El hogar perfecto

In this project, you and your small group will play dual roles! You'll act as a Spanish-speaking family hiring an architectural firm to design your dream home. You'll also be members of an architectural firm designing a home for another group. In the process, you will:

- Make decisions about your family's housing preferences
- Set up your architectural firm and meet with your clients
- Make a preliminary list of the features of the home you're designing
- Make a blueprint of the house, complete with furnishings
- Build a model of the exterior of the house
- Present home designs to clients
- Compare and contrast homes

¡A soñar! La casa ideal...

Conexiones

As you create the dream home, you'll sharpen your skills in many areas.
