Popular Irish Poetry Louis Bell, 2007      **The Popular Poets and Poetry of Ireland** Richard Nagle, 2017-05-16 Excerpt from *The Popular Poets and Poetry of Ireland And Choice Selections in Prose From the Works of Famous Irish Writers and Orators* MID such splendid wealth as is contained in the treasure house of Irish poetry it is a difficult task to make selections which shall do justice at once to the richness and variety of material Each new exactment made upon it only brightens the sense of pride and joy which the children of the land have ever felt in contemplating its riches and the day is yet far distant which shall exhaust its resources Development only makes more apparent the range of its possibilities But where so much is valuable individual taste and preference must in the end become the standard of choice and individual taste may sometimes clash with popular preference In the present collection decision has been reached only after careful study and much thought has been given to details The book as a whole will be found to contain as judicious a selection And to cover a wider field than any that has so far been presented to the public while in the important points of letterpress and finish it is plainly beyond criticism The short biographical notice which appears as an introduction to the work of each Author has been restricted to the smallest limit and made to contain only the most important facts connected with the life and labors of the subject In most cases the writers are too well known to need any more formal presentation to their countrymen but even under different conditions limitations of space Would necessitate similar treatment About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **The Popular Poets and Poetry of Ireland** , 1887      Romanticism and Popular Culture in Britain and Ireland Philip Connell, Nigel Leask, 2009-04-09 An edited collection examining the construction of popular culture in the late eighteenth and early nineteenth centuries
