 - Opposite effect of the intended aim

Pornography And Censorship Fiction Int L

Anne Allison

Pornography And Censorship Fiction Int L:

Forbidden Fictions John Phillips, 1999-01-20 Phillips discusses texts by Apollinaire Pierre Lo ys Georges Bataille Pauline R age Alain Robbe Grillet Tony Duvert Elizabeth Barill and Marie Darrieussecq engaging in different levels of critical analysis so as to emphasize intertextual and parodic elements in one case or points of possible identification in another TLS French culture has long been perceived by the English speaking reader as somehow more erotic than its Anglo Saxon equivalent *Forbidden Fictions* is the first English language study devoted exclusively to the wide spectrum of French literary pornography in the twentieth century John Phillips provides a broad history of the genre and the associated moral and political issues Among the texts examined in detail all selected for their literary or sociopolitical importance are landmark works by Apollinaire Lou s Bataille R age Robbe Grillet Arsan and Duvert Phillips challenges current politically correct trends in literary criticism and stereotyped censoring discourses about pornography to provide a new reading of each text and to illustrate the genre s potential for social subversion *Forbidden Fictions* addresses the most controversial issues of contemporary sexual politics such as objectification sadomasochism homoeroticism and paedophilia with particular emphasis on the feminist debate on pornography In the light of current controversy over the control of pornography this is a timely and scholarly review of the ethical moral and social arguments surrounding the censorship of sexually explicit material

William T. Vollmann Michael Hemmingson, 2014-01-10 Talking bugs electricity the founding of empires hobos Nazis whores violence drugs murder secret cabals Heaven Hell William T Vollmann is a writer of enormous novels that are stuffed with entire worlds of creation and destruction This first ever book length critical study traces his career to date with chapters devoted to each of his novels as well as his short stories and major nonfiction Vollmann is a writer of obsessions and this study concentrates on three of them freedom redemption and prostitution while arguing that the author that dwells on them is worthy of being called one of our greatest living American writers Also included are seven interviews spanning the years 1991 2007 that reinforce the persistence of Vollmann s attraction to these themes **Knockin' on Heaven's Door** Roland

Boer, 2012-10-12 *Knockin On Heaven s Door* offers a critically sophisticated and truly interdisciplinary analysis of the relationship between biblical studies and contemporary culture Specific biblical texts are examined in the light of cultural criticism and areas of popular culture including pornography heavy metal music and McDonald s hamburgers in the light of biblical criticism [Ulrich's International Periodicals Directory](#) , 1998 *The Female Figure in Contemporary Historical Fiction* K. Cooper, E. Short, 2012-10-29 From *The Other Boleyn Girl* to *Fingersmith* this collection explores the popularity of female centred historical novels in recent years It asks how these representations are influenced by contemporary gender politics and whether they can be seen as part of a wider feminist project to recover women s history **The Cinema of**

Catherine Breillat Sophie Bélot, 2017-08-28 In *The Cinema of Catherine Breillat* B lot offers a detailed analysis of Breillat s past and recent films Breillat is one of the most internationally renowned French women filmmakers whose notoriety is built

on her explicit representation of women's sexuality. Most of her films rely on a female protagonist's personal and intimate search of her self characterised by her sexual journey. Facing censorship and controversy, Breillat's films do not easily fit classification and place the viewer into an uncomfortable position. This study looks at Breillat as an independent cinema auteur entertaining a close relation with her films by exploring and positing women from adolescence to adulthood as sexual beings reflecting her films' identity emanating from Breillat's personal or intimate scenes.

Sexuality, Iconography, and Fiction in French Jason James Hartford, 2018-02-19. This book explores the modern cultural history of the queer martyr in France and Belgium. By analyzing how popular writers in French responded to Catholic doctrine and the tradition of St Sebastian in art, *Queering the Martyr* shows how religious and secular symbols overlapped to produce not one but two martyr types. These are the queer type typified first by Gustave Flaubert which is a philosophical foil and the gay type popularized by Jean Genet but created by the Belgian Georges Eekhoud which is a political and pornographic device. Grounded in feminist queer theory and working from a post psychoanalytical point of view, the argument explores the potential and limits of these two figures, noting especially the persistence of misogyny in religious culture.

International Exposure Lisa Z. Sigel, 2005. Annotation: The 10 essays in the volume engage a rich array of topics including obscenity in the German States, censorship in France's third republic, the male internet porn, the use of incest, and longings in England.

Permitted and Prohibited Desires Anne Allison, 2023-11-15. This provocative study of gender and sexuality in contemporary Japan investigates elements of Japanese popular culture including erotic comic books, stories of mother-son incest, lunchboxes, or obentos that mothers ritualistically prepare for schoolchildren and children's cartoons. Anne Allison brings recent feminist psychoanalytic and Marxist theory to bear on representations of sexuality, motherhood, and gender in these and other aspects of Japanese culture. Based on five years of fieldwork in a middle-class Tokyo neighborhood, this theoretically informed, accessible ethnographic study provides a provocative analysis of how sexuality, dominance, and desire are reproduced and enacted in late capitalistic Japan. This provocative study of gender and sexuality in contemporary Japan investigates elements of Japanese popular culture including erotic comic books, stories of mother-son incest, lunchboxes, or obentos that mothers ritualistically prepare for school.

Sexual Borderlands Kathleen Kennedy, Sharon Rena Ullman, 2003.

The Routledge Companion to Literature and Human Rights Sophia McClennen, Alexandra Schultheis Moore, 2018-02-05. The Routledge Companion to Literature and Human Rights provides a comprehensive transnational and interdisciplinary map to this emerging field, offering a broad overview of human rights and literature while providing innovative readings on key topics. The first of its kind, this volume covers essential issues and themes necessarily crossing disciplines between the social sciences and humanities. Sections cover subjects with pieces on subjectivity, humanity, identity, gender, universality, the particular, the body, forms, visiting the different ways human rights stories are crafted and formed via the literary, the visual, the performative, and the oral contexts, tracing the development of the literature over time and in relation to specific regions and historical events.

impacts considering the power and limits of human rights literature rhetoric and visual culture Drawn from many different global contexts the essays offer an ideal introduction for those approaching the study of literature and human rights for the first time looking for new insights and interdisciplinary perspectives or interested in new directions for future scholarship Contributors Chris Abani Jonathan E Abel Elizabeth S Anker Arturo Arias Ariella Azoulay Ralph Bauer Anna Bernard Brenda Carr Vellino Eleni Coundouriotis James Dawes Erik Doxtader Marc D Falkoff Keith P Feldman Elizabeth Swanson Goldberg Audrey J Golden Mark Goodale Barbara Harlow Wendy S Hesford Peter Hitchcock David Holloway Christine Hong Madelaine Hron Meg Jensen Luz Ang Ilica Kirschner Susan Maslan Julie Avril Minich Alexandra Schultheis Moore Greg Mullins Laura T Murphy Hanna Musiol Makau Mutua Zoe Norridge David Palumbo Liu Crystal Parikh Katrina M Powell Claudia Sadowski Smith Mark Sanders Karen Magrethe Simonsen Joseph R Slaughter Sharon Sliwinski Sidonie Smith Domna Stanton Sarah G Waisvisz Belinda Walzer Ban Wang Julia Watson Gillian Whitlock and Sarah Winter *Modern Power and Free Speech* Chris Demaske, 2011-01-01 *Modern Power and Free Speech* takes a socio political approach to question the application of the First Amendment in cases dealing with the speech rights of disempowered groups Combining legal analysis First Amendment theory feminist theory and political theory Chris Demaske addresses the inadequacies of current free speech doctrine

Between the Sheets Hannah Frydman, 2025-07-15 *Between the Sheets* reveals a space hidden in plain sight in Third Republican Paris where deviant sexualities and lives could be experimented with and financed despite republican attempts at growing and norming the population through the heterosexual family That space was the newspaper which was not simply a tool of normalization and a site of dominant discourse as it has frequently been imagined Reading between the lines Hannah Frydman shows how through the Belle poque classifieds the newspaper became a tool for living lives otherwise as information flowed from it not just vertically but also laterally facilitating person to person communication The sexual relationships exchanges and services enabled by this communication were far from utopian Surviving and thriving outside of social norms often required exploiting others Yet by attending to the lives and livelihoods enabled by the classifieds ethical or otherwise *Between the Sheets* demonstrates that thanks to new innovations in media technologies queer and nonnormative lives in this period were lived in the center as well as on the margins It was this centrality however that inspired efforts to place new moral controls on mass cultural forms and technologies After World War I in an interwar moment often characterized as one of sexual liberation the press s queerness was subjected to ever increasing surveillance and control with repercussions for press freedom writ large These repercussions echo into our age of social media with its promise of unfettered connection which inspires repressive legislation to keep sexuality and with it freedom in its crosshairs

Fictional Immorality and Immoral Fiction Garry Young, 2021-01-15 It is commonplace for fictional content to depict immoral activities the kidnapping of a politician for example or the elaborate theft of a national treasure or perhaps the gruesome proclivities of a sadistic murderer These and similar depictions can be found across a range of media and in

varying degrees of detail and realism Fictional Immorality and Immoral Fiction examines potential conditions for transforming fictional immorality into immoral fiction in order to establish what makes a depiction of fictional immorality and or one's engagement with it immoral To achieve this aim Garry Young analyzes fictional content its meaning one's motivation for engaging with it and the medium in which the fiction is presented such as film literature theatre video games using philosophical inquiry The end result is a systematic examination of fictional immorality which contributes toward debates on the morality of depicting and engaging with fictional immorality as well as the reach of censorship and other forms of prohibition especially when the act depicted is of the kind that would be most egregious if carried out in reality **Children**

and the Politics of Sexuality Liza Tsaliki, 2016-08-13 This book discusses already established accounts about the sexualization of children through a theoretical and an empirical framework which bring together popular culture consumption sexuality selfhood and childhood Adopting the view that the debate about the sexualization of childhood is socially constructed it pushes beyond the dominant preconceptions about the risks of childhood Moral judgements about children's welfare are perhaps nowhere more transient and controversial than when it comes to children's sexuality something that has deep historical roots However and contrary to recurrent fears and moral panics about the loss of childhood as a result of a tidal wave of a sexualizing culture this book theorizes the notion of children's sexualization within the social construction of myths of childhood innocence while also taking into account the extent of young people's actual engagement with media and technology in contemporary Western societies It is within such a contextual framework that this book unfolds bringing together a historical contextualization of childhood sexuality and pornography with contemporary empirical accounts regarding the presentation of the self and self management **The Book in Society** Solveig

Robinson, 2013-11-15 The Book in Society An Introduction to Print Culture examines the origins and development of one of the most important inventions in human history Books can inform entertain inspire irritate liberate or challenge readers and their forms can be tangible and traditional like a printed casebound volume or virtual and transitory like a screen page of a cell phone novel Written in clear non specialist prose The Book in Society first provides an overview of the rise of the book and of the modern publishing and bookselling industries It explores the evolution of written texts from early forms to contemporary formats the interrelationship between literacy and technology and the prospects for the book in the twenty first century The second half of the book is based on historian Robert Darnton's concept of a book publishing communication circuit It examines how books migrate from the minds of authors to the minds of readers exploring such topics as the rise of the modern notion of the author the role of states and others in promoting or restricting the circulation of books various modes of reproducing and circulating texts and how readers responses help shape the form and content of the books available to them Feature boxes highlighting key texts individuals and developments in the history of the book carefully selected illustrations and a glossary all help bring the history of the book to life **Transcending Taboos** Garry

Young, Monica T. Whitty, 2012 *Cyberspace* is composed of a multitude of different spaces where users can represent themselves in many divergent ways Why in a video game is it more acceptable to murder or maim than rape After all in each case it is only pixels that are being assaulted This book avoids wrestling with the common question of whether the virtual violation of real world taboos is right or wrong and instead provides a theoretical framework that helps us understand why such distinctions are typically made and explores the psychological impact of violating offline taboos within cyberspace The authors discuss such online areas as Reality sites depicting taboo images Social networking websites and online chatrooms Online dating websites Video game content This book considers whether there are some interactions that should not be permissible even virtually It also examines how we might be able to cope with the potential moral freedoms afforded by cyberspace and who might be vulnerable to such freedoms of action and representation within this virtual space This book is ideal for researchers and students of internet psychology philosophy and social policy as well as therapists those interested in computer science law media and communication studies

Comic Art, Creativity and the Law Greenberg, Marc H., 2022-09-15 Graphic novels and comics have launched characters and stories that play a dominant role in contemporary popular culture throughout the world The extensive revisions in this second edition of *Comic Art Creativity and the Law* update the author's analysis of important changes at the intersection of law and comics featuring an examination of how recent cases will affect the creative process as applied to comic art
