**Wagner's Ring of the Nibelung: A Companion** Barry Millington, Stewart Spencer, 1993-08-17 Scrupulously planned and executed with quite unusual care Opera There has long been a need for a modern English translation of Wagner's Ring a version that is reliable and readable yet at the same time is a true reflection of the literary quality of the German libretto This acclaimed translation which follows the verse form of the original exactly fills that niche It reads smoothly and idiomatically yet is the result of prolonged thought and deep background knowledge The translation is accompanied by Stewart Spencer's introductory essay on the libretto and a series of specially commissioned texts by Barry Millington Roger Hollinrake Elizabeth Magee and Warren Darcy that discuss the cycle's musical structure philosophical implications medieval sources and Wagner's own changing attitude to its meaning With a glossary of names a review of audio and video recordings and a select bibliography the book is an essential complement to Wagner's great epic

Wagner's Ring Cycle and the Greeks Daniel H. Foster, 2010-02-04 Through his reading of primary and secondary classical sources as well as his theoretical writings Richard Wagner developed a Hegelian inspired theory linking the evolution of classical Greek politics and poetry This book demonstrates how by turning theory into practice Wagner used this evolutionary paradigm to shape the music and the libretto of the Ring cycle Foster describes how each of the Ring's operas represents a particular phase of Greek poetic and political development Das Rheingold and Die Walküre create epic national identity in its earlier and later stages respectively Siegfried expresses lyric personal identity and Götterdämmerung destructively culminates with a tragic comedy about civic identity This study sees the Greeks through the lens of those scholars whose work influenced Wagner most

focusing on epic lyric and comedy as well as Greek tragedy Most significantly the book interrogates the ways in which Wagner uses Greek aesthetics to further his own ideological goals      **Richard Wagner** ,      *Don Giovanni* Wolfgang Amadeus Mozart,2013-06-10 Don Giovanni is presented here in the C F Peters edition and contains the original version along with later arias recitatives and duets added for the Vienna performance Text in both Italian and German      **Catalogue of Printed Music in the Library of the Royal College of Music, London** Royal College of Music (Great Britain),William Barclay Squire,1909      **Wagner Festival** Richard Wagner,1877      Brahms John Bell Young,2017-01-18 Engaging survey covers Brahms major orchestral choral and piano music culminating in a discussion of the German Requiem Commentary places the composer s compelling music within the context of his era and environment
