Porky My Unusual Pet:

Porky, My Unusual Pet Deloris K. Kowalewski, 1984 *Porky* Deloris Kay Ward, 2000-08 YOU ARE BEING BETRAYED BY THE U S GOVERNMENT is a must read book for all Americans written by an American about the Constitution of the United States the unconstitutional acts of the Government of the United States and the abuses We the People suffer because of the Government s unconstitutional behavior Every citizen of this country has a personal stake in our Government s unconstitutional conduct This book explains step by step in simple clear and easy to understand language the unconstitutional behavior of the U S Government and how YOUR RIGHTS are being trampled upon The unconstitutional acts described within are not the result of the Government s attempt to protect YOU from terror or anything else Each Branch of the Federal Government is ignoring the Rights and the principles in the Constitution The behavior of officials in each Branch of the Government proves that when our Constitution becomes inconvenient for them they simply ignore it The Executive Branch is out of control because Government officials are not held accountable for failing to support the Constitution The Executive Branch is running amuck and fails to follow the rules and laws written by Congress Congress fails to take the action necessary when it is perfectly clear to Congress that the Executive Branch is not upholding the Constitution or the laws Federal judges including the Justices of the Supreme Court have repeatedly issued decisions that ignore the Constitution and the laws written by Congress Congress can remove Federal judges but the threat of removal has not deterred Federal judges Federal judges do as they please Why Because Congress permits them to Congress is our defense against oppressive Government officials Congress is our watchdog for the store the store being our Rights Congress has failed to attend to its responsibilities The checks and balances are no longer fully operative because Congress does not perform its watchdog function *Porky* Deloris Kay Ward, 2000-08-01 A ten year old girl receives a smart and lovable baby pig for her birthday **Life in a Mountain Town 'Mayhill, New Mexico'** Deloris Kay Curtis Ward, 2013-07 The memories of a by gone era of a town full of loving Christian people The good and wonderful times and the hard and sad times of the 40 s and the depression era when it was a tough struggle to line The story continues into the 50 s and 60 s when times were somewhat better It was also a time when there were good morals and most all of America believed in god and trusted in Him and showed their love and devotion to God and their neighbors where a hand shake was their contract Children were taught to mind and had to suffer the consequences of a bad behavior and they were made to work the same as adults if they expected to eat We were not abused but taught how to survive in a tough world There were days of laughter and days for tears that close family and friends shared and the ways that children entertained themselves in the days of no television and not much in the way of toys Some call them the good ole days and others call it down and out hard times but whatever those days were to others they are embedded in a mountain girls memories as something wonderful to remember cherish and share **The Publishers' Trade List Annual** , 1985 *Children's Books in Print* R R Bowker Publishing, Bowker, 1999-12

was a very unique man who had the ability to do mostly anything he puts his mind to My father was a good provider and a hard worker He had the ability to think in a way that amazed people My father had been in many different businesses and occupations He also was an inventor with over thirty patents credited to his name My father loved his family and did his best to provide for us and make a loving atmosphere for us to live in My mother was a wonderful mother who was able to raise us in a manner that help us throughout our lives we were taught to be kind be polite be caring towards others have manners love and forgive each other believe in God and thank him for all he provided for us The early years as far back as I can remember were happy sad and confusing Our lives took many twists and turns mainly because of my father and his desire to succeed My mother was a saint to give him free reign to do what he wanted but I guess she didn't have much of a choice This book is different because instead of chapters I decided to use the name of the streets we lived on which were quite a few And just for a little challenge there are a couple of things throughout the book that are different see if you can find out what they are when you finish the book The answers will be in code at the end of the book with instructions how to find out the answers So I hope you enjoy the adventure of my life
