

Por tierras de Portugal y de España

En el presente artículo ofrecemos un detallado análisis del libro "Por tierras de Portugal y de España", de Miguel de Unamuno (Bilbao, 1861-1936). En el mismo va detallando sus impresiones al recorrer cada uno de los pueblos y ciudades que va visitando y nos hace reflexionar sobre el ser humano. Al repasar ahora sus palabras vemos cómo la visión que nos ofrece no ha perdido actualidad a pesar de los años transcurridos.

"POR TIERRAS DE PORTUGAL Y DE ESPAÑA"

Miguel de Unamuno (1864 – 1935). Publicado en Madrid en 1911.

Introducción.- El libro "Por tierras de Portugal y de España" es un recorrido por los lugares más significativos de las dos patrias hermanas. En este viaje nos quiere dar a conocer que para amar una patria hay que conocerla, y no guiarse por lo que digan los periódicos. Nos enseña también a observar la belleza de todos los paisajes de los que dice que son alegres o tristes, pero nunca feos. Fomenta, pues, este amor a la naturaleza y a la patria; ese amor que se despierta siempre en nosotros al conocerla mejor.

Unamuno no quiere dejar en este libro, la literatura en un rincón. Así, pues, nos hace un comentario de las obras más importantes que reflejan el carácter de la región que visita; todo ello tratado y compaginado a la perfección.

Por tierras de Portugal.- Comienza el viaje en Portugal. Ya para empezar, nos da esta maravillosa imagen de Portugal, en la que dice: "Represéntaseme Portugal como una dulce y hermosa muchacha campesina que, de espaldas a Europa, sentada a orillas del mar, con los descalzos pies en el borde mismo donde la espuma de las gemebundas olas se los baña, los codos hincados en las rodillas y la cara entre las manos, mira cómo el sol se pone en las aguas infinitas. Porque para Portugal el sol no nace nunca: muere siempre en el mar que fue teatro de sus hazañas y cuna y sepulcro de sus glorias".

Prosigue después con un lamento de ¿por qué esa falta de comprensión entre España y Portugal siendo hermanas? Es este en realidad un gran problema; que dos naciones geográficamente unidas estén tan dispares en sus ideales. Unamuno parece entonces defender a Portugal, y nos habla de los aspectos en que Portugal es superior a nuestra España. Destaca entre ellos la originalidad de la literatura portuguesa. Comienza por Eugénio de Castro, y acaba con Teixeira de Pascoaes. El pueblo portugués, para él, tiene un doble aspecto: "Portugal campesino, resignado y sencillo. Portugal heroico y noble".

A Unamuno le gusta mucho hablar con los amigos. Se encuentra entonces con Teixeira de Pascoaes, del que dice: "Encerrado en su torre de bruma y de silencio, es un corazón sonámbulo". Hace con él algunas escapadas por los alrededores, y Teixeira le enseña a saber contemplar la belleza de todos los paisajes. Lee entonces Unamuno su libro "Las sombras", y nos hace un completo estudio de dicha obra, destacando sobre todo que la exaltación del idealismo lleva a la naturaleza.
