of Ostrovsky Stanislavsky Chekhov and Tolstoy as he examines the origins and significance of the new people's theaters that were created for the lower classes in St Petersburg and Moscow between 1861 and 1917 His extensively researched study full of anecdotes from the theater world of the day shows how these people's theaters became a major arena in which the cultural contests of late imperial Russia were played out and how they contributed to the emergence of an urban consumer culture during this period of rapid social and political change Cover leaf **The Popular Theatre Movement in Russia, 1862-1919** Gary Thurston, 1998 In *The Popular Theatre Movement in Russia* Gary Thurston illuminates the popular theater of pre revolutionary Russia which existed alongside the performing arts for the nation's economic elite He shows how from Peter the Great's creation of Europe's first theater for popular enlightenment to Lenin's decree nationalizing all Soviet theaters Russian rulers aggressively exploited this enduring art form for ideological ends rather than for its commercial potential After the emancipation of the serfs in 1861 educated Russians began to present plays as part of a crusade to civilize the peasants Relying on archival and published material virtually unknown outside Russia this study looks at how playwrights criticized Russian social and political realities how various groups perceived their plays and how the plays motivated viewers to change themselves or change their circumstances The picture that emerges is of a potent civic art influential in a way that eluded and challenged authoritarian

control **Hitler's Munich** David Ian Hall, 2021-01-18 An acclaimed historian of twentieth century Germany provides a vivid account of Hitler's rise to power and its intimate connection to the Bavarian capital. The immediate aftermath of the Great War and the Versailles Treaty created a perfect storm of economic, social, political and cultural factors which facilitated the rapid rise of Adolf Hitler's political career and the birth of the National Socialist German Workers Party. The breeding ground for this world-changing evolution was the city of Munich. In *Hitler's Munich*, renowned historian David Ian Hall examines the origins and growth of Hitler's National Socialism through the lens of this unique city. By connecting the sites where Hitler and his accomplices built the movement, Hall offers a clear and concrete understanding of the causes, background, motivation and structures of the Party. *Hitler's Munich* is a cultural and political portrait of the city, a biography of the Fuhrer and a history of National Socialism. All three interacted in this expertly rendered exploration of their interconnections and significance.

Germany and Propaganda in World War I David Welch, 2014-08-01 Adolf Hitler, writing in *Mein Kampf*, was scathing in his condemnation of German propaganda in World War I, declaring that Germany failed to recognise that the mobilization of public opinion was a weapon of the first order. This despite the fact that propaganda had been regarded by the German leadership, arguably for the first time, as an intrinsic part of the war effort. In this book, David Welch fully examines German society, politics, propaganda, public opinion and total war in the Great War. Drawing on a wide range of sources—posters, newspapers, journals, film, Parliamentary debates, police and military reports and private papers—he argues that the moral collapse of Germany was due less to the failure to disseminate propaganda than to the inability of the military authorities and the Kaiser to reinforce this propaganda and to acknowledge the importance of public opinion in forging an effective link between leadership and the people.

Cultures in Flux Stephen P. Frank, Mark D. Steinberg, 1994-07-05 The popular culture of urban and rural tsarist Russia revealed a dynamic and troubled world. Stephen Frank and Mark Steinberg have gathered here a diverse collection of essays by Western and Russian scholars who question conventional interpretations and recall neglected stories about popular behavior, politics and culture. What emerges is a new picture of lower class life in which traditions and innovations intermingled and social boundaries and identities were battered and reconstructed. The authors vividly convey the vitality as well as the contradictions of social life in old regime Russia while also confronting problems of interpretation, methodology and cultural theory. They tell of peasant death rites and religious beliefs, family relationships and brutalities, defiant peasant women, folk songs, urban amusement parks, expressions of popular patriotism, the penny press, workers' notions of the self, street hooliganism and attempts by educated Russians to transform popular festivities. Together, the authors portray popular culture not as a static, separate world but as the dynamic means through which lower class Russians engaged the world around them. In addition to the editors, the contributors to this volume are Daniel R. Brower, Barbara Alpern Engel, Hubertus F. Jahn, Albin M. Konechnyi, Boris N. Mironov, Joan Neuberger, Robert A. Rothstein and Christine D. Worobec.

Munich and Theatrical Modernism Peter Jelavich, 1985 This is the first cultural

exploration of playwriting directing acting and theater architecture in fin de siècle Munich Peter Jelavich examines the commercial political and cultural tensions that fostered modernism's artistic revolt against the classical and realistic modes of nineteenth century drama

Catholic Citizens in the Third Reich Donald J. Dietrich, 1988-01-01 Why did some German Catholics support and others oppose the police state that was the Third Reich In this insightful analysis Donald Dietrich explores the social psychological dynamics behind the religious reactions of German Catholics to political and moral issues during the late Weimar and Third Reich eras Along with many other Germans Catholics were enmeshed in a cruel dilemma Assenting to Nazi ideals would mean a loss of moral credibility opposing them would result in persecution Dietrich shows how Catholics accommodated and sometimes resisted totalitarianism and the Final Solution Three groups of Catholics are examined the hierarchy the theologians and the laity The literature on Nazi Germany is enormous But this is the first analysis of the dynamics shaping individual motivations and group response to Nazi ideals This comprehensive work fuses results derived from social science research with the massive amount of historical data available It is an interdisciplinary study relating religious values to patterns of behavior an issue that retains its significance today *Munich* Jeffrey S.

Gaab, 2006 Munich is Germany's most popular city and the Hofbräuhaus is Munich's most famous beer hall This book explores the connection between beer culture and politics in Munich to examine the crucial role the city has played in the development of modern Germany over the last thousand years Anyone interested in Germany Bavaria or Munich or anyone who has visited the famed Oktoberfest will enjoy this fascinating book This book is ideal for courses in European or German history and culture political science urban studies and sociology

Germany, Propaganda and Total War, 1914-1918 David Welch, 2000 Adolf Hitler writing in *Mein Kampf* was scathing in his condemnation of German propaganda in the First World War declaring that Germany had failed to recognize propaganda as a weapon of the first order This despite the fact that propaganda had been regarded arguably for the first time as an intrinsic part of the war effort David Welch has written the first book to fully examine German society politics propaganda public opinion and total war in the Great War Drawing on a wide range of sources from posters newspapers journals film parliamentary debates police and military reports and private papers Welch argues that the moral collapse of Germany was due less to the failure to disseminate propaganda than to the inability of the military authorities and the Kaiser to reinforce this propaganda and to acknowledge the importance of public opinion in forging an effective link between leadership and the people

Germany's other modernity Leif Jerram, 2018-09-30 This book is about what it meant to build a city in Germany at the turn of the twentieth century It explores the physical spaces and mental attitudes that shaped lives restructured society and conditioned beliefs about the past and expectations for the future in the crucial German generations that formed the young Reich fought the Great War and experienced the Weimar Republic Focusing on ordinary buildings and the way they shaped ordinary lives this study shows how material space could influence the lives of citizens from the ways the elderly slept at night to the economy of the city as

a whole It also shows how we integrate the spaces and places of our lives into our explanations of politics culture and economics It is aimed at those who want to understand urban modernity Wilhelmine and Weimar Germany the use of space in social policy and politics and the design of cities *German Soldier Newspapers of the First World War* Robert L. Nelson, 2011-04-14 First systematic study of German soldier newspapers as a representation of daily life on the front during the Great War *Hitler, 1889-1936* Ian Kershaw, 1999 Traces Hitler's rise from a shelter for needy children in Austria to dictatorship over Germany and the beginning of his persecution of the Jews Where Ghosts Walked David Clay Large, 1997 The capital of the Nazi movement was not Berlin but Munich according to Hitler himself In examining why historian David Clay Large begins in Munich four decades before World War I and finds a proto fascist cultural heritage that proved fertile soil later for Hitler's movement An engrossing account of the time and place that launched Hitler on the road to power Photos *Imperial Germany, 1871-1918* Volker Rolf Berghahn, 2005 A comprehensive history of German society in this period providing a broad survey of its development The volume is thematically organized and designed to give easy access to the major topics and issues of the Bismarkian and Wilhelmine eras The statistical appendix contains a wide range of social economic and political data Written with the English speaking student in mind this book is likely to become a widely used text for this period incorporating as it does twenty years of further research on the German Empire since the appearance of Hans Ulrich Wehler's classic work **Entertaining the Citizen** Liesbet van Zoonen, 2005 Can politics be combined with entertainment Can political involvement and participation be fun Politics and popular culture are converging all the time whether it's in Arnold Schwarzenegger's election as governor of California or in political television dramas and movies like *The West Wing* and *Dave* This book encourages readers to think about how links between entertainment and politics have the potential to rejuvenate citizenship endorse civic values and sustain civic commitment Instead of discarding the popular as irrelevant or dangerous to the democratic process Liesbet van Zoonen shows us the possibilities for increasing political knowledge and participation through the arenas of politics and popular music political soaps political television dramas and politicians as celebrities A first rate starting point for debate *Entertaining the Citizen* will stimulate and entertain students and general readers alike **Revolution and Political Violence in Central Europe** Eliza Ablovatski, 2021-07 Examines how narratives of the 1919 Central European revolutions promoted a violent counterrevolutionary culture in interwar Germany and Hungary *A History of Modern Germany Since 1815* Frank B. Tipton, 2003-01-01 An accessible textbook for courses on modern German history **Germany** Joseph A. Biesinger, 2006 A wealth of information is presented in this guide in a variety of formats including a concise narrative history a chronology and A to Z entries to provide readers with a greater understanding of German history from the Renaissance to the present day

Popular Entertainment Class And Politics In Munich 1900 1923 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Popular Entertainment Class And Politics In Munich 1900 1923 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Popular Entertainment Class And Politics In Munich 1900 1923 has opened up a world of possibilities. Downloading Popular Entertainment Class And Politics In Munich 1900 1923 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Popular Entertainment Class And Politics In Munich 1900 1923 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Popular Entertainment Class And Politics In Munich 1900 1923. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Popular Entertainment Class And Politics In Munich 1900 1923. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Popular Entertainment Class And Politics In Munich 1900 1923, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Popular Entertainment Class And Politics In Munich 1900 1923 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
