The Concise Focal Encyclopedia of Photography Michael Peres, 2014-06-20 Defining photography is impossible Revealing it is another matter and that s what The Concise Focal Encyclopedia of Photography does with each turn of the page History The technical origins and evolution of photography are half of the story The other half consists of the ways that cultural forces have transformed photography into a constellation of practices more diverse than any other mode of representation Photographers can tell a more in depth story through a photo like Dorothea Lange s Migrant Mother than a journalist ever could with the written word alone Major themes and practitioners Over 25 entries many with supporting illustrations examine the figures trends and ideas that have contributed most heavily to the history and current state of photography Contemporary issues The issues influencing photography today are more complex than at any other time in its history Questions of ethics desire perception digitization and commercialization all vie for attention Hear what the experts have to say about crucial issues such as whether or not the images we take today will last the test of time and if so how When material is covered this skillfully concise is no compromise The Concise Focal Encyclopedia of Photography is packed with useful information compelling ideas and best of all pure pleasure

The A to Z of the Fashion Industry Francesca Sterlacci, Joanne Arbuckle, 2009-10-26 The history of clothing begins with the origin of man and fashionable dress can be traced as far back as 25 000 years ago Recent scientific explorations have uncovered graves in northern Russia with skeletons covered in beads made of mammoth ivory that once adorned clothing made of animal skin The Ancient Egyptians Greeks and Romans each made major contributions to fashion s legacy from their textile innovations unique clothing designs and their early use of accessories cosmetics and jewelry During the Middle Ages fashion trends emerged as trade and commerce thrived allowing the merchant class to afford to emulate the

fashions worn by royals However it is widely believed that fashion didn't become an industry until the industrial and commercial revolution during the latter part of the 18th century Since then the industry has grown exponentially Today fashion is one of the biggest businesses in the world with hundreds of billions of dollars in turnover and employing tens of millions of workers It is both a profession an industry and in the eyes of many an art The A to Z of the Fashion Industry examines the origins and history of this billion dollar industry This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced entries on designers models couture houses significant articles of apparel and fabrics trade unions and the international trade organizations

Chick Flicks B. Ruby Rich, 1998 If there was a moment during the sixties seventies or eighties that changed the history of the women s film movement B Ruby Rich was there Part journalistic chronicle part memoir and 100% pure cultural historical odyssey Chick Flicks with its definitive the way it was collection of essays captures the birth and growth of feminist film as no other book has done For over three decades Rich has been one of the most important voices in feminist film criticism Her presence at film festivals such as Sundance where she is a member of the selection committee her film reviews in the Village Voice Elle Out and the Advocate and her commentaries on the public radio program The World have secured her a place as a central figure in the remarkable history of what she deems cinefeminism In the hope that a new generation of feminist film culture might be revitalized by reclaiming its own history Rich introduces each essay with an autobiographical prologue that describes the intellectual political and personal moments from which the work arose Travel softball sex and voodoo all somehow fit into a book that includes classic Rich articles covering such topics as the antiporn movement the films of Yvonne Rainer a Julie Christie visit to Washington and the historically evocative film Maedchen in Uniform The result is a volume that traces the development not only of women s involvement in cinema but of one of its key players as well The first book length work from Rich whose stature and influence in the world of film criticism and theory continue to grow Chick Flicks exposes unexplored routes and forgotten byways of a past that s recent enough to be remembered and far away enough to be memorable **Porn Studies** Linda Williams, 2004 In her pioneering book Hard Core

Linda Williams put moving image pornography on the map of contemporary scholarship with her analysis of the most popular and enduring of all film and video genres Now fifteen years later she showcases the next generation of critical thinking about pornography and signals new directions for study and teaching Porn Studies resists the tendency to situate pornography as the outer limit of what can be studied and discussed With revenues totaling between ten and fourteen billion dollars annually more than the combined revenues of professional football basketball and baseball visual hard core pornography is a central feature of American popular culture It is time Williams contends for scholars to recognize this and give pornography a serious and extended analysis The essays in this volume move beyond feminist debates and distinctions between a good erotica and a bad hard core Contributors examine varieties of pornography from the tradition of the soft core pin up through the contemporary hard core tradition of straight gay and lesbian videos and dvds to the burgeoning phenomenon of pornography on the Internet They explore as examples of the genre individual works as divergent as The Starr Report the pirated Tommy Lee Pamela Anderson honeymoon video and explicit Japanese ladies comics consumed by women They also probe difficult issues such as the sexualization of race and class and the relationship of pornography to the avant garde To take pornography seriously as an object of analysis also means teaching it Porn Studies thus includes a useful annotated bibliography of readings and archival sources important to the study of pornography as a cultural form Contributors Heather Butler Rich Cante Jake Gerli Minette Hillyer Nguyen Tan Hoang Despina Kakoudaki Franklin Melendez Ara Osterweil Zabet Patterson Constance Penley Angelo Restivo Eric Schaefer Michael Sicinski Deborah Shamoan Maria St John Tom Waugh Linda Williams
