Sherman,2011-03-04 VerseryRhymes is a unique and refreshing translation paraphrase of the New Testament verse by verse It is referred to it as a translation paraphrase because it is both The author s graduate degree is in Biblical languages Hebrew and Greek He leaned heavily on the Greek New Testament as well as several English translations for his sources He has been teaching the Bible for 40 years He began VerseryRhymes more than 10 years ago while he was teaching a Bible study on the Gospel of John He ended the study of each chapter with a rhyming translation of the text The group encouraged him to publish his writing VerseryRhymes is a good translation paraphrase for all ages Many use it for devotional readings Some pastors use it in the pulpit It is a good resource for Bible study groups which is where it got its start It is a flowing easy to understand rendering of the text The complete New Testament was finished in June 2014 The author has a Master s Degree in Biblical languages a Doctor of Ministry degree as well as a Juris Doctor degree **"Read-it-again" Bible Stories** Suzanne Thomas,1991 Retells five Bible stories from the Gospels **The Gospel According to Mother Goose** Mike Hammond,2019-12 The words on the cover of this book tend to encourage us to continue to read There may be two things that cause this the magnetism of the words or the mystery of such a title as The Gospel According to Mother Goose This may suggest that there is something spiritual about the book even though the original intention of the writers of Mother Goose rhymes was quite different The purpose of this book is to bring together some of the words and characters found in the Mother Goose rhymes and those found in the biblical stories My hope is that each complements the other As a child you may or may not have heard the words of the Mother Goose rhymes or the stories from the Bible The values and norms seen in each rhyme have similarities to those found in the stories of the Bible There are six areas of ultimate concern which tend to relate to a child s greatest need security Those six areas are as follows The Fall The Fear The Faith The Food The Following and The Fate After a consideration of each part of the title of this book each of these six areas is discussed Each rhyme

discussed is used to support these areas More specifically there is a consideration of the characters their circumstances and the consequences For each story from the Bible used to support these areas there are some of the same considerations
