Shek,Joav Merrick,2011-10-27 Youth gambling represents a potentially serious public policy and health issue Nevertheless the rise in youth gambling issues and problems in the global context is not matched with a parallel increase in research on adolescent gambling As such there is an urgent need to conduct more studies on adolescent gambling behaviour Recently significant advances in the knowledge of the risk factors associated with adolescent problems has emerged This book addresses issues related to prevalence assessment prevention and treatment of youth gambling problems as well as concerns related to technological changes associated with youth problem gambling

ON/OFF Sarah Genner,2017-01-03 Are you constantly online Or are you offline sometimes Are you offline if you are not interacting with your connected devices Or if no data about you is being collected Do you check Instagram and Twitter during dinner Do you turn off your smartphone at

night Do you check work emails on vacation Do you feel you have to disconnect regularly to relax to concentrate or to protect your privacy Or do you feel more relaxed when constantly connected because your loved ones a work emergency or the news are always at your fingertips Why are some people even within networked societies still completely offline given the tremendous opportunities of the Internet And what does it even mean to be online or offline in the age of hyper connectivity In ON OFF Sarah Genner assesses the risks and rewards of the anytime anywhere Internet focusing on digital divides social relationships physical and mental health and data privacy She discusses implications for a variety of decision makers in the world of work in education in families and in politics The author deconstructs the online offline dichotomy and suggests the ON OFF scale as a new theoretical framework for researchers and practitioners Doctors of Another Calling David K. C. Cooper,2013-11-26 The medical profession is rich in those who have made names for themselves outside of medicine The fields of literature exploration business sport entertainment and beyond abound with doctors whose interests lie outside medicine This book largely written by members of the medical profession examines the efforts of doctors in non medical fields The doctors discussed here are those who are or were well known to the public for their contributions to their non medical fields of choice In many cases the public may have been unaware that a subject was medically qualified This book provides wide ranging and comprehensive biographical sketches of forty two doctors who are best known to the public for their contributions to fields outside of medicine **The Gambler King of Clark Street** Richard C Lindberg,2009-06-12 The Gambler King of Clark Street tells the story of a larger than life figure who fused Chicago s criminal underworld with the city s political and commercial spheres to create an urban machine built on graft bribery and intimidation Lindberg vividly paints the life of the Democratic kingmaker against the wider backdrop of nineteenth century Chicago crime and politics McDonald has long been cited in the published work of city historians members of academia and the press as the principal architect of a unified criminal enterprise that reached into the corridors of power in Chicago Cook County the state of Illinois and ultimately the Oval Office The Gambler King of Clark Street is both a major addition to Chicago s historical literature and a revealing biography of a powerful and troubled man Illinois State Historical Society Scholarly Award Certificate of Excellence 2009 Society of Midland Authors Biography Award 2009 Teen Gambling Jeffrey L. Derevensky,2015-03-06 In light of a growing epidemic of teen gambling this book provides a better understanding of the causes and extent of youth gambling problems assessment tools to identify teens with gambling addictions and related issues and strategies for the prevention and treatment of youth who gamble **The International Encyclopedia of Gambling** William N.
