 Latino a identity through rock n roll music and its deep Latin o history By linking rock music to Latinos and to music from  
 Latin America the author argues that Latin o music people and culture have been central to the development of rock music as  
 a major popular music form in spite of North American racial logic that marginalizes Latino as outsiders foreigners and

always exotic According to the author the Latin o Rock Diaspora illuminates complex identity issues and interesting paradoxes with regard to identity politics such as nationalism Latino as use rock music for assimilation to mainstream North American culture while in Latin America rock music in Spanish is used to resist English and the hegemony of U S culture Meanwhile singing in English and adopting U S popular culture allows youth to resist the hegemonic nationalisms of their own countries Thus throughout the Americas Latino as utilize rock music for assimilation to mainstream national culture s for resistance to the hegemony of dominant culture s and for mediating the negotiation of Latino a identities
