In this book, readers will find detailed information on a vast repertoire of vocal pieces commonly extracted from operas, operettas, musicals, and oratorios: more than 1,750 excerpts from 450 parent works. Modeled on Daniels' *Orchestral Music*, *Arias, Ensembles, Choruses* includes basic historical details about each parent work as well as extract titles, subtitles, voice types, keys, durations, locations in the original work, with page numbers in both full scores and piano/vocal scores, and exact instrumentation. It also lists the publishers that make available the orchestral materials for just the excerpt being programmed, independent of the full parent work. Until now, conductors and orchestra librarians commonly had to first leaf through full scores searching for one elusive three-minute aria after another, only to then consult multiple publishers' catalogues to compile crucial information on all the

excerpts proposed for a concert or recording This book constitutes a single source for finding that information In many cases the individual entries include valuable insider information on common performance practice including start and stop points transpositions and conventional cuts Searching for repertoire is made easy with the detailed title index and appendixes devoted to ensemble excerpts all categorized by personnel e g duets trios quartets quintets sextets choruses and language Czech English French German Italian Latin Russian This book is the ideal tool for the working conductor and orchestral librarian as well as music program directors at colleges and conservatories opera companies and symphony orchestras As of October 2015 a new printing of this book has occurred to correct errors in the index A PDF version of the new index is available to previous purchasers of the volume Please contact Rowman Littlefield s music editor for assistance Stravinsky Eric Walter White,1984 In the second edition of the definitive account of Igor Stravinsky s life and work arranged in two separate sections Eric Walter White revised the whole book completing the biographical section by taking it up to Stravinsky s death in 1971 To the list of works the author added some early pieces that have recently come to light as well as the late compositions including the Requiem Canticles and The Owl and the Pussycat Four more of Stravinsky s own writings appear in the Appendices and there are several important additions to the bibliography *Catalog of Copyright Entries, Third Series* Library of Congress. soon in 1989 however the publication has fallen into the hands of his daughter Ann Liebgold From the outset readers would feast in the writing style of the author his lively take on the people he wanted to talk about and the wit and humor he effortlessly delivers just the type that would give people some inkling how perhaps some brains do work in that often forbidding world About the Author Don Walker was a native of Lambertville New Jersey A professional orchestrator composer and conductor Don enjoyed a brilliant reputation in Broadway He attended Ryder College in New Jersey and Wharton at University of Pennsylvania Don died in 1989 at the age of 81 leaving behind his wife Audrey with whom he had a daughter Ann Liebgold and son David
