Population Profile Of China:

Population Profile of China Janet Che-Alford, 1982 **World population profile**, 1998 China's Population Sri Pati Chandrasekhar, 1960 **The China Population and Labor Yearbook, Volume 1** Fang Cai, Yang Du, 2009-05-06 This 2007 yearbook examines recent developments in the Chinese demographic transition and its implications especially for the labor market After many years of low population growth China has reached the beginning stage of the Lewis Turning Point the shift from a labor surplus economy to one of labor shortages in the typical dualist model of rural and urban labor supply This has brought pressures for increasing wages for the unskilled labor and has important implications for national development strategy and related policies This yearbook is a collection of important articles by demographers and economists from CASS and other top research and policy institutes in China Several of the articles in this volume are based on major labor and population surveys carried out in recent years World Population Profile: 1987 United States. Bureau of the Census, 1987

World Population Profile: 1998, With a Special Chapter Focusing on HIV/AIDS in the Developing World, WP/98, Issued February 1999, 1999 **The Demographic Impacts of HIV/AIDS Perspectives from the World Population Profile, 1996** Karen Stanecki De Lay, Peter O. Way, 1997 The Rise of China Gary J. Schmitt, 2011-02 Khrushchev's 1959 trip across America was one of the strangest exercises in international diplomacy ever conducted a surreal extravaganza as historian John Lewis Gaddis called it Khrushchev told jokes threw tantrums sparked a riot in a San Francisco supermarket wowed the coeds in a home economics class in Iowa and ogled Shirley MacLaine as she filmed a dance scene in Can Can He befriended and offended a cast of characters including Nelson Rockefeller Richard Nixon Eleanor Roosevelt Elizabeth Taylor and Marilyn Monroe Published for the fiftieth anniversary of the trip *K Blows Top* is a work of history that reads like a Vonnegut novel This cantankerous communist's road trip took place against the backdrop of the fifties in capitalist America with the shadow of the hydrogen bomb hanging over his visit like the Sword of Damocles As Khrushchev kept reminding people he was a hot tempered man who possessed the power to incinerate America *China in the Local and Global Economy* Steven Brakman, Charles van Marrewijk, Peter J. Morgan, Nimesh Salike, 2018-11-21 The history of China dates back thousands of years with periods of decline followed by periods of growth and innovation This book puts the last 50 years China's most recent period of growth into perspective It explores the changing national and international connections within China and between China and other parts of the world and their importance for understanding the past current and future developments of the Chinese economy The book brings together leading international contributors from China Japan and Europe to consider the historical developments of these connections the importance of natural and man made connections for the Chinese economy the role of institutions and policies for understanding the connections and their sustainability This book will be of interest to scholars and researchers focusing on China economics geography or international trade World Population Profile: 1989 Ellen Jamison, 1989 *Analysing China's Population* Isabelle Attané, Baochang Gu, 2014-10-06 Based

on China's recently released 2010 population census data this edited volume analyses the most recent demographic trends in China in the context of significant social and economic upheavals The editor and the expert contributors describe the main features of China's demography and focus on the details of this latest phase of its demographic transition The book explores such striking characteristics of China's demography as the changing age and sex population structure recent trends in marriage and divorce fertility trends with a focus on sex imbalance at birth the demography of the ethnic minorities and recent mortality trends by sex Analysing China's Population Social Change in a New Demographic Era examines and assesses the impact of changes that in the coming decades will be crucial for individuals and the larger society and economy of the nation
