Rhode Island: A History (States and the Nation) William McLoughlin, 1986-06-17 With a Historical Guide prepared by the editors of the American Association for State and Local History High atop the Rhode Island capitol in Providence a bronze likeness of The Independent Man keeps watch over a state that historically has put the ideal of individual liberty before all others Like many ideals this one was freighted with many meanings As the colony grew in the seventeenth century the belief in religious liberty and freedom of conscience espoused by its founder Roger Williams led to the development of political liberty and practical democracy In the eighteenth century that dedication to individualism made Rhode Islanders into businessmen of the first order willing to take the big risk in hope of a bigger reward Their land being poor in natural resources Rhode Islanders turned to trade accumulating wealth from traffic in rum and slaves they built in Newport and Providence small but elegant copies of Georgian England and worried more about taxes and currency than about religion When they felt poorly served by British policies they became ready revolutionaries and led in the founding of a new nation After the Civil War their children took individual liberty to mean economic laissez faire ushering in the state s golden age when Rhode Island senator Nelson Aldrich became known as the general manager of the United States Through countless changes in the twentieth century the ideal still survives and asks old questions of new generations of Rhode Islanders from many ethnic backgrounds How best to reconcile the rights of minorities with the rule of the majority and how best to secure the individual liberty and economic opportunity that Roger Williams and Moses Brown would have understood so well

1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little-known authors, many of whom would later become celebrated literary figures, were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. The WPA Guide to the smallest state in the United States, Rhode Island, is by no means the shortest guide in this series. The Ocean State has a rich and extensive history which provides plenty of material to be covered. Despite a small geographic region, there is plenty of historical sites, photographs of churches and houses, and plenty of driving tours. Rhode Island, a Guide to the Smallest State, Best Books on, 1937, written by workers of the Federal Writers Project of the Works Progress Administration for the state of Rhode Island. **Official Souvenir & Program, Rhode Island Old Home Week, 1907**, 1907. **Library of Congress Subject Headings** Library of Congress, Library of Congress. Subject Cataloging Division, Library of Congress. Office for Subject Cataloging Policy, 2013. **Lost Restaurants of Providence** David Norton Stone, 2019. In the city that invented the diner, so many amazing restaurants remain only in memories. The Silver Top had fresh coffee every twenty minutes and the Ever Ready was hot dog heaven. Miss Dutton's Green Room and the Shepard Tea Room beckoned shoppers in their Sunday finest. At Childs the griddle chef made butter cakes in the window for night owls and Harry Houdini supped at midnight with H.P. Lovecraft at the Waldorf Lunch. Themed lounges like the Beachcomber and the Bacchante Room chased away the Prohibition blues. Duncity Diner offered a famous meatloaf and Ming Garden's Ming Wings were a staple for regulars. Author David Norton Stone details the restaurants that still hold a place in the hearts of locals. *Billboard*, 1948-06-19.
