Home Made Reynolds Price, 1990 **Tongues of Angels** Reynolds Price, 2000-10-17 I m as peaceful a man as you re likely to meet in America now but this is about a death I may have caused Not slowly over time by abuse or meanness but on a certain day and by ignorance by plain lack of notice Though it happened thirty four years ago and though I can t say it s haunted my mind that many nights lately I suspect I can draw it out for you now clear as this noon I may need to try Set in a summer camp in the Blue Ridge Mountains during the deceptively tranquil 1950s The Tongues of Angels is a story of the twenty one year old painting teacher a superbly gifted boy and their advance toward a startling fate As the now older man looks back at on that summer he reflects on the meanings he thought he had learned on the threshold of manhood from the perspective of full maturity **A Long and Happy Life** Reynolds Price, 1962 The troubled love story of Rosacoke Rosa Mustian and Wesley Beavers in rural North Carolina **The Collected Poems** Reynolds Price, 1997-05-08 A collection of poems encompasses works ranging from meditations on the killing of African elephants to lyrical observations on the larger questions of life and its meanings Collected Stories of Reynolds Price Reynolds Price, 1993-06-21 For over three decades Reynolds Price has been one of America s most distinguished writers in a career that has been remarkable both for its virtuosity and for the variety of literary forms he has embraced Now he shows himself as much a master of the story as he is of the novel in a volume that presents fifty stories including two early collections The Names and Faces of Heroes and Permanent Errors as well as more than two dozen new stories that have never been gathered together before In his introduction Mr Price explains how after the publication of his first two collections he wrote no new stories for almost twenty years But once I needed for unknown reasons in a new and radically altered life to return to the story it opened before me like a new chance A collection like this then he adds will show a writer s preoccupations in ways the novel severely rations novels are partly made for that purpose the release from self long flights through the Other John Keats s assertion that the excellence of every Art is its intensity has served as a license and standard for me From the start my stories were driven by heat passion and mystery often passion for the mystery I ve found in particular rooms and spaces and the people they threaten or shelter and my general aim is the transfer of a spell of keen witness perceived by the reader as warranted in character and act There is indeed much for the reader to witness here of passion and mystery of character and act And the variety of stories many of them set in Reynolds Price s native North Carolina but a surprising number set in distant parts Jerusalem in An Early Christmas the American Southwest in Walking Lessons and a number in Europe will astonish even his most devoted readers In short The Collected Stories of Reynolds Price is as deeply rewarding a book as any he has yet published **The Promise of Rest** Reynolds Price, 2010-06-15 In this stunning and fully independent conclusion to A Great Circle Reynolds Price tells the complex moving story of a man s return home to die of AIDS and of the unexpected effect that his arrival and his death has on his family Wade Mayfield s parents are separated but for the remaining months of his life

they and their friends come together to care for Wade with the love they can muster They are unprepared however for the astonishing mystery Wade has prepared to reveal once he is gone a mystery that initiates the possible reunion of his parents and promises to continue the proud traditions of a complex multiracial family *August Snow* Reynolds Price,1990 THE STORY In August of 1937 in a small town in eastern North Carolina we meet the Avery family Roma Avery is the widowed matriarch who still maintains a hold on her recently married son Neal He and his wife Taw a former school teacher rent

A Perfect Friend Reynolds Price,2002-06-01 A Moving Fable For Readers Of All Ages From National Book Critics Circle Award Winning Author Reynolds Price Ben Barks loved elephants long before he d seen one He sometimes wondered how that love started It s been a whole year since Ben s mother died and nothing has soothed his broken heart except thinking about elephants those magnificent creatures his mother loved too Imagining their awesome grace always calms him in a way that his sad father and closest friends never can When a one ring circus comes to Ben s small town he discovers Sala an elephant who survived a wicked trainer s abuses And soon their powerful bond becomes a miraculous healer and gives Ben renewed hope for the future

Source of Light Reynolds Price,1995-05 Here is the second volume of A Great Circle the highly acclaimed Mayfield family trilogy from one of America s literary treasures Though a novel independent from The Surface of Earth The Source of Light continues the saga of the Mayfield family here focusing on Hutchins Mayfield whose desire for self knowledge removes him from his secure existence as a prep school teacher and takes him on a journey to Oxford and Italy to study and write Hutchins comes back home for a family crisis but ultimately returns to England where he achieves a maturity that enables him to cope with commitments abandonments and the creation of an honest personal agenda In The Source of Light Reynolds Price combines gravity and buoyancy a mythic sense of the past with the mysteries of place to forge an encompassing portrait of the strange and various world one travels through in the quest for self fulfillment

Letter To A Man In The Fire Reynolds Price,2000-10-17 Does God Exist and Does He Care In April 1997 Reynolds Price received an eloquent letter from a reader of his cancer memoir A Whole New Life The correspondent a young medical student diagnosed with cancer himself and facing his own mortality asked these difficult Questions The two began a long distance correspondence culminating in Price s thoughtful response originally delivered as the Jack and Lewis Rudin Lecture at Auburn Theological Seminary and now expanded onto the printed page as Letter to a Man in the Fire Harvesting a variety of sources diverse religious traditions classical and modern texts and a lifetime of personal experiences interactions and spiritual encounters Price meditates on God s participation in our fate With candor and sympathy he offers the reader such a rich variety of tools to explore these questions as to place this work in the company of other great testaments of faith from St Augustine to C S Lewis Letter to a Man in the Fire moves as much as it educates It is a rare combination of deep erudition vivid prose and profound humanity

Vital Provisions Reynolds Price,1982-01-01 Poems explore love the life of Jesus the death of the poet Robert Lowell and the author s own experiences **From Reynolds Price** Reynolds Price,1984

A Whole New Life Reynolds Price, 2000-04-10 Reynolds Price has long been one of America's most acclaimed and accomplished men of letters the author of novels stories poems essays plays and a memoir In *A Whole New Life* however he steps from behind that roster of achievements to present us with a more personal story a narrative as intimate and compelling as any work of the imagination In 1984 a large cancer was discovered in his spinal cord The tumor was pencil thick and gray colored ten inches long from my neck hair downward Here for the first time Price recounts without self pity what became a long struggle to withstand and recover from this appalling if all too common affliction one American in three will experience some form of cancer He charts the first puzzling symptoms the urgent surgery that fails to remove the growth and the radiation that temporarily arrests it but hurries his loss of control of his lower body the occasionally comic trials of rehab the steady rise of severe pain and reliance on drugs two further radical surgeries the sustaining force of a certain religious vision an eventual discovery of help from biofeedback and hypnosis and the miraculous return of his powers as a writer in a new active life Beyond the particulars of pain and mortal illness larger concerns surface here a determination to get on with the human interaction that is so much a part of this writer's much loved work the gratitude he feels toward kin and friends and some though by no means all doctors the return to his prolific work and the now appalling now astonishing grace of God *A Whole New Life* offers more than the portrait of one brave person in tribulation it offers honest insight realistic encouragement and inspiration to others who suffer the bafflement of catastrophic illness or who know someone who does or will

Foreseeable Future Reynolds Price, 1991-05-14 Reynolds Price's long and distinguished career has been remarkable both for his virtuosity and for the variety of forms he has embraced novels stories poems essays translations and plays Now one of America's most respected and accomplished men of letters brings his formidable talents to bear on the long story a form of novelistic scope and poetic intensity In the three stories that comprise *The Foreseeable Future* we encounter some of Price's most arresting and moving characters set against large vistas namely the future its banquet of promises and terrifying consequences For Kayes Paschal in *The Fare to the Moon* this means leaving the black woman he loves and for whom he has already left his wife and son as he is called off to World War II Forget about Hitler and the wide Pacific I could die this minute in full possession of all I hoped to find in life whoever I hurt In the title story for Whit Wade returning severely wounded from that same war and dead a long year afterwards it will mean unearthing his life again and all its possibilities among his family and the people he loves And for Dean Walker loyal father and son football coach and troubled young husband the protagonist of *Back Before Day* the most important hours of his life till now will occur one hectic night before dawn breaks on a day that will be unlike any other in the knowledge and promise it brings Generous wise rich with the details of very human lives *The Foreseeable Future* is proof again of Reynolds Price's mastery and vision

Noble Norfleet Reynolds Price, 2011-03-22 Having given voice in previous novels to the extraordinary Kate Vaiden Blue Calhoun and Roxanna Slade Reynolds Price one of America's most respected men of letters adds *Noble Norfleet* to his gallery of

compelling portraits A few days before Noble Norfleet's eighteenth birthday his family suffers a violent catastrophe The sole survivor Noble throws himself into a reckless affair with his Spanish teacher whose husband is fighting in Vietnam When Noble graduates he enlists as well and while serving as an army medic experiences a mysterious vision that seems tied to uncanny events in his recent past Not until thirty years later after a life short on friends and troubled by a compulsion to worship women's bodies is Noble challenged to rethink the decades old mystery of his family tragedy Faced with an ominous choice Noble finally comes to accept an enormous duty he's long tried to ignore Soon perhaps for the first time his future seems hopeful

Feasting the Heart Reynolds Price, 2001-01-23 Ranging from his experiences as a writer to topics of faith and racial intolerance Reynolds Price's stories from National Public Radio's All Things Considered showcase the author's consistent talent for lyrical prose and insightful observations and all those stories are now compiled here in *The Feasting Heart* In the fall of 1993 Alice Winkler of National Public Radio's Morning Edition asked Reynolds Price to write a short story for a Christmas morning broadcast This assignment would result in NPR's inviting Price to join its varied group of commentators on All Things Considered The laws of radio require a concision that became a welcome new discipline for Price these are all the personal essays which he has broadcast since July 25 1995 Whether recounting events from his past examining the details of his current experience as a writer teacher traveler and general witness of the world Price demonstrates in his direct prose that a writer can instantly connect with his audience He discusses a few predictable topics family the poisonous mysteries of racial intolerance and faith but he also deals with new matters capital punishment *Gone With the Wind* his adventures while navigating an immensely inaccessible America in a wheelchair and he provides a memorable piece on childlessness Throughout Price never loses sight of the origin of either the word or the spirit of the essay the French word connotes a try an attempt and each piece here is a well formed revealing often amusing and refreshing foray into a moment unlike any we've encountered in other forms from him We're unlikely to read more thought provoking work from a commentator for a great time to come
