Reward And Punishment Love And Grace:

Reward and Punishment-Love and Grace David Cox,1986-01-01 **Redeeming the Gospel** David A. Brondos, For many people today the Christian gospel as traditionally articulated has become irrelevant and meaningless making it necessary to rethink our understanding of the gospel Redeeming the Gospel examines the central themes traditionally associated with Lutheran theology including especially law and gospel the work of Christ and the doctrine of justification by grace through faith in order to deconstruct and reconstruct our understanding of the gospel so that it may be proclaimed in a way that responds to the needs and concerns of our world today **Amor Dei** John Burnaby,2007-07-01 Amor Dei A Study of the Religion of St Augustine was first published as the Hulsean Lectures for 1938 when John Burnaby was a classics Fellow of Trinity College Cambridge A Future Judgement-rewards and punishments eternal. The substance of a sermon preached October 26, 1800 ... With several notes explanatory, etc John DEVOTION,1801 *A Companion to Marsilius of Padua* Gerson Moreno-Riano,Cary Nederman,2011-10-14 Containing the latest scholarship by an international group of scholars this book provides an essential guide both to the life and works of Marsilius of Padua as well as to the leading interpretive debates surrounding one of the greatest thinkers of the Latin Middle Ages *Homiletics* Johann Michael Reu,1924 **Love of a God of Love** Hugo Strandberg,2011-09-15 Argues for an understanding of religious belief as love of a God of love thereby overturning traditional epistemologically based conceptions of religious belief *The Judgment of Love* James M Matarazzo,2018-10-19 This book seeks to explore the concept of divine judgment in Christian eschatology It contends that this judgment is salvific rather than destructive This notion can be described aphoristically as iudicandus est salvandus to be judged is to be saved The provocation to Christian eschatology is that human beings are not saved from judgment but are saved within it The exploration begins defining the context and moves into a review of the symbols and problems of judgment through a reappraisal of De novissimis concerning the last things the last section found in traditional works of Christian dogmatics This is followed by a critical engagement with the soteriological optimism posited by four twentieth and twenty first century theologians Sergei Bulgakov Hans Urs von Balthasar J A T Robinson and Marilyn McCord Adams The event of the judgment is then defined as the event of absolute recognition that it is within the eschatic recognition of God the self and the other that transformation and glorification of human persons occur in a way that avoids a dual outcome of salvation and damnation The book concludes by proposing that we may approach divine judgment with faith hope and love not only for ourselves but for the human race as a whole *Love in Children and Its Aberrations* Oskar Pfister,1924 **Judaism Is About Love** Shai Held,2024-03-26 A profound startling new understanding of Jewish life illuminating the forgotten heart of Jewish theology and practice love A dramatic misinterpretation of the Jewish tradition has shaped the history of the West Christianity is the religion of love and Judaism the religion of law In the face of centuries of this widespread misrepresentation Rabbi Shai Held one of the most important Jewish thinkers in America today recovers the heart of the

Jewish tradition offering the radical and moving argument that love belongs as much to Judaism as it does to Christianity Blending intellectual rigor a respect for tradition and the practices of a living Judaism and a commitment to the full equality of all people Held seeks to reclaim Judaism as it authentically is He shows that love is foundational and constitutive of true Jewish faith animating the singular Jewish perspective on injustice and protest grace family life responsibilities to our neighbors and even our enemies and chosenness Ambitious and revelatory Judaism Is About Love illuminates the true essence of Judaism an act of restoration from within

Guild Lecture Guild of Pastoral Psychology,1971 **The Christian's Family and Pocket Companion: Embracing Five Sermons on the ...** Sinclare Kelburn,1821 *Love Disconsoled* Timothy P. Jackson,1999-11-25 Few concepts are more central to ethics than love but none is more subject to false consolation This 1999 book explores several theological philosophical and literary accounts of love focusing on how it relates to matters such as self interest and self sacrifice and invulnerability and immortality Timothy Jackson first considers key aspects of what the Bible says about love then he further examines the meaning of love and sacrifice through a close reading of novels by Fitzgerald and Hemingway Lastly he evaluates how love constrains and is constrained by other traditional moral concepts Throughout Jackson defends the moral priority of what the Christian tradition calls agape He argues that a proper understanding of agapic love rejects both moral relativism and the comfort of believing that good people cannot be harmed or that God causally necessitates every historical action and event When love is thus disconsoled it neither fears death nor despises life

Gospel Love, Marriage and Divorce Randall Lamb,2020-03-05 The centrality of God in all things is not a novel concept to Christianity at least not in theory For centuries it would appear that the Church has somehow allowed herself to remove the God centered gospel definition from marriage and has subsequently fashioned a culturally subjective definition of love marriage and divorce that has left God in many respects far from the center This book however will pay less attention to our own domestic legacies of love marriage and divorce It is more so about the church covenants conditions true fidelity perseverance God centered joy authenticity fraud legalism and apostasy It is a journey into the kingdom of God wherein the visible and invisible church along with love marriage and divorce all seem to collide with the gospel of glory and grace
