Portals To Hell Civil War Prisons

Elizabeth R. Varon

Portals To Hell Civil War Prisons:

Portals to Hell Lonnie Speer, 1997-09-01 The first comprehensive study of all major prisons both North and South this chronicle analyzes the many complexities of the relationships among prisoners guards commandants and government leaders

Transforming Civil War Prisons Paul J. Springer, Glenn Robins, 2014-09-04 During the Civil War 410 000 people were held as prisoners of war on both sides With resources strained by the unprecedented number of prisoners conditions in overcrowded prison camps were dismal and the death toll across Confederate and Union prisons reached 56 000 by the end of the war In an attempt to improve prison conditions President Lincoln issued General Orders 100 which would become the basis for future attempts to define the rights of prisoners including the Geneva conventions Meanwhile stories of horrific prison experiences fueled political agendas on both sides and would define the memory of the war as each region worked aggressively to defend its prison record and to honor its own POWs Robins and Springer examine the experience culture and politics of captivity including war crimes disease and the use of former prison sites as locations of historical memory *Transforming Civil War Prisons* introduces students to an underappreciated yet crucial aspect of waging war and shows how the legacy of Civil War prisons remains with us today

The Story of Camp Douglas: Chicago's Forgotten Civil War Prison David L. Keller, 2015-03-23 If you were a Confederate prisoner during the Civil War you might have ended up in this infamous military prison in Chicago More Confederate soldiers died in Chicago's Camp Douglas than on any Civil War battlefield Originally constructed in 1861 to train forty thousand Union soldiers from the northern third of Illinois it was converted to a prison camp in 1862 Nearly thirty thousand Confederate prisoners were housed there until it was shut down in 1865 Today the history of the camp ranges from unknown to deeply misunderstood David Keller offers a modern perspective of Camp Douglas and a key piece of scholarship in reckoning with the legacy of other military prisons

The History Buff's Guide to the Civil War Thomas R. Flagel, 2010-09-01 Do You Think You Know the Civil War The History Buff's Guide to the Civil War clears the powder smoke surrounding the war that changed America forever The perfect guide for anyone looking for great history facts like What were the best the worst the largest and the most lethal aspects of the conflict What are the top ten causes The bloodiest battles With over thirty annotated top ten lists and unexpected new findings author Thomas R Flagel will have you debating the most intriguing questions of the Civil War in no time This invaluable guide to the great war between the states will delight and inform you about one of the most crucial periods in American history The perfect gift for any history fan student or expert The single best kickoff to the American Civil War I can't imagine a better guide for any of us whether student or scholar Robert Hicks author of the New York Times bestselling novel *The Widow of the South* A detailed and enjoyable set of facts and stories that will engage every reader from the newest initiate to the Civil War saga to the most experienced historian This book is a must have for any Civil War reading collection James Lewis Park Ranger at Stones River National Battlefield

While in the Hands of the Enemy Charles W. Sanders, Jr., 2005-10-01 During the four years of the

American Civil War over 400 000 soldiers one in every seven who served in the Union and Confederate armies became prisoners of war In northern and southern prisons alike inmates suffered horrific treatment Even healthy young soldiers often sickened and died within weeks of entering the stockades In all nearly 56 000 prisoners succumbed to overcrowding exposure poor sanitation inadequate medical care and starvation Historians have generally blamed prison conditions and mortality rates on factors beyond the control of Union and Confederate command but Charles W Sanders Jr boldly challenges the conventional view and demonstrates that leaders on both sides deliberately and systematically ordered the mistreatment of captives Sanders shows how policies developed during the American Revolution the War of 1812 and the Mexican War shaped the management of Civil War prisons He examines the establishment of the major camps as well as the political motivations and rationale behind the operation of the prisons focusing especially on Camp Douglas Elmira Camp Chase and Rock Island in the North and Andersonville Cahaba Florence and Danville in the South Beyond a doubt he proves that the administrations of Abraham Lincoln and Jefferson Davis purposely formulated and carried out retaliatory practices designed to harm prisoners of war with each assuming harsher attitudes as the conflict wore on Sanders cites official and personal correspondence from high level civilian and military leaders who knew about the intolerable conditions but often refused to respond or even issued orders that made matters far worse From such documents emerges a chilling chronicle of how prisoners came to be regarded not as men but as pawns to be used and then callously discarded in pursuit of national objectives Yet even before the guns fell silent Sanders reveals both North and South were hard at work constructing elaborate justifications for their actions While in the Hands of the Enemy offers a groundbreaking revisionist interpretation of the Civil War military prison system challenging historians to rethink their understanding of nineteenth century warfare

Gettysburg Rebels Tom McMillan,2017-06-12 Gettysburg Rebels is the gripping true story of five young men who grew up in Gettysburg moved south to Virginia in the 1850s joined the Confederate army and returned home as foreign invaders for the great battle in July 1863 Drawing on rarely seen documents and family histories as well as military service records and contemporary accounts Tom McMillan delves into the backgrounds of Wesley Culp Henry Wentz and the three Hoffman brothers in a riveting tale of Civil War drama and intrigue **The World of the Civil War** Lisa . Tendrich Frank,2015-07-28 Covering everything from the arts to food and drink religion social customs and technology this two volume set provides an in depth accessible look at the social cultural economic and political aspects of the American Civil War The American Civil War caused dramatic changes in every aspect of life and society affecting combatants and noncombatants at all levels of the socioeconomic scale The World of the Civil War A Daily Life Encyclopedia offers an accessible and reliable reference for the major topics that defined American life during the nation s most tumultuous era Taking a blended approach to history this book covers the military and political history of the era and examines the social and human experiences of the war thereby offering a comprehensive look at the Civil War era s most significant events people places and experiences The thematic

organization of this encyclopedia helps readers to more readily explore related topics The subject matter explored in some 250 entries includes religious beliefs and practices rites of passage soldiers lives and experiences rural and urban life social structure of the Civil War era aristocrats landowners and slaves men s and women s roles and responsibilities holidays festivals and other celebrations tools machinery and inventions and justice and punishment Readers will come away with an understanding of many aspects of daily life during the Civil War era and gain appreciation for the vast differences between life today and 150 years ago [The Library of Congress Civil War Desk Reference](#) Margaret E. Wagner, Gary W.

Gallagher, Paul Finkelman, 2009-11-24 History *Rebels at the Gates* Robert P. Watson, 2025-05-01 *Rebels at the Gate* chronicles an intriguing series of events that nearly changed American history In the last full year of the Civil War Washington DC came within hours of being invaded and Lincoln within inches of being shot During the summer of 1864 General Ulysses Grant was laying siege to Petersburg near Richmond deploying every available Union soldier in an effort to end the bloody war once and for all His counterpart General Robert E Lee and his famed Army of Northern Virginia were trapped inside Richmond and recognized that the Confederate capital would fall Lee knew Grant and understood that he would never stop attacking until he had Richmond It was then that the southern commander hatched a desperate and bold plan to save the Confederacy and perhaps bring the war to an end but on the Confederacy s terms Historian Robert Watson provides the definitive account of this largely forgotten attack on and defense of Washington and the fascinating events surrounding the battle **A Companion to the U.S. Civil War** Aaron Sheehan-Dean, 2014-02-05 *A Companion to the U S*

Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory **History of Andersonville Prison** Ovid L. Futch, 2011-03-06 In February 1864 five hundred Union prisoners of war arrived at the Confederate stockade at Anderson Station Georgia Andersonville as it was later known would become legendary for its brutality and mistreatment with the highest mortality rate over 30 percent of any Civil War prison Fourteen months later 32 000 men were imprisoned there Most of the prisoners suffered greatly because of poor organization meager supplies the Federal government s refusal to exchange prisoners and the cruelty of men supporting a government engaged in a losing battle for survival Who was responsible for allowing so much squalor mismanagement and waste at Andersonville Looking for an answer Ovid Futch cuts through charges and countercharges that have made the camp a subject of bitter controversy He examines diaries and firsthand accounts of prisoners guards and officers and both Confederate and Federal government records including the transcript of the trial of Capt Henry Wirz the alleged fiend of Andersonville First published in 1968 this groundbreaking volume has never gone out of print **Escape!**

Robert P. Watson,2021-08-15 Robert P Watson provides the definitive account of the Confederacy s infamous Libby Prison site of the Civil War s largest prison break Libby Prison housed Union officers high profile foes of the Confederacy and political prisoners Watson captures the wretched conditions cruel guards and the story of the daring prison break called the most remarkable in American history American Civil War Spencer C. Tucker,2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict **America's Captives** Paul J. Springer,2010-03-17 Notwithstanding the long shadows cast by Abu Ghraib and Guantnamo the United States has been generally humane in the treatment of prisoners of war reflecting a desire to both respect international law and provide the kind of treatment we would want for our own troops if captured In this first comprehensive study of the subject in more than half a century Paul Springer presents an in depth look at American POW policy and practice from the Revolutionary War to the current wars in Iraq and Afghanistan Springer contends that our nation s creation and application of POW policy has been repeatedly improvised and haphazard due in part to our military s understandable focus on defeating its enemies on the field of battle rather than on making arrangements for their detention That focus however has set the conditions for the military s chronic failure to record and learn from both successful and unsuccessful POW practices in previous wars He also observes that American POW policy since World War II has largely sought to outsource POW operations to allied forces in order to retain American personnel for frontline service outsourcing that has led to recent scandals Focusing on each major war in turn Springer examines the lessons learned and forgotten by American military and political leaders regarding our nation s experience in dealing with foreign POWs He highlights the indignities of the Civil War the efforts of the United States and its World War I allies to devise an effective POW policy the unequal treatment of Japanese prisoners compared with that of German and Italian prisoners during World

War II and the impact of the Geneva Convention on the handling of Korean and Vietnamese captives In bringing his coverage up to the so called War on Terror he also marks the nation s clear departure from previous practice American treatment of POWs once deemed exemplary by the Red Cross after Operation Desert Storm has become controversial throughout the world America s Captives provides a long needed overarching framework for this important subject and makes a strong case that we should stop ignoring the lessons of the past and make the disposition of prisoners one of the standard components of our military education and training [A Companion to the U.S. Civil War, 2 Volume Set](#) Aaron Sheehan-Dean,2020-05-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory **A Pocket History of the Civil War** Martin Graham,2011-08-20 A unique collection of facts trivia and lore about the US Civil War Whether novice or buff readers across the spectrum will find unique and entertaining bits of trivia facts and lore about key American Civil War battles and leaders in A Pocket History of the Civil War a collection of the unusual from author Martin F Graham From the identification of key troop locations during seminal battles of the Civil War to details about monuments facts about Union and Confederate officers readers will find myriad bits of fun and fascinating information in this unique collection Quizzes peppered throughout the book allow readers to test their knowledge *Yankees in the Hill City* Clifton W. Potter, Jr.,2024-08-30 With three railroads and a canal passing through the city Lynchburg Virginia was a major hospital center during the Civil War far from the remote battlefields A transit camp where Union soldiers remained before being paroled or transferred to another prison opened in June 1862 at the Fair Ground just outside the city limits Upon arrival the sick and wounded were assigned to one of the 32 hospitals regardless of the uniform they wore Union POWs who died were buried in the City Cemetery by the local funeral service which also carefully recorded their personal data Local ministers daily performed burial services for all soldiers regardless of their race or the color of their uniforms and all their expenses were paid by the Confederate government This book presents the complete history of this Union POW camp in Lynchburg the context of its founding its operations and its fate after the war Two appendices present burial records for the POWs and Lynchburg Campaign casualties *The Oxford Companion to American Military History* , [Armies of Deliverance](#) Elizabeth R. Varon,2019-02-13 Loyal Americans marched off to war in 1861 not to conquer the South but to liberate it So argues Elizabeth R Varon in Armies of Deliverance a sweeping narrative of the Civil War and a bold new interpretation of Union and Confederate war aims Northerners imagined the war as a crusade to deliver the Southern masses from slaveholder domination and to bring democracy prosperity and education to the region As the war escalated Lincoln and his allies built

the case that emancipation would secure military victory and benefit the North and South alike The theme of deliverance was essential in mobilizing a Unionist coalition of Northerners and anti Confederate Southerners Confederates fighting to establish an independent slaveholding republic were determined to preempt discredit and silence Yankee appeals to the Southern masses In their quest for political unity Confederates relentlessly played up two themes Northern barbarity and Southern victimization Casting the Union army as ruthless conquerors Confederates argued that the emancipation of blacks was synonymous with the subjugation of the white South Interweaving military and social history Varon shows that everyday acts on the ground from the flight of slaves to protests against the draft the plundering of civilian homes and civilian defiance of military occupation reverberated at the highest levels of government Varon also offers new perspectives on major battles illuminating how soldiers and civilians alike coped with the physical and emotional toll of the war as it grew into a massive humanitarian crisis The Union s politics of deliverance helped it to win the war But such appeals failed to convince Confederates to accept peace on the victor s terms ultimately sowing the seeds of postwar discord *Armies of Deliverance* offers innovative insights on the conflict for those steeped in Civil War history and novices alike

Southern Lady, Yankee Spy Elizabeth R. Varon, 2003-10-02 Northern sympathizer in the Confederate capital daring spymaster postwar politician Elizabeth Van Lew was one of the most remarkable figures in American history a woman who defied the conventions of the nineteenth century South In *Southern Lady Yankee Spy* historian Elizabeth Varon provides a gripping richly researched account of the woman who led what one historian called the most productive espionage operation of the Civil War Under the nose of the Confederate government Van Lew ran a spy ring that gathered intelligence hampered the Southern war effort and helped scores of Union soldiers to escape from Richmond prisons Varon describes a woman who was very much a product of her time and place yet continually took controversial stands from her early efforts to free her family s slaves to her daring wartime activities and beyond Varon s powerful biography brings Van Lew to life showing how she used the stereotypes of the day to confound Confederate authorities who suspected her but could not believe a proper Southern lady could be a spy even as she brought together Union sympathizers at all levels of society from slaves to slaveholders After the war a grateful President Ulysses S Grant named her postmaster of Richmond a remarkable break with custom for this politically influential post But her Unionism Republican politics and outspoken support of racial justice earned her a lifetime of scorn in the former Confederate capital Even today Elizabeth Van Lew remains a controversial figure in her beloved Richmond remembered as the Crazy Bet of Lost Cause propaganda Elizabeth Varon s account rescues her from both derision and oblivion depicting an intelligent resourceful highly principled woman who remained as she saw it true to her country to the end

This Engaging World of Kindle Books: A Detailed Guide Revealing the Advantages of Kindle Books: A Realm of Ease and Flexibility Kindle books, with their inherent mobility and ease of access, have freed readers from the limitations of physical books. Gone are the days of lugging cumbersome novels or carefully searching for specific titles in bookstores. E-book devices, stylish and lightweight, effortlessly store an wide library of books, allowing readers to indulge in their favorite reads anytime, everywhere. Whether commuting on a busy train, relaxing on a sunny beach, or simply cozying up in bed, Kindle books provide an unparalleled level of ease. A Reading Universe Unfolded: Discovering the Wide Array of E-book Portals To Hell Civil War Prisons Portals To Hell Civil War Prisons The Kindle Shop, a virtual treasure trove of bookish gems, boasts an wide collection of books spanning diverse genres, catering to every readers preference and preference. From gripping fiction and thought-provoking non-fiction to timeless classics and modern bestsellers, the E-book Store offers an unparalleled abundance of titles to explore. Whether looking for escape through immersive tales of fantasy and adventure, delving into the depths of past narratives, or broadening ones understanding with insightful works of science and philosophy, the E-book Shop provides a gateway to a literary world brimming with endless possibilities.
