**Mestiz@ Scripts, Digital Migrations, and the Territories of Writing** D. Baca, 2008-05-26 Conventional scholarship on written communication positions the Western alphabet as a precondition for literacy Thus pictographic non verbal writing practices of Mesoamerica remain obscured by representations of lettered speech This book examines how contemporary Mestiz scripts challenge alphabetic dominance thereby undermining the colonized territories of writing Strategic weavings of Aztec and European inscription systems not only promote historically grounded accounts of how recorded information is expressed across cultures but also speak to emerging studies on visual multimodal education Baca Espinosa argues that Mestiz literacies advance new ways of reading and writing applicable to diverse classrooms of the twenty first century

*Civic Engagement and Technical Communication* James M. Dubinsky, J. Harrison Carpenter, 2023-04-14 This special issue on civic engagement

and technical communication focuses on the ways educators can help students become actively engaged members of society particularly a rhetorical democracy The first essay examines the concept of community as a locus for civic engagement and question some of the definitions of community seen embedded in current pedagogical practices The next article seeks to shape understanding of practice The tension of developing students civic awareness and engagement is the topic of the third paper The fourth article helps students gain skills and organization awareness and improves the perceived relevance of the work The final two essays approach the issue of civic engagement from slightly different angles one examining the role of teacher as both rhetor and instructor and the other looking to the past for possible solutions for the future By continuing the conversation about the relationship between technical communication and the public good and focusing specifically on pedagogical strategies and their theoretical and historical underpinnings the authors in this special issue clarify roles that technical communication and technical communicators play in civil society as well as ways curricula can be shaped to prepare students to fill those roles

**Logos and Power in Isocrates and Aristotle** Ekaterina V. Haskins, 2004 Logos and Power in Isocrates and Aristotle presents Isocrates vision of discourse as a worthy rival rather than a mere precursor of Aristotle s Rhetoric It argues that much of what Aristotle said about the status of rhetoric and the role of discourse may have been a reaction to Isocrates

Rhetorical Argumentation in Biblical Texts Anders Eriksson, Thomas H. Olbricht, Walter Übelacker, 2002-06-01 Papers presented at the Lund 2000 Conference on Rhetorical Argumentation in Biblical Texts

*The Viability of the Rhetorical Tradition* Richard Graff, Arthur E. Walzer, Janet M. Atwill, 2012-02-01 The Viability of the Rhetorical Tradition reconsiders the relationship between rhetorical theory practice and pedagogy Continuing the line of questioning begun in the 1980s contributors examine the duality of a rhetorical canon in determining if past practice can make us more or less able to address contemporary concerns Also examined is the role of tradition as a limiting or inspiring force rhetoric as a discipline rhetoric s contribution to interest in civic education and citizenship and the possibilities digital media offer to scholars of rhetoric

**The Oxford Handbook of Adam Smith** Christopher J. Berry, Maria Pia Paganelli, Craig Smith, 2013-05-16 Adam Smith 1723-90 is a thinker with a distinctive perspective on human behaviour and social institutions He is best known as the author of the *An Inquiry into the Nature and Causes of the Wealth of Nations* 1776 Yet his work is name checked more often than it is read and then typically it is of an uninformed nature that he is an apologist for capitalism a forceful promoter of self interest a

defender of greed and a critic of any interference in market transactions To offset this caricature this Handbook provides an informed portrait Drawing on the expertise of leading Smith scholars from around the world it reflects the depth and breadth of Smith s intellectual interests After an introductory outline chapter on Smith s life and times the volume comprises 28 new essays divided into seven parts Five sections are devoted to particular themes in Smith s corpus his views on Language Art and Culture his Moral Philosophy his Economic thought his discussions of History and Politics and his analyses of Social Relations These five parts are framed by one that focuses on the immediate and proximate sources of his thought and the final one that recognizes Smith s status as a thinker of world historical significance indicating both his posthumous impact and influence and his contemporary resonance While each chapter is a discrete contribution to scholarship the Handbook comprises a composite whole to enable the full range of Smith s work to be appreciated

**Mediterranean Heritage in Transit** Lucia Abbamonte,2016-02-29 It is mainly within and around Mediterranean itineraries that the European Union seeks its in tangible cultural heritage an important component of both individual and collective identities This volume brings together many different strands of analysis helping to shed light on the multifaceted entities that constitute the socio semiotic landscape of the Mediterranean It views this vibrant scenario from a cross cultural perspective and investigates the domains of national identities and stereotypes advertising and social media TV series myths and festivals landscapes culture bound terms migrating words and food More specifically some chapters revolve around issues of intra inter group identities in the context of itineraries of recent or historical migrations and how such variegated identities are re shaped by and through the media in a dynamic interplay of symbols and clich s In the same vein gender issues are also addressed in a dimension suspended between tradition and modernity with a special focus on Turkish women The multi dimensional Turkish culture and landscape are also voiced through an example of blended American Turkish children s literature Other chapters explore the language of tourism in the diverse multimodal representations and textualizations of the tourist experience in Mediterranean destinations mainly expressed through social media The contemporary appreciation of the Mediterranean Diet as a global cultural heritage is also explored through the magnifying lens of such media Given the variety of perspectives and methodological approaches adopted by the contributors this volume offers useful insights to students and practitioners of discourse analysis alike From an educational perspective the book which also includes practical worksheets can be used in first and second level degrees in Foreign Languages Communication Political Sciences Media and Cultural Studies as well as specific courses in linguistics multimodal studies critical discourse analysis and corpus linguistics The underlying rationale of the book is its concentration on the prominent role of English in representing the Mediterranean heritage despite the fact that it is a non Mediterranean language At the same time the volume bridges the gap between academic research and class practice at the university level

**Women's Irony** Tarez Samra Graban,2015-07-21 In Women s Irony Rewriting Feminist Rhetorical Histories author Tarez Samra Graban synthesizes three decades of feminist scholarship in rhetoric linguistics and

philosophy to present irony as a critical paradigm for feminist rhetorical historiography that is not linked to humor lying or intention Using irony as a form of ideological disruption this innovative approach allows scholars to challenge simplistic narratives of who harmed and who was harmed throughout rhetorical history Three case studies of women s political discourse between 1600 and 1900 examining the work of Anne Askew Anne Hutchinson and Helen M Gougar demonstrate how reading historical texts ironically complicates the theoretical relationships between women and agency language and history and archival location and memory Interwoven throughout are shorter case studies from twentieth century performances revealing irony s consciousness raising potential for the present and the future Ultimately *Women s Irony* suggests alternative ways to question women s histories and consider how contemporary feminist discourse might be better historicized Graban challenges critical methods in rhetoric asking scholars in rhetoric and its related disciplines composition communication and English studies to rethink how they produce historical knowledge and use archives to recover women s performances in political situations
