Rex Battarbee:

Rex Battarbee Rex Battarbee, **Hunters and Collectors** Tom Griffiths, 1996-04 *Hunters and Collectors* is about historical consciousness and environmental sensibilities in European Australia from the mid nineteenth century to the present It is in part a collective biography of amateur antiquarians archaeologists naturalists journalists and historians people who shaped the Australian historical imagination Dr Griffiths illuminates the way these avid collectors and investigators of the Australian land and of its indigenous inhabitants contributed a sense of identity at colony wide and eventually nationwide level He also considers the rise of professional history anthropology and archaeology in the universities which ignored the efforts of the amateurs Griffiths shows how the seemingly trivial activities of these hunters and collectors feed into the political and environmental debates of the 1990s This book is outstanding in its originality interpretative insight and literary flair **Rex Battarbee. Images of the Interior Philip Jones, 2011 During the half century from the 1890s to the 1940s the theme of the bush emerged as a formative element in a new Australian identity Assumptions about the Central Australian frontier and its people black and white then hardened into stereotypes that still affect our perceptions of this country The photographs in this book from the rich collections of the South Australian Museum take us behind those stereotypes to the reality of the frontier itself The photographers were seven remarkable men whose vocations took them into the heart of Central Australia long before tourism and colour photography transformed our view of the outback The photographers are Francis J Gillen Captain Samuel Albert White George Aiston Ernest Eugene Kramer Cecil John Hackett William Delano Walker and Rex Battarbee

Straight-Out Man Barbara Henson, 2016-10-18 Central Australia and its oldest mission Hermannsburg have long been a potent arena for the encounter between Australia's indigenous people and the European newcomers The life of Hermannsburg's longest serving superintendent F W Albrecht vividly details much of that encounter beginning in the 1920s when Aborigines were thought to be a dying race with governments and public largely indifferent to their fate Described by some as Australia's greatest missionary Albrecht battled to gain secure reserves on traditional lands and to foster Aboriginal education employment and leadership Prominent figures crossed his path Flynn of the Inland T G H Strehlow and Albert Namatjira in whose life and painting Albrecht played a key role Aboriginal recollections punctuate the story providing a rare glimpse into Aboriginal thoughts and feelings for Albrecht himself and the events surrounding them And at the centre is a man of great personal commitment struggling with the painful unlearning of his own cultural certainties This is subtle and compelling storytelling

Performing Indigenous Identities on the Contemporary Australian Stage Susanne Thurow, 2019-08-21 Over the past 50 years Indigenous Australian theatre practice has emerged as a dynamic site for the discursive reflection of culture and tradition as well as colonial legacies leveraging the power of storytelling to create and advocate contemporary fluid conceptions of Indigeneity Performing Indigenous Identities on the Contemporary Australian Stage offers a window into the history and diversity of this vigorous practice It introduces the reader to cornerstones of Indigenous Australian cultural frameworks and on this backdrop discusses a wealth of plays in light of their responses to contemporary Australian identity politics The in depth readings of two landmark theatre productions Scott Rankin's Namatjira 2010 and Wesley Enoch Anita Heiss I Am Eora 2012 trace the artists engagement with questions of community consolidation and national reconciliation carefully considering the implications of their propositions for identity work arising from the translation of traditional ontologies into contemporary orientations The analyses of the dramatic texts are incrementally enriched by a dense reflection of the production and reception contexts of the plays providing an expanded framework for the critical consideration of contemporary postcolonial theatre practice that allows for a well founded appreciation of the strengths yet also pointing to the limitations of current representative approaches on the Australian

Double Desire Ian McLean, 2014-11-19 *Double Desire* challenges the tendency by critics to perpetuate an aesthetic apartheid between Indigenous and Western art The double desire explored in this book is that of the divided but also amplified attractions that occur between cultural traditions in places where both indigenous and colonial legacies are strong The result it is argued produces imaginative transcultural practices that resist the assimilation or acculturation of Indigenous perspectives into the dominant Western mod
