comprehensive exploration of Dolores Huerta's contributions to U.S. labor history and her life's work of advocating for systematically disadvantaged and marginalized groups. An iconic figure in American civil rights and one of the most influential labor rights activists of the 20th century, Huerta overcame great odds to make enduring contributions to social justice and advocacy, particularly for farm workers and the Latino community. Organized chronologically, this volume offers the opportunity for readers to better understand Huerta's life. From her early beginnings in California's central valley to her influential leadership on the United Farm Workers (UFW) union to her work educating on women's issues and advocating for Latino representation in politics, readers will explore the many efforts that made Huerta's influence enduring. Beyond a biography, this book places Huerta center stage in the context of American history, looking closely at the Chicano civil rights movement in California, social restrictions, disenfranchisement, and various forms of segregation in the 1950s and 1960s. American historical labor strikes and boycotts, key legislation, and political figures active in labor rights and more: Huerta is one of the great contributors to American history, labor history, women's history, and the history of activism, social justice, and human rights. Here, her story is told in a way that captures the full span of her life and achievements.

**Routledge Guide to Broadway** Ken Bloom, 2013-10-18. The Routledge Guide to Broadway is the second title in our new student reference series. It will introduce the student to the Broadway theater, focusing on key performers, writers, directors, plays, and musicals, along with the theaters themselves, key awards, and the folklore of Broadway. Broadway is the center of American theater, where all the great plays and musicals make their mark. Students across the country in theater history, performance, and direction production look to Broadway for their inspiration. While there are illustrated coffee table type books on Broadway, there are few that offer a comprehensive look at the key figures and productions of the last two centuries. The Routledge Guide to Broadway offers this information in an easy-to-use, inexpensive format that will appeal to students, professors, and theatrical professionals.

*¡Sí, Ella Puede!* Stacey K. Sowards, 2019-03-01. A valuable analysis of the speeches, letters, and interviews of the United Farm Workers cofounder and Latina activist Aztlán. A Journal of Chicano Studies. Since the 1950s, Latina activist Dolores Huerta has been a fervent leader and organizer in the struggle for farmworkers' rights within the Latina/o community. A cofounder of the United Farm Workers union in the 1960s alongside Cesar Chavez, Huerta was a union vice president for nearly four decades before starting her own foundation in the early 2000s. She continues to act as a dynamic speaker, passionate lobbyist, and dedicated figure for social and political change, but her crucial contributions and commanding presence have often been overshadowed by those of Chavez and other leaders in the Chicana/o movement. In this new study, Stacey K. Sowards closely examines Huerta's rhetorical skills both in and out of the public eye and defines Huerta's vital place within Chicana/o history. Referencing the theoretical works of Pierre Bourdieu, Chela Sandoval, Gloria Anzaldúa, and

others Sowards closely analyzes Huerta s speeches letters and interviews She shows how Huerta navigates the complex intersections of race ethnicity gender language and class through the myriad challenges faced by women activists of color Sowards s approach to studying Huerta s rhetorical influence offers a unique perspective for understanding the transformative relationship between agency and social justice      **Box Office** ,1957      **A Special Relationship** Anthony Slide,2015-06-15 A Special Relationship provides not only a historical overview of the British in Hollywood but also a detailed study of the contributions made by American individuals and companies to British cinema from the beginning of the twentieth century onwards The story begins with Ohio born Charles Urban who came to London in 1898 and deserves credit for major involvement in the creation of a British film industry While Ireland was still a part of Britain the New York based Kalem Company made films there from 1910 to 1913 British producers realized the importance of American stars and many actors beginning with Florence Turner who was arguably also the first American star made numerous British films In the 1920s such Hollywood stars as Mae Marsh Betty Blythe and Dorothy Gish remained active in Britain In the 1930s as their careers came to a halt more than one hundred former American stars made the trip to England partly as a vacation and partly in the hope of reenergizing their careers Chapters discuss American cinematographers at work in Britain in the 1920s and 1930s and the introduction of Technicolor to British films Diversity is represented by African American performers most notably Paul Robeson the Chinese American star Anna May Wong along with female filmmakers from Hollywood With Britain s declaration of war on Germany there were Americans who stayed such as Bebe Daniels and Ben Lyon contributing to the war effort America became actively involved in British cinema after World War II with many Hollywood studios producing films there As the years progressed the British film industry became an international film industry The book concludes with the Harry Potter and James Bond series indicative of a new international cinema with financing and behind the camera talent coming from the United States but with British locales and British stars      **Simply Magic** Carole Buck,1989
