Popular Religion In America The Evangelical Voice

Charles H. Lippy

Popular Religion In America The Evangelical Voice:

Popular Religion in America Erling T. Jorstad, 1993-04-22 The enormous growth of evangelicalism is one of the major developments in recent American life Like other scholars Jorstad acknowledges that evangelicalism has grown because it is theologically attractive But Jorstad also attributes the growth of the evangelical movement to its relationship with American popular culture According to the author the evangelical movement was able to integrate populist democratic traditions with a cultural inclusiveness a mastery of high technology and a willingness to use mass media to spread its views The book contains three sections The first traces the development of evangelical subculture between 1960 and 1990 The second part discusses the evangelical movement and social and individual values The third part explores popular religion and the media The book considers the involvement of evangelicals in popular religion the appeal of popular religion to many but not to all evangelicals the similarities between popular religion and more traditional religious organizations and the means by which evangelicalism effectively utilizes the many genres and styles of popular culture

The Evangelicals Robert Krapohl, Charles H. Lippy, 1999-04-30 The different facets of American religious life are more thoroughly understood with an awareness of the Evangelical heritage that intersects the different denominational boundaries Since Evangelicalism is not confined to one religious denomination or group it has associations with a number of American religious movements such as Fundamentalism Pentecostalism the Charismatic Movement and Revivalism This study modeled after the popular Greenwood Denominations in America series analyzes the people institutions and the religious culture of modern American Evangelicals Divided into three sections the book presents a history of American Evangelicalism discusses themes and issues in modern American Evangelicalism and provides a biographical dictionary of modern American Evangelical leaders The combination of critical narrative and reference will appeal to religion scholars and American culture scholars alike Separate bibliographies unique to the history section and to the themes and issues section provide valuable resources for further research Equally helpful is the bibliographic material that completes each entry in the biographical dictionary section of the book The three part organization makes this an accessible research tool clearly organized for easy cross referencing

Evangelicals and the Continental Divide Samuel Harold Reimer, 2003 In *Evangelicals and the Continental Divide* Sam Reimer finds surprising levels of uniformity among evangelicals on both sides of the border He shows that both American and Canadian evangelicals share highly similar religious identities central beliefs moral and subcultural boundaries and social attitudes Reimer found that American evangelicals did not distinguish themselves through greater conservatism or greater commitment but did connect politics and faith to a much greater extent than their Canadian counterparts while evangelicals in Canada evinced greater tolerance He argues that these differences point to an enduring importance of national historical and cultural differences whereas regional differences are not as significant Using data obtained from 118 in depth interviews with evangelicals in both countries as well as a representative poll of 3 000 Canadians and 3 000 Americans Reimer details the

inner workings of the evangelical subculture and gives us an understanding of evangelical similarities and differences across the two nations

Encyclopedia of Fundamentalism: Volume 3 of Religion & Society Brenda Brasher, 2001-10-19 The Encyclopedia of Fundamentalism is the third volume of the acclaimed Religion Society series The Encyclopedia of Fundamentalism follows a broad definition of fundamentalism and covers fundamentalism across time and place although the emphasis remains on its primary manifestation Protestant fundamentalism in the United States It draws upon the work of historians sociologists religious scholars anthropologists political scientists and others

Sexual Misconduct and the Future of Mega-Churches Glenn L. Starks, 2013-03-07 Why have multiple mega church leaders Ted Haggard and Bishop Eddie Long for example committed acts of sexual misconduct This book discusses the reasons in depth and examines how these acts are impacting the future of megachurches Mega churches churches with congregations that number in the thousands of worshippers are growing in popularity in America and around the world Shockingly a growing number of megachurch leaders have committed acts of sexual misconduct While these scandalous crimes have received much attention through the media literature that examines the topic in detail has been lacking This book examines the various aspects of sexual misconduct by megachurch leaders providing a comprehensive review of the topic that discusses the direct and indirect reasons for these crimes The book provides unbiased factual coverage of megachurch sexual abuse cases covering issues surrounding the victims in specific cases the role of the church and notable ministers such as Ted Haggard of New Life Church Colorado Springs CO Bishop Eddie Long of New Birth Missionary Baptist Church Lithonia GA and Joe Barron of Prestonwood Baptist Church Dallas TX The author also discusses how these incidences have impacted societal perceptions of religion and large churches and religious organizations and provides recommendations to curb future cases of sexual abuse within megachurches

The Age of Evangelicalism Steven P. Miller, 2014-04-10 At the start of the twenty first century America was awash in a sea of evangelical talk The Purpose Driven Life Joel Osteen The Left Behind novels George W Bush Evangelicalism had become so powerful and pervasive that political scientist Alan Wolfe wrote of a sense in which we are all evangelicals now Steven P Miller offers a dramatically different perspective the Bush years he argues did not mark the pinnacle of evangelical influence but rather the beginning of its decline The Age of Evangelicalism chronicles the place and meaning of evangelical Christianity in America since 1970 a period Miller defines as America's born again years This was a time of evangelical scares born again spectacles and battles over faith in the public square From the Jesus chic of the 1970s to the satanism panic of the 1980s the culture wars of the 1990s and the faith based vogue of the early 2000s evangelicalism expanded beyond churches and entered the mainstream in ways both subtly and obviously influential Born again Christianity permeated nearly every area of American life It was broad enough to encompass Hal Lindsey's doomsday prophecies and Marabel Morgan's sex advice Jerry Falwell and Jimmy Carter It made an unlikely convert of Bob Dylan and an unlikely president of a divorced Hollywood actor As Miller shows evangelicalism influenced not only its devotees but its many

detractors religious conservatives secular liberals and just about everyone in between The Age of Evangelicalism contained multitudes it was the age of Christian hippies and the silent majority of Footloose and The Passion of the Christ of Tammy Faye Bakker the disgraced televangelist and Tammy Faye Messner the gay icon Barack Obama was as much a part of it as Billy Graham The Age of Evangelicalism tells the captivating story of how born again Christianity shaped the cultural and political climate in which millions of Americans came to terms with their times

Encyclopedia of Contemporary Christian Music Don Cusic, 2009-11-12 The first comprehensive overview of contemporary inspirational music covering its historical roots and dramatic growth into one of America's most vital music genres The Encyclopedia of Contemporary Christian Music Pop Rock and Worship is the first comprehensive reference work on a form of American music that is far more popular than nonfans may realize It fills a major gap in the literature on American music and Christian culture looking at this increasingly popular genre in the context of the overall history of religious music in the United States With over 200 entries The Encyclopedia of Contemporary Christian Music covers important performers and industry figures songs and albums concerts and festivals the rise of Christian radio and television and other issues related to the growth of inspirational music Scholars and fans alike will find a wealth of revealing information and insightful coverage illustrating the influence of gospel on modern American music with musicians such as Elvis Sam Cooke Johnny Cash Bob Dylan and U2 The work also examines the use of fundamental rock pop and rap music templates in the service of songs of faith

Devotional Fitness Martin Radermacher, 2017-01-05 This book examines evangelical dieting and fitness programs and provides a systematic approach of this diverse field with its wide variety of programs When evangelical Christians engage in fitness and dieting classes in order to glorify God they often face skepticism This book approaches devotional fitness culture in North America from a religious studies perspective outlining the basic structures ideas and practices of the field Starting with the historical backgrounds of this current the book approaches both practice and ideology highlighting how devotional fitness programs construe their identity in the face of various competing offers in religious and non religious sectors of society The book suggests a nuanced and complex understanding of the relationship between sports and religion beyond simple functional equivalency It provides insights into the formation of secular and religious body ideals and the way these body ideals are sacralized in the frame of an evangelical worldview

Rhetoric of the Protestant Sermon in America Jonathan J. Edwards, Eric C. Miller, 2020-01-20 In Rhetoric of the Protestant Sermon in America Pulpit Discourse at the Turn of the Millennium ten scholars analyze notable sermons from the fifty year span between 1965 and 2015 during which the Protestant sermon has undergone significant change in the United States Contributors examine how this turbulent time period witnessed a variety of important shifts in the arguments evidences and rhetorical strategies employed by contemporary preachers Because religious practice is inextricably tangled in the culture politics and economy of its historical situation the public expression of a faith is certain to move with the times In their treatment of race sex gender class and

citizenship sermons apply ancient texts to current events and controversies often to revealing effect This collection thoughtfully edited by Eric C Miller and Jonathan J Edwards demonstrates how the genre of the Protestant sermon has evolved or resisted evolution across the years Scholars of religion rhetoric communication sociology and cultural studies will find this book particularly useful **Economic Injustice and the Rhetoric of the American Dream** Luke

Winslow,2017-07-24 Our economic arrangements require a persuasive story that can explain who is rich who is poor and why This story shapes our attitudes toward what is just and unjust this story dispenses power to some and withholds it from others and the deeply political and paradoxical nature of this story presents a valuable site of rhetorical inquiry Economic Injustice and the Rhetoric of the American Dream fills an important scholarly gap by connecting the need to make sense of economic arrangements with the rhetoric of the American Dream Luke Winslow examines how the rhetoric of the American Dream has emerged as a dominant cultural touchstone in oscillation with a widespread shift to individualistic explanations for economic arrangements the arrival of neoliberalism growing levels on inequality and dismal rates of economic mobility By developing the tools of rhetorical and ideological criticism this book explores the American Dream in relation to religious economic educational and political institutions ranging from Prosperity Theology to the candidacy and election of Donald Trump Recommended for scholars in Communication Economics Political Science and Religious Studies **Everything You**

Know about Evangelicals Is Wrong (Well, Almost Everything) Steve Wilkens,Don Thorsen,2010-08-01 While evangelicals make up a significant portion of American society they still constitute a mystery for many They exert considerable influence on virtually every aspect of American life and culture yet by those who don t appreciate them they re seen as rednecks crypto fundamentalists and people without education Wilkens and Thorsen contend that evangelicals are tired of being caricatured and provide an insider s look at myths and realities surrounding the movement They winsomely and sometimes humorously assess the breadth and depth of evangelical beliefs values and practices arguing that evangelicalism is identifiable by a family resemblance vitality and relevance that transcends particular theological and political stereotypes that arise inside as well as outside of it The book provides a synthetic presentation of contemporary evangelical Christianity as well as critiques of it Australian Pentecostal and Charismatic Movements ,2020-04-28 In

Australian Pentecostal and Charismatic Movements Arguments from the Margins Rocha Hutchinson and Openshaw argue that Australia has made and still makes important contributions to how Pentecostal and charismatic Christianities have developed worldwide This edited volume fills a critical gap in two important scholarly literatures The first is the Australian literature on religion in which the absence of the charismatic and Pentecostal element tends to reinforce now widely debunked notions of Australia as lacking the religious tendencies of old Europe The second is the emerging transnational literature on Pentecostal and Charismatic movements This book enriches our understanding not only of how these movements spread worldwide but also how they are indigenised and grow new shoots in very diverse contexts

Evangelical Millennialism in the Trans-Atlantic World, 1500-2000 C. Gribben, 2015-12-04 This book offers the first complete overview of the intellectual history of one of the most significant contemporary cultural trends the apocalyptic expectations of European and American evangelicals in an account that guides readers into the origins its evolution and its revolutionary potential in the modern world

Secularization and Religious Innovation in the North Atlantic World David Hempton, Hugh McLeod, 2017 In the early twenty first century it had become a cliché that there was a God Gap between a more religious United States and a more secular Europe The apparent religious differences between the United States and western Europe continue to be a focus of intense and sometimes bitter debate between three of the main schools in the sociology of religion According to the influential Secularization Thesis secularization has been an integral part of the processes of modernization in the Western world since around 1800 For proponents of this thesis the United States appears as an anomaly and they accordingly give considerable attention to explaining why it is different For other sociologists however the apparently high level of religiosity in the USA provides a major argument in their attempts to refute the Thesis

Secularization and Religious Innovation in the North Atlantic World provides a systematic comparison between the religious histories of the United States and western European countries from the eighteenth to the late twentieth century noting parallels as well as divergences examining their causes and especially highlighting change over time This is achieved by a series of themes which seem especially relevant to this agenda and in each case the theme is considered by two scholars The volume examines whether American Christians have been more innovative and if so how far this explains the apparent God Gap It goes beyond the simple American European binary to ask what is American or European in the Christianity of the nineteenth and twentieth centuries and in what ways national or regional differences outweigh these commonalities

Modern American Popular Religion Charles H. Lippy, 1996-01-19 Lippy makes a case for the importance of exploring popular religion if one is to understand the dynamics of modern religious life The first annotated bibliography on the subject this work features over 550 entries topically arranged Lippy provides a critical assessment of the state of the study of popular religion including an examination of theoretical materials that wrestle with trying to define precisely what popular religion is This book is of interest to scholars students and anyone concerned with understanding today's religion The bulk of the work consists of critical annotations of books articles and dissertations that deal with various aspects of popular religion in the United States from 1870 to the present The topics covered include background studies biographical works titles dealing with fundamentalism and evangelicalism expressions of popular religion in the arts the use of mass media and personal spirituality The work is of great importance as long as Americans engage in the human quest to make sense out of their own experience and look beyond themselves to a supernatural realm that will assist them in ordering their lives

The Sound of Light Don Cusic, 2002 The Sound of Light is a sweeping overview of the history of gospel music Powerful and incisive it traces contemporary Christianity and Christian music to the 16th century and the Protestant Reformation after

examining music in the Bible and early church music From the psalms of the early Puritans through the hymns of human composure of Isaac Watts and the social activism of the Wesleys gospel music was established in 18th century America With the camp meeting songs of the Kentucky Revival the spirituals that came from the slave culture and the hymns from the great revival after the Civil War gospel music advanced through the 19th century The 20th century brought recording technology and electronic media to the table Gospel music has developed with Christian revivals and the history of American gospel music is the history of Christianity in America Gospel music reflects the American spirit of freedom and the free market as a Christian culture emerges in the 20th century providing a spiritual as well as economic foundation The Sound of Light presents gospel music as part of the history of contemporary Christianity It is a work broad in scope that defines a music essential to understanding American culture as well as American music in the 20th century Don Cusic is the author of ten books including the biography Eddy Arnold I'll Hold You in My Heart and an encyclopedia of cowboys Cowboys and the Wild West An A Z Guide from the Chisholm Trail to the Silver Screen He joined the faculty at Middle Tennessee State University in 1982 teaching courses in the music business He earned a Masters and Doctorate in Literature from MTSU Since August of 1994 Cusic has been Professor of Music Business at Belmont University

Religion in America Julia Mitchell Corbett, Julia Corbett Hemeyer, 1999-07 For undergraduate courses in Religion in America Concise yet thorough this text introduces the vast variety of religious groups and activities both ecclesiastical and popular that make up the American religious picture today It presents the academic study of religion within the context of the humanities discussing religion in a spirit of mutual exploration and learning rather than in terms of what is right and wrong Coverage emphasizes the current state of today's religions paying particular attention to the religious diversity found in the United States

Popular Voices in Latin American Catholicism Daniel H. Levine, 2014-07-14 Throughout Latin America observers and activists have found in religion a promise of deep and long lasting democratization But for religion to change culture and politics religion itself must change Such change is not only a matter of doctrine ritual or institutional arrangements but also arises out of the needs values and ideas of average believers Combining rich interviews and community studies in Venezuela and Colombia with analysis of broad ideological and institutional transformations Daniel Levine examines how religious and cultural change begins and what gives it substance and lasting impact The author focuses on the creation of self confident popular groups among hitherto isolated and dispirited individuals Once silent voices come to light as peasants and urban barrio dwellers reflect on their upbringing and community on poverty and opportunity on faith prayer and the Bible and on institutions like state school and church Levine also interviews priests sisters and pastoral agents and explains how their efforts shape the links between popular groups and the larger society The result is a clear understanding of how relations among social and cultural levels are maintained and transformed how programs are implemented why they succeed or fail and how change appears both to elites and to ordinary people Originally published in 1992 The Princeton Legacy Library uses the latest print

on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Rise of Baptist Republicanism Oran P. Smith, 2000-05 In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision

Protestant Evangelical Literary Culture and Contemporary Society Jan Blodgett, 1997-06-11 While studies have been done on the politics personalities and television empires of Protestant evangelicals little has been said about the power of evangelical publishing and the recent upsurge in evangelical fiction In the last 20 years evangelical publishing has grown into a multimillion dollar business and evangelical fiction offers valuable information about the Protestant evangelical experience This book argues that the authors and publishers of evangelical fiction are purposeful gatekeepers who create specific images of an evangelical universe Characters and plots of evangelical literature not only embody a religious perspective but also advocate appropriate behaviors and solutions to problems This study brings together research in the history of Protestant evangelicalism the sociology of religion and literary studies to explore how evangelical novels can serve as cultural artifacts of the evangelical community in contemporary American society The volume consists of two distinct but interrelated parts The first part of the book overviews the history of evangelical religion and the publishing of fiction The chapters in this section trace the ways in which religious publishing has influenced the publishing industry in general and the importance of publishing to evangelicalism The second part is based on the review and analysis of 60 inspirational novels published between 1972 and 1994 by 13 evangelical publishers Two chapters examine the development of specific genre and plot adaptations To identify the range of attitudes and images expressed in this fiction each of the 60 novels is examined for its handling of theology practical religion and social issues Appendices list the novels within particular genres and trace the chronological development of evangelical publishing and a bibliography concludes the volume

Popular Religion In America The Evangelical Voice Introduction

Popular Religion In America The Evangelical Voice Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Popular Religion In America The Evangelical Voice Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Popular Religion In America The Evangelical Voice : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Popular Religion In America The Evangelical Voice : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Popular Religion In America The Evangelical Voice Offers a diverse range of free eBooks across various genres. Popular Religion In America The Evangelical Voice Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Popular Religion In America The Evangelical Voice Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Popular Religion In America The Evangelical Voice, especially related to Popular Religion In America The Evangelical Voice, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Popular Religion In America The Evangelical Voice, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Popular Religion In America The Evangelical Voice books or magazines might include. Look for these in online stores or libraries. Remember that while Popular Religion In America The Evangelical Voice, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Popular Religion In America The Evangelical Voice eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Popular Religion In America The Evangelical Voice full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Popular Religion In America The Evangelical Voice eBooks, including some popular titles.

FAQs About Popular Religion In America The Evangelical Voice Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Popular Religion In America The Evangelical Voice is one of the best book in our library for free trial. We provide copy of Popular Religion In America The Evangelical Voice in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Popular Religion In America The Evangelical Voice. Where to download Popular Religion In America The Evangelical Voice online for free? Are you looking for Popular Religion In America The Evangelical Voice PDF? This is definitely going to save you time and cash in something you should think about.
