Research In Social Movements Conflicts And Change A Research Annual Volume 11:

Social Movements Anthony Oberschall, 2017-10-23 More than any other topic in social science the study of social movements provides an opportunity to combine social theory with political action Such study is a key to understanding the motivations successes and failures of thousands who aspire to high ideals of justice but who sometimes aid in perpetuating inhumane political acts and systems Building upon the past twenty years developments in theory and research Social Movements combines original theoretical and methodological approaches with penetrating analyses of contemporary movements from the sixties to the present Anthony Oberschall argues that social movements are central to contemporary politics in both Western and Third World nations They are not quaint stepchildren to public policy and social change that disappear as nations modernize Collective action by the citizenry spilling beyond the boundaries of routine politics is an integral part of the process of creative destruction that Joseph Schumpeter ascribed to modern capitalism and all dynamic modern societies Among the subjects that Oberschall examines in Social Movements are the Civil Rights movement decline of the New Left the feminist movement the New Christian Right the tobacco control movement collective violence in U S industrial relations and some comparative historical movements including the Cultural Revolution in China the abortive 1968 revolution in Czechoslovakia political strife in postcolonial Africa and the sixteenth century European witch craze In looking beyond the immediate political circumstances of these social movements Oberschall points the way to achieving the next major task of social movement theory a more satisfactory understanding of the dynamics and course of social movements and counter movements and a method of accounting for the outcomes of public controversies Free of jargon and technical terminology Social Movements is written for sociologists political scientists historians professionals dea

The Strong State and Curriculum Reform Leonel Lim,Michael W. Apple,2016-04-20 As Asian education systems increasingly take on a stronger presence on the global educational landscape of special interest is an understanding of the ways in which many of these states direct their schools towards higher achievement What is missing however are accounts that take seriously the particular construction of the strong developmental state witnessed across many Asian societies and that seek to understand the politics and possibilities of curriculum change vis a vis precisely the dominance of such a state By engaging in analyses based on some of the best current social and cultural theories and by illuminating the interactions among various state and non state pedagogic agents the chapters in this volume account for the complex post colonial historical and cultural consciousnesses that many Asian states and societies experience At a time when much of the educational politics in Asia remains in a state of transition and as many of these states seek out through the curriculum new forms of social control and novel bases of political legitimacy such a volume offers enduring insights into the real if not also always relative autonomy that schools and communities maintain in countering the hegemonic presence of strong states

Soule,Hanspeter Kriesi,2008-04-15 The Blackwell Companion to Social Movements is a compilation of original state of the art essays by internationally recognized scholars on an array of topics in the field of social movement studies Contains original state of the art essays by internationally recognized scholars Covers a wide array of topics in the field of social movement studies Features a valuable introduction by the editors which maps the field and helps situate the study of social movements within other disciplines Includes coverage of historical political and cultural contexts leadership organizational dynamics social networks and participation consequences and outcomes and case studies of major social movements Offers

the most comprehensive discussion of social movements available The Voice of Southern Labor Vincent J. Roscigno, William F. Danaher, 2004 The 1934 strike of southern textile workers involving nearly 400 000 mill hands remains perhaps the largest collective mobilization of workers in U S history How these workers came together in the face of the powerful and coercive opposition of management and the state is the remarkable story at the center of this book The Voice of Southern Labor chronicles the lives and experiences of southern textile workers and provides a unique perspective on the social cultural and historical forces that came into play when the group struck first in 1929 and then on a massive scale in 1934 The workers grievances solidarity and native radicalism of the time were often reflected in the music they listened to and sang and Vincent J Roscigno and William F Danaher offer an in depth context for understanding this intersection of labor politics and culture The authors show how the message of the southern mill hands spread throughout the region with the advent of radio and the rise of ex mill worker musicians and how their sense of opportunity was further bolstered by Franklin D Roosevelt s radio speeches and policies Vincent J Roscigno is associate professor of sociology at Ohio State University William F Danaher is associate professor in the Department of Sociology and Anthropology at the College of Charleston

Stories of Change Joseph E. Davis, 2012-02-01 Despite the amount of storytelling in social movements little attention has been paid to narrative as a form of movement discourse or as a mode of social interaction Stories of Change is a systematic study of narrative as well as a demonstration of the power of narrative analysis to illuminate many features of contemporary social movements Davis includes a wide array of stories of change stories of having been harmed or wronged stories of conflict with unjust authorities stories of liberation and empowerment and stories of strategic success and failure By showing how these stories are a powerful vehicle for producing regulating and diffusing shared meaning the contributors explore movement stories their functions and the conditions under which they are created and performed They show how narrative study can illuminate social movement emergence recruitment internal dynamics and identity building **New Directions in Contemporary Sociological Theory** Joseph Berger, Morris Zelditch Jr., 2002-07-31 Written by eminent sociologists this book introduces and assesses some of the most influential recent sociological theories Each chapter explains the theory and describes a related program of empirical research Chapters are authored by the actual founders and or leading exponents of these theoretical programs many chapters contain a description of the inception growth and present status of the theoretical program The book covers a broad range of sociological concerns from the investigation of power and status processes to social movements and revolutions to organizational and institutional structures to world system analysis Accessibly written for a wide sociological audience this book is an invaluable introduction for undergraduates and graduates to sociology s most important theoretical advances **New Critical Writings in Political Sociology** Alan Scott, 2024-11-01 The articles collected together in this volume are concerned with why and how people get involved in politics whether through formal mechanisms such as voting through some of the more informal means and settings of social movement

networks and political protest or through engagement in public debate But just as important is the question of why people do not get involved in politics What social conditions ideas and values facilitate or discourage political activity How is it that some people are systematically disempowered in democratic societies in comparison with others What social forms offer the most promise for extending and deepening democracy This volume brings together the most seminal papers which together form a record of how political sociologists since the 1970s have framed questions about the range and limits of democratic political engagement and developed concepts and methodologies in order to research the answers to those questions

Politicized Medical Dispute Resolution in China Jie Wu, 2024-10-29 This book investigates the politicization process of social dispute resolution and its unintended consequences under the context of over 70 percent of China's public hospitals have experienced hospital violence with patients acting violently toward medical workers to express anger protect their rights or monetary reasons The examination of interactions between patients hospitals and government representatives in China is based on fieldwork conducted in a Chinese mega city from 2015 to 2017 combining over 700 archival mediation cases 156 hospital violence cases and their legal outcomes and 72 in depth interviews with patients mediators and healthcare professionals It examines the rise of mediation and finds how the party state utilizes the traditional mediation channel to address emerging social disputes and the art of persuasion in mediation and finds how political stability and moral concerns influence and shaped their strategies and mediation outcomes The first hand data and valuable archival documents help depict citizens social dispute resolution process and reflect another facet of non electoral political participation in China also enriching the understanding of evolving government strategies in dispute resolution This book is reader friendly and could engage a wide and dynamic audience of researchers healthcare professionals and readers interested in medical sociology regional study or political participation in China

Thinking on the Edge: An Interdisciplinary Look at Ideological Extremism Jocelyn J. Bélanger, Mark Dechesne, Angel Gomez, 2021-12-03 *Once More Unto the Breach, Dear Friends* Irving Louis Horowitz, Andrew McIntosh, Patrick Ivins, Deborah Berger, 2017-07-05 Candor breadth judiciousness all these are attributes Irving Louis Horowitz possesses as a scholar Under his leadership there is no academic publication from which I have learned as much as Transaction Society David Riesman Harvard University We are all happy beneficiaries of Horowitz's acutely perceptive and often devastatingly plain spoken self as sociologist and sage broad gauged scholar dedicated teacher tough minded editor and publisher with an ingrained sense of fairness Robert K Merton Columbia University

Handbook of Social

Movements Across Disciplines Conny Roggeband, Bert Klandermans, 2017-07-31 This book aims to revisit the interdisciplinary roots of social movement studies Each discipline raises its own questions and approaches the subject from a different angle or perspective The chapters of this handbook are written by internationally renowned scholars representing the various disciplines involved They each review the approach their sector has developed and discuss their disciplines contributions and insights to the knowledge of social movements Furthermore each chapter addresses the unanswered questions and discusses the overlaps with other fields as well as reviewing the interdisciplinary advances so far

Impossible Jobs in Public Management Erwin C. Hargrove, John C. Glidewell, 1990 If you think your job is hopelessly difficult you may be right Particularly if your job is public administration Those who study or practice public management know full well the difficulties faced by administrators of complex bureaucratic systems What they don't know is why some jobs in the public sector are harder than others and how good managers cope with those jobs Drawing on leadership theory and social psychology Erwin Hargrove and John Glidewell provide the first systematic analysis of the factors that determine the inherent difficulty of public management jobs and of the coping strategies employed by successful managers To test their argument Hargrove and Glidewell focus on those jobs fraught with extreme difficulties impossible jobs What differentiates impossible from possible jobs are 1 the publicly perceived legitimacy of the commissioner's clientele 2 the intensity of the conflict among the agency's constituencies 3 the public's confidence in the authority of the commissioner's profession and 4 the strength of the agency's myth or long term idealistic goal Hargrove and Glidewell flesh out their analysis with six case studies that focus on the roles played by leaders of specific agencies Each essay summarizes the institutional strengths and weaknesses specifies what makes the job impossible and then compares the skills and strategies that incumbents have employed in coping with such jobs Readers will come away with a thorough understanding of the conflicting social psychological and political forces that act on commissioners in impossible jobs
