**Porn** Robert J. Stoller, 1991-01-01 Bill Merlin Happy and Kay are among the porn film performers and producers who tell their stories to Dr Robert J Stoller in this pschyodynamic ethnography of adult heterosexual pornography Their engrossing accounts reveal in rich detail not only the inner workings of the Industry and the fantasies and motivations of its participants but also the relation between this most denigrated of occupations and normal human erotic behavior and attitudes Consistently nonjudgmental about the material he presents Dr Stoller nevertheless draws provocative conclusions about porn its practitioners and its effects on society Everyone at work on a porn production he says uses it as a vehicle for unloading his or her rage against something mores institutions laws parents females or males According to Dr Stoller pornography does not exist only to degrade women there is no reliable evidence that it increases the frequency of rape and with the exception

of child porn it does little harm Pornography says Dr Stoller seems more the result of our changing society than a cause of change it reflects more than influences our values and mores Torture Porn in the Wake of 9/11 Aaron Kerner,2015-04-24 Saw Hostel The Devil s Rejects this wave of horror movies has been classed under the disparaging label torture porn Since David Edelstein coined the term for a New York magazine article a few years after 9 11 many critics have speculated that these movies simply reflect iconic images anxieties and sadistic fantasies that have emerged from the War on Terror In this timely new study Aaron Kerner challenges that interpretation arguing that torture porn must be understood in a much broader context as part of a phenomenon that spans multiple media genres and is rooted in a long tradition of American violence Torture Porn in the Wake of 9 11 tackles a series of tough philosophical historical and aesthetic questions What does it mean to call a film sadistic and how has this term been used to shut down critical debate In what sense does torture porn respond to current events and in what ways does it draw from much older tropes How has torture porn been influenced by earlier horror film cycles from slasher movies to J horror And in what ways has the torture porn aesthetic gone mainstream popping up in everything from the television thriller Dexter to the reality show Hell s Kitchen Reflecting a deep knowledge and appreciation for the genre Torture Porn in the Wake of 9 11 is sure to resonate with horror fans Yet Kerner s arguments should also strike a chord in anyone with an interest in the history of American violence and its current and future ramifications for the War on Terror New Views on Pornography Lynn Comella,Shira Tarrant Ph.D.,2015-02-17 This book presents thought provoking research and data about pornography that will prompt readers to reconsider their positions on a highly controversial and current issue Why do people use pornography Is porn addiction a fact or myth What is revenge porn and is it illegal Can pornography be more diverse This interdisciplinary collection presents well researched facts and up to date data that encourage informed discussion about controversial and relevant issues in contemporary society Chapters address topics such as the history and cultural trends of pornography labor and production practices in creating porn the effects of technology current issues in obscenity law and myths and facts about the effects of pornography New Views on Pornography Sexuality Politics and the Law challenges assumptions about this popular yet controversial industry Contributors include top scholars from media studies sociology psychology gender studies criminology politics and the law This book provides a comprehensive overview of pornography that will help students educators and general readers deepen their understanding of this provocative subject The Sexual Politics of Meat - 25th Anniversary Edition Carol J. Adams,2015-11-05 The Sexual Politics of Meat is Carol Adams inspiring and controversial exploration of the interplay between contemporary society s ingrained cultural misogyny and its obsession with meat and masculinity First published in 1990 the book has continued to change the lives of tens of thousands of readers into the second decade of the 21st century Published in the year of the book s 25th anniversary the Bloomsbury Revelations edition includes a substantial new afterword including more than 20 new images and discussions of recent events that prove beyond doubt the continuing relevance of

Adams revolutionary book      **Brutal** Brian Luke,2007 Explores the gender divide over our treatment of animals exposing the central role of masculinity in systems of animal exploitation including hunting Luke develops a new theory of how exploitative institutions do not work to promote human flourishing but instead merely act as support for a particular construction of manhood from publisher description      **Delicious Pixels** Agata Waszkiewicz,2022-06-06 Delicious Pixels Food in Video Games introduces critical food studies to game scholarship showing the unique ways in which food is utilized in both video game gameplay and narrative to show that food is never just food but rather a complex means of communication and meaning making It aims at bringing the academic attention to digital food and to show how significant it became in the recent decades as on the one hand a world building device and on the other a crucial link between the in game and out of game identities and experiences This is done by examining specifically the examples of games in which food serves as the means of creating an intimate cozy and safe world and a close relationship between the players and the characters
