Oliver Goldsmith Oliver Goldsmith, 1928 The Papers of Alexander Hamilton Alexander Hamilton, 1974 This book explores the puzzling phenomenon of new veiling practices among lower middle class women in Cairo Egypt Although these women are part of a modernizing middle class they also voluntarily adopt a traditional symbol of female subordination How can this paradox be explained An explanation emerges which reconceptualizes what appears to be reactionary behavior as a new style of political struggle as accommodating protest These women most of them clerical workers in the large government bureaucracy are ambivalent about working outside the home considering it a change which brings new burdens as well as some important benefits At the same time they realize that leaving home and family is creating an intolerable situation of the erosion of their social status and the loss of their traditional identity The new veiling expresses women's protest against this MacLeod argues that the symbolism of the new veiling emerges from this tense subcultural dilemma involving elements of both resistance and acquiescence New Perspectives on the Irish Diaspora Charles Fanning, 2000 In *New Perspectives on the Irish Diaspora* Charles Fanning incorporates eighteen fresh perspectives on the Irish diaspora over three centuries and around the globe He enlists scholarly tools from the disciplines of history sociology literary criticism folklore and culture studies to present a collection of writings about the Irish diaspora of great variety and depth *An Uncommon Reader* Helen Smith, 2025-08-22 One of The Sunday Times U K Books of the Year Garnett's life will not need to be written again Andrew Morton Times Literary Supplement A penetrating biography of the most important English language editor of the early twentieth century During the course of a career spanning half a century Edward Garnett editor critic and reader for hire would become one of the most influential men in twentieth century English literature Known for his incisive criticism and unwavering conviction in matters of taste Garnett was responsible for identifying and nurturing the talents of a generation of the greatest writers in the English language from Joseph Conrad to John Galsworthy Henry Green to Edward Thomas T E Lawrence to D H Lawrence In *An Uncommon Reader* Helen Smith brings to life Garnett's intimate and at times stormy relationships with those writers I have always suffered a little from a sense of injustice at your hands Galsworthy complained in a letter All turned to Garnett for advice and guidance at critical moments in their careers and their letters and diaries in which Garnett often features as a feared but deeply admired protagonist tell us not only about their creative processes but also about their hopes and fears Beyond his connections to some of the greatest minds in literary history we also come to know Edward as the husband of Constance Garnett the prolific translator responsible for introducing Tolstoy Dostoevsky and Chekhov to an English language readership and as the father of David Bunny Garnett who would make a name for himself as a writer and publisher Mr Edward Garnett occupies a unique position in the literary history of our age E M Forster wrote He has done more than any living writer to discover and encourage the genius of other writers and he has done it without any desire for personal prestige An absorbing and masterfully researched portrait of a man who was a defining influence on the modern literary landscape *An Uncommon Reader* asks us to consider the multifaceted meaning of

literary genius **Golden Holocaust** Robert N. Proctor, 2012-02-28 The cigarette is the deadliest artifact in the history of human civilization It is also one of the most beguiling thanks to more than a century of manipulation at the hands of tobacco industry chemists In *Golden Holocaust* Robert N Proctor draws on reams of formerly secret industry documents to explore how the cigarette came to be the most widely used drug on the planet with six trillion sticks sold per year He paints a harrowing picture of tobacco manufacturers conspiring to block the recognition of tobacco cancer hazards even as they ensnare legions of scientists and politicians in a web of denial Proctor tells heretofore untold stories of fraud and subterfuge and he makes the strongest case to date for a simple yet ambitious remedy a ban on the manufacture and sale of cigarettes

The Larkin Papers Thomas Oliver Larkin, 1951 **Letters of John Keats to His Family and Friends** John Keats, 1891 *President by Massacre* Barbara Alice Mann, 2019-08-27 *President by Massacre* pulls back the curtain of expansionism revealing how Andrew Jackson William Henry Harrison and Zachary Taylor massacred Indians to open land to slavery and oligarchic fortunes *President by Massacre* examines the way in which presidential hopefuls through the first half of the nineteenth century parlayed militarily mounted land grabs into Indian hating political capital to attain the highest office in the United States The text zeroes in on three eras of U S expansionism as it led to the massacre of Indians to open land to African slavery while luring lower European classes into racism s promise to raise white above red and black This book inquires deeply into the existence of the affected Muskogee Creek Shawnee Sauk Meskwaki Fox and Seminole before and after invasion showing what it meant to them to have been so displaced and to have lost a large percentage of their members in the process It additionally addresses land seizures from these and the Tecumseh Tenskwatawa Black Hawk and Osceola tribes *President by Massacre* is written for undergraduate and graduate readers who are interested in the Native Americans of the Eastern Woodlands U S slavery and the settler politics of U S expansionism *Brothers One and All* Mark H. Dunkelman, 2006-09 During the Civil War the regiment was the fundamental component of armies both North and South its reliability and effectiveness crucial to military success Soldiers devotion to their regiment their esprit de corps encouraged unit cohesion and motivated the individual soldier to march into battle and endure the hardships of military life In *Brothers One and All* Mark H Dunkelman identifies the characteristics of Civil War esprit de corps and charts its development from recruitment and combat to the end of the war and beyond through the experiences of a single regiment the 154th New York Volunteer Infantry Dunkelman offers a unique psychological portrait of a front line unit that fought with distinction at Chancellorsville Gettysburg Lookout Valley Rocky Face Ridge and other engagements He traces the evolution of natural camaraderie among friends and neighbors into a more profound sense of pride enthusiasm and loyalty forged as much in the shared unpleasantness of day to day army life as in the terrifying ordeal of battle
