Sir Joshua Reynolds Estelle M Hurll, 2020-06-23 Somewhat over a century ago at the time when our American colonies were struggling for liberty lived the great English portrait painter Sir Joshua Reynolds In those days photography had not been invented and portrait painting was a profession patronized by all classes of people There were many portrait studios in London but none were so fashionable as that of Reynolds It is said that in his long life he painted as many as three thousand portraits There was scarcely a distinguished man or beautiful woman in the kingdom who did not sit to him and many were the children whose portraits he painted If all his works could be brought together they would form a complete historical gallery of the reign of George III Here we should see princes statesmen and warriors actors and poets court beauties and blue stockings the petted children of the rich and the picturesque waifs of the London streets Among the faces we should find those like Fox and Burke whose lives were intimately connected with the destinies of our own nation and those like Goldsmith and Johnson whose names are familiar in our schools and homes There is something about these portraits which makes them seem alive something too which gives to the plainest person a certain dignity and interest With all the variety of subjects which Reynolds treated he was never happier than when painting children He loved them dearly delighted to play with them and seemed to understand them as few grown people do In his great octagonal painting room were many things to amuse his little friends and a portrait sitting there usually meant a frolic Penelope Boothby is the name of the little girl in our illustration and the old fashioned name is precisely suited to the quaint figure in cap and mitts We are reminded of that Penelope of the old Greek poem the Odyssey who waited so faithfully through the years for the return of her husband Odysseus from the Trojan war The story runs that believing Odysseus to be dead many suitors begged her hand but she always replied that before marrying she must first complete the shroud she was making for her aged father in law Every day she busied herself with the task but when night came she secretly undid all that she had wrought through the day so that it might never reach completion Thus she prolonged the time of waiting until at last Odysseus returned to claim his wife Whether or not the little Penelope of our picture knew this story we cannot say but it was the fashion of the times to revive the names and legends of mythology and Penelope was a name which had come to stand for all the domestic virtues Sir Joshua Reynolds Richard Wendorf, 1998 Sir Joshua Reynolds explores the ways in which portrait painting is embedded in the social fabric of a given culture as well as in the social and professional transaction between the artist and his or her subject In addition to providing a new view of Reynolds Wendorf's book develops a thoroughly new way of interpreting portraiture **Sir Joshua Reynolds**, 1928 Sir Joshua Reynolds: Plates David Mannings, Sir Joshua Reynolds, 2000 **A Catalogue of the Portraits Painted by Sir Joshua Reynolds, Knt., P.R.A.** William Cotton, 1857 **Sir Joshua Reynolds** Estelle M.
