## **Portrait Of Paul Making Disciples Of All Nations:**

A Portrait of Paul David J. Valleskey, 2002-01-01 Explores Paul's life and mission work and applies his missionary methods to present day churches      *A Portrait of Paul* James Alexander Findlay, 1936      **Portraits of the Church** Donald Rhody, 2011-09 To serve the church is as close as we are able to come on this earth to physically serving Christ himself The church is the presence of Christ on earth today I have fallen in love with the church One of the most misunderstood of God's works is what He means to accomplish through His church Why is it that God values His church so much Why is it that He has invested so much in what we often see as an unreliable and self-serving organization Despite the fact that in the church today we see merely a shadow of the promise of what God intends we do have a great deal written in the Bible both about the present state of the church and of its future In *Portraits of the Church* author Donald Rhody explores the present state of the church and how our misunderstanding of what God is doing often causes us to act in ways that do not harmonize with His plan If we would better understand the Lord's ultimate goal for the church we could better serve Him in this work In so doing we will also better see what God is accomplishing and we will be amazed      *Grove Chapel Pulpit. (Sermons.) [With a Portrait.]* Thomas Bradbury (Minister of Grove Chapel, Camberwell.), 1877      **The Portraits of Jesus Christ in the New Testament** Henry Sloane Coffin, 1925      **Jesus, Paul, and the Early Church** Eckhard J. Schnabel, 2018-07-24 This volume contains seventeen essays written by Eckhard J. Schnabel written over the past 25 years The essays focus on the realities of the work of Jesus Paul John and the early church exploring aspects of the history missionary expansion and theology of the early church including lexical ethical and ecclesiological questions Specific subjects discussed include Jesus' silence at his trial the introduction of foreign deities to Athens the understanding of Rom 12:1 Paul's ethics the meaning of baptism in the realities of persecution Christian identity and mission in Revelation and singing and instrumental music in the early church

*Four Portraits, One Jesus Laminated Sheet* Mark L. Strauss, 2019-04-23 This laminated sheet accompanies Mark L. **Explained and Defended in a Series of Sermons** Timothy Dwight,1836      **Private Thoughts, in Two Parts Complete ... Twenty-fifth Edition. To which is Now Prefixed, the Life and Character of the Author. With a Portrait** William Beveridge,1822      **Versatility of Paul** Robert Banks,2023-03-23 Paul wrote in Ephesians 4 11 that Christ set the Church

the role of the apostle prophet evangelist pastor and teacher Volumes have been written about Paul the apostle Much less has been written however about how versatile he was in filling the other roles In this small volume noted author Robert Banks seeks to fill these lacuna In doing so he demonstrates how amazingly gifted and flexible Paul was In the Introduction Banks noted that rather than being a ministry specialist Paul was what we might call a general practitioner His versatility in this area was important as it enabled him to model to his converts the basic forms of ministry that needed to continue after he had moved on Only so with the help of the Spirit would their communities be able to grow to maturity and impact their societies in a distinctive way      The Australian Christian Commonwealth ,1902      *Reflexivity in Love A Self-Reflexive*

*Portrait of the Little Flower of Jesus* Fr. Emmanuel Javert Nnadozie OCD,2024-09-19 This book focuses particularly on the self reflexive elements of the divine and human transformation in the Christian life which we find in St Therese especially her ability to wonder and question herself about the mysteries of God as they relate to her spiritual life and growth It studies Therese s spirit of critical listening and profound spiritual reflection on the things of her experience and explores her self reflective and interrogative self understanding of her call to sanctity of life The author also discusses how the Saint appropriated God s Word and God s grace hidden in the events of her life The book shows how through self reflexivity and meditation on God s Word she discovered her vocation as love in the heart of the Church following which she desired to sing of the mercies of the Lord with her whole life by loving God and neighbor in ordinary things in an extraordinary way and by leading a legion of souls through this Little Way of love which has a general or universal application to all who desire to attain perfection by a straight and short route While it is recognized that God s grace works in individuals according to their personal vocations the author believes that spiritual self reflexivity helps the faithful to integrate meaningfully like St Therese the general principles of the spiritual life and the example of the Saints into each individual s spiritual life in the events of daily life irrespective of their individual vocations And this is why the Little Way as a spiritual path can be lived by all who commit themselves to following the example found in St Therese s simple humble and confident way of spiritual childhood and of loving God and neighbor in the ordinary life and events of every day with reflexivity in love as the key

New-York Observer, 1898

After Emmaus Brian J. Tabb, 2021-11-17 The church's mission does not begin with the Great Commission but is integrally related to the grand storyline of Scripture Did the Old Testament simply point to the coming of Christ and his saving work or is there more to the story After his resurrection the Lord Jesus revealed how his suffering glory and mission plan for the nations are in fact central to the biblical story of redemption After Emmaus shows how Christology and missiology are integrally connected throughout Scripture especially in the teaching of Jesus and the apostles Brian Tabb explains what Luke 24:46-47 reveals about God's messianic promises in the Old Testament their fulfillment in the New Testament and the purpose of the church By understanding Jesus's last words to his disciples Christians today will be motivated to participate in the Messiah's mission

**Matthew, Disciple and Scribe** Patrick Schreiner, 2019-09-03 This fresh look at the Gospel of Matthew highlights the unique contribution that Matthew's rich and multilayered portrait of Jesus makes to understanding the connection between the Old and New Testaments Patrick Schreiner argues that Matthew obeyed the Great Commission by acting as scribe to his teacher Jesus in order to share Jesus's life and work with the world thereby making disciples of future generations The First Gospel presents Jesus's life as the fulfillment of the Old Testament story of Israel and shows how Jesus brings new life in the New Testament

**Divine Guidance** Paul K. Moser, 2022-10-20 If God exists and is perfectly good God tries to guide people A twofold question then arises How does God try to guide people and to what end Problems of divine guidance for humans according to this volume are real and serious but they are manageable once we clarify the kind of God at issue According to the volume's main thesis if God has a perfect moral character accompanied by certain redemptive purposes for humans the puzzling nature of divine guidance for them need not preclude the reality of such guidance It is this volume contends a live option for God to guide or

lead humans toward goodness even if the leading is not fully explainable by humans The voluntary moral attraction of cooperative humans by divine goodness is central to divine guidance and it can illuminate the kind of evidence to be expected from God     The Expositor Samuel Cox, Sir William Robertson Nicoll, James Moffatt, 1881
