## **Portrait Of A Mood On Stilts Poems:**

*Sensations of Travel* JS VENIT, 2010-04-14 *Sensations of Travel* is a collection from JS Venit's first five volumes of poems. Portrait of a Mood of on Stilts Skating Backwards In the Time of Things Green Colorless Ideas Mnemonic Devices and Paper Losses and includes some then new poems so that it spans the period from 1990-2010. Venit's poems are ethereal like skywriting and seem to vanish soon after they first appear leaving behind the sensation of travel of having been somewhere that at the time seemed important and enjoyable enough but like the passing of a dream or Freudian *oublie* has left an evasive and allusive trace no more than a distant image of what had once been lived fully and felt but is now reduced to a wisp of cloud rapidly receding into a distance that can only be faintly touched with in the earlier poems a twinge of regret and oddly or miraculously in the later ones a thin veneer of pleasure.
