Portable Executive Building Your Own Job Security From Corporate Dependency To Self Direction:

Portable Executive John A. Thompson, 1996-02-06 The downsizing of America once thought to be a temporary cost cutting measure to boost profit margins has brought a swift end to the era of lifetime employment Given the fact that these terminations are nationwide affect every industry and are usually neither fault based nor predictable no executive is immune Based on interviews with over 100 now portable executives who were among the first casualties of downsizing The Portable Executive explores the unlimited opportunities available to those who are independent self directed and willing to work on a contract basis It explains How to make a smooth transition to becoming portable How to identify continually update and market your skills Why companies that downsize full time employees are willing to hire executives on an as needed basis How and why the relationship between employers and executives has changed from boss worker to peer peer And much more including how to invent a business what to charge clients how to network market and sell yourself as a personal service business entity and most important how to enjoy a greater sense of creativity satisfaction and long term job security than ever before *Portable Executive: Building Your Own Job Security - From Corporate Dependency to Self-Direction* John A.
