Portraits from a Chinese Scroll Elizabeth Foreman Lewis, 1933
Foreman Lewis, 1938 *Three Thousand Years of Chinese Painting* Richard M. Barnhart, Xin Yang, Nie Chongzheng, James Cahill, Hung Wu, Lang Shaojun, 1997-01-01 Written by a team of eminent international scholars this book is the first to recount the history of Chinese painting over a span of some 3000 years *The Art of the Chinese Picture-Scroll* Shane McCausland, 2023-10-25 The first extended history of the Chinese picture scroll The Chinese picture scroll a long horizontal painting or calligraphic work has been China's pre eminent aesthetic form throughout the last two millennia This first history of the picture scroll explores its extraordinary longevity and adaptability to social political and technological change The book describes what the picture scroll demands of a viewer how China's artists grappled with its cultural power and how collectors and connoisseurs left their marks on scrolls for later generations to judge **Portraiture** Shearer West, 2004-04-08 This fascinating new book explores the world of portraiture from a number of vantage points and asks key questions about its nature How has portraiture changed over the centuries How have portraits represented their subjects and how have they been interpreted Issues of identity modernity and gender are considered within a cultural and historical context Shearer West uncovers much intriguing detail about a genre that has often been seen as purely representational featuring examples from African tribes to Renaissance princes and from stars such as David and Victoria Beckham to ordinary people In the process she shows us how to communicate with the past in an exciting new way *David Hockney* David Hockney, Sarah Howgate, Barbara Stern Shapiro, Mark Glazebrook, Marco Livingstone, Edmund White, Museum of Fine Arts, Boston, Los Angeles County Museum of Art, National portrait gallery (Londres), 2006-01-01 David Hockney b 1937 is one of the most significant artists exploring and pushing the boundaries of figurative art today Hockney has been engaged with portraiture since his teenage years when he painted *Portrait of My Father* 1955 and his self portraits and depictions of family lovers and friends represent an intimate visual diary of the artist's life This beautifully illustrated book examines Hockney's portraits in all media painting drawing photography and prints and has been produced in close collaboration with the artist Featured subjects include members of Hockney's family and private circle as well as portraits of such artists and cultural figures as Lucian Freud Francesco Clemente R B Kitaj Helmet Newton Lawrence Weschler and W H Auden The authors reveal how Hockney's creative development and concerns about representation can be traced through his portrait work from his battle with naturalism to his experimentation with and later rejection of photography and from his recent camera lucida drawings to his return to painting from life Featuring more than 250 works from the past fifty years *David Hockney Portraits* illustrates not only the fascinating range of Hockney's creative practice but also the unique and cyclical nature of his artistic concerns *Illustrated Guide to 50 Masterpieces of Chinese Paintings* Kunfeng Huang, 2021-11-15 Over thousands of years the art of Chinese painting has evolved while also staying loyal to its traditional roots Despite various schools of thought

styles and techniques three primary categories have emerged across the discipline landscape figure and bird and flower Using fine ink and water brush strokes on paper or silk Chinese artists have developed a unique style one that s famous throughout the world This book highlights 50 Chinese paintings pulled from museum collections in China and around the world including British Museum London Museum of Fine Arts Boston Metropolitan Museum of Art New York Nelson Atkins Museum of Art Kansas Osaka City Museum of Art Osaka Palace Museum Beijing Palace Museum Taipei and Shanghai Museum The paintings shown are representative of the categories historical periods and styles of this artistic tradition Detailed professional interpretations and notes allow readers to learn more about the pieces themselves the artists and the context in which they were created Plus photo enlargements of key details get readers up close to these masterpieces As one of the world s oldest continuous art forms Chinese painting has a truly special history This comprehensive guide allows modern readers to travel through time experiencing important moments in Chinese history and society through beautiful pieces of artwork

Mirror of Morality Julia K. Murray, 2007-01-31 *Mirror of Morality* takes an interdisciplinary look at an important form of pictorial art produced during two millennia of Chinese imperial rule Ideas about individual morality and state ideology were based on the ancient teachings of Confucius with modifications by later interpreters and government institutions Throughout the imperial period members of the elite made sponsored and inscribed or used illustrations of themes taken from history literature and recent events to promote desired conduct among various social groups This dimension of Chinese art history has never before been broadly covered or investigated in historical context The first half of the study examines the nature of narrative illustration in China and traces the evolution of its functions conventions and rhetorical strategies from the second century BCE through the eleventh century Under the stimulus of Buddhism sophisticated techniques developed for representing stories in visual form While tracing changes in the social functions and cultural positions of narrative illustration the second half of the book argues that narrative illustration continued to play a vital role in elite visual culture

The Meeting of Eastern and Western Art Michael Sullivan, 1997 The exchange of art provides a vehicle for creative interaction between East and West a process in which great civilizations preserve their own character while stimulating and enriching each other Here scholar Michael Sullivan leads the reader through four centuries of exciting interaction between the artists of China and Japan and those of Western Europe 24 color plates 174 halftones
