

POPULISM IN LATIN AMERICAN POLITICS

Carlos de la Torre

ABSTRACT

This chapter explores how scholars have conceptualized the relationship between Latin American populism and democracy. It analyzes different approaches to populism such as modernization and dependency theory, and current approaches that focus on discourse analysis and/or political strategies. The chapter focuses on the current wave of radical populism to explore the continuities and differences between “classical” populism of leaders such as Juan Perón, the “neopopulism” of Alberto Fujimori, and the radical populism of Hugo Chávez, Evo Morales, and Rafael Correa.

Gino Germani an Italian-born sociologist who sought refuge from Mussolini's jail in Argentina set the research agenda for the study of Latin American populism. He argued that national populist regimes, such as Peronism, were a phase in the transition to modernity. Relying on mass society he claimed that abrupt process of modernization such as urbanization and industrialization produced masses in a state of anomie that

Pereira, 2023-06-02 With contributions from 22 scholars and empirical material from 29 countries within and beyond Latin America this book identifies subtypes of populism to further understand right wing populist movements parties leaders and governments It seeks to examine whether the term populism continues to have any validity and what relationships it has to democracy Part 1 is an exploration of populism as an analytical concept It asks how populism can and should be defined whether populism can be broken down into subtypes and whether the use of the term within and beyond Latin America in recent scholarship has been consistent Part 2 focuses on political economy and specifically whether political economy explanations of both the causes and consequences of right wing populism fit recent cases in Latin America Europe and the Philippines Part 3 examines institutions and in particular institutions of coercion and digital communication It contains chapter studies on various aspects of populism in Brazil Spain India and Italy Part 4 concerns the coronavirus pandemic and the specific case of right wing populism in Brazil It examines the Bolsonaro government's response to the coronavirus pandemic and how that response exacerbated the health crisis and reduced the government's popularity Right Wing Populism in Latin America and Beyond is a timely and socially relevant contribution to the understanding of contemporary challenges to democracy It will be of interest to scholars students and practitioners eager to understand the rise in right wing agendas across the globe

Education and Social Change in Latin America Carlos Alberto Torres, 1995 Education and Social Change in Latin America is a valuable addition to the area studies literature in Comparative Education Torres knits contributions from recognized North and South American experts to produce a comprehensive tapestry of analyses of both formal and non formal education in Latin America The book constitutes an excellent example of the application of a broad social science perspective to the study of education viewed as a constituent sub system The foci of non formal education Part I political socialisation Part II and the impact of social change upon education in Brazil Part III facilitates a broad range of comparisons A balance between the often contradictory perspectives economic anthropological sociological and political

provides the reader with a comprehensive snapshot of trends and developments in Latin American education during the crucial 1980s This inter disciplinary examination of aspects of Latin American education has a broad range of applications ranging from introductory courses to senior seminars to a valuable research tool What would otherwise be an exceptional book is rendered even more valuable by Torres conversation with Paulo Freire While Torres is recognized as one of the foremost authorities on Freire this chapter explores Freire as a human being an educator and introduces some of the contradictions faced by a world renowned adult educator who assumed the mantle of an administrator in the formal education system in his native Brazil between 1989 and 1991 *Social Movements in Latin America* Ronaldo

Munck,2020-10-22 Social movements are a key feature of the political and social landscape of Latin America Ronaldo Munck explores their full range emanating from different sections of Latin American society and motivated by many different concerns including worker organizations peasant and land reform movements Indigenous groups women s movements and environmental groups Although the mosaic of interlocking and connected issues and rights presents a complex map of social concerns and potentially a fragmented political force these movements are likely to be at the centre of any future progressive politics in Latin America As a result they require careful understanding and a more nuanced theoretical approach Drawing on insights from Latin American approaches to social movement theory the book offers a distinctive contribution to social movement literature The text incorporates detailed case studies and a methodological appendix for students wishing to develop their own research agendas in the field *Developments in Latin American Political Economy* J. Buxton,N.

Phillips,1999-08-20 The first part of the volume addresses the changing nature and interaction of the state and the market in Latin American countries as well as the principal challenges of consolidating political and economic reform in a period of profound change The second part of the book examines a variety of traditional and non traditional political roles ranging from the military to women and from the environmental lobby to human rights It explores the ways in which the changing composition of the political debate is shaping the political arena Forward looking in its approach to volume provides readers with an indication of factors which will be of key significance in the immediate future the tensions which have yet to be resolved and the prospects ahead **Reshaping the Political Arena in Latin America** Eduardo Silva,Federico

Rossi,2018-05-22 Neoliberalism changed the face of Latin America and left average citizens struggling to cope in many ways Popular sectors were especially hard hit as wages declined and unemployment increased The backlash to neoliberalism in the form of popular protest and electoral mobilization opened space for leftist governments to emerge The turn to left governments raised popular expectations for a second wave of incorporation Although a growing literature has analyzed many aspects of left governments there is no study of how the redefinition of the organized popular sectors their allies and their struggles have reshaped the political arena to include their interests until now This volume examines the role played in the second wave of incorporation by political parties trade unions and social movements in five cases Argentina Bolivia Brazil

Ecuador and Venezuela The cases shed new light on a subject critical to understanding the change in the distribution of political power related to popular sectors and their interests a key issue in the study of postneoliberalism

Visions of Transformation Aaron Augsburger, 2025-04-22 On a wave of revolutionary upheaval in the early twenty first century Evo Morales was swept into state power as Bolivia's first Indigenous president with a mandate to radically transform the country The ensuing period known simply as *el proceso de cambio* the process of change has been a tension filled and contradictory process involving progressive transformations ambiguous continuities and outright revolutionary failures Importantly the contradictions have been just as much ideological as they are material By examining and illuminating the contrasting logics underlying opposing theories of revolutionary change *Visions of Transformation* provides an analytical framework through which to understand and interpret the central conflicts and contradictions of Bolivia under Evo Morales and the *Movimiento al Socialismo* Based on nearly two years of immersive fieldwork *Visions of Transformation* explores the relation between theoretical production and political practice Through the contrasting perspectives of hegemony and plurinationality the book analyzes three specific conjunctural moments a proposed highway through the TIPNIS a conflict over representation of the highland Indigenous movement organization CONAMAQ and the struggle for Indigenous autonomy to shed light on the primary economic social political and theoretical tensions at the heart of Bolivia's *proceso de cambio*
