Saving Sasha Brown Rob Cornell, 2025-05-10 A town full of lies Something about Sasha Brown catches Ridley Brone's eye the moment she walks into his karaoke bar Not just her angelic voice when she takes the mic Or the way the stage lights make her white blonde hair shimmer She seems to embody the very essence of innocence So when she ends up dead on a snowbank in the middle of a harsh Michigan winter he becomes obsessed with learning the truth behind her demise But the truths he discovers will not only bring into question his fanciful ideal of Sasha but expose a dark underside to his hometown he thought he knew so well *Saving Sasha Brown* marks the third book in the series featuring karaoke bar owner and private eye Ridley Brone

The Life of Madame de Beaumont and The Life of Charlotta du Pont

Penelope Aubin, 2023-06-30 The prose fiction of Penelope Aubin including the two texts included in this edition *The Life of Madam de Beaumont* 1721 and *The Life of Charlotta Du Pont* 1723 offers a delightful and provocative challenge to many of our standard ways of thinking about both the rise of the novel in eighteenth century Britain and about women writers in that era Aubin's fast paced highlights the persistence and vitality of romance as a form of storytelling and the centrality of teenaged girls to tales that extend far beyond the domestic and amatory modes with which women writers have traditionally been associated Aubin's resourceful heroines and the often spectacular violence they engage in in order to defend their lives and bodily integrity against threats allow us a more expansive and exciting view of early eighteenth century fiction than the current classroom canon often permits In narratives spanning the globe and featuring pirates North African corsairs Jacobites shipwrecks and seraglios Aubin delivers a form of fiction with roots that go back to antiquity and commitments that often feel far more modern than most other texts from the eighteenth century

Five Ducks Rob Neverwright, 2020-12-02 I am a proud father of three dismayed by the fact I have now endured my second divorce It's tough when there is someone in front of you reminding you of every flaw and failure and not just yours but the flaws and failures of your gender and the ones

you are bound to demonstrate in the future Is that how everyone feels about me I wrote a book once College anecdotes good times ending on a high note How did it go so wrong I knew she was damaged a troubled past walls of defense maybe a personality disorder or three and injured animals fight to the death if they feel threatened But I could help that right Review everything This might hurt a bit Maybe I should have pursued further the dozen or so interests that came before her Maybe I should ask a few Maybe I should look back at the closest friends from those times too as well as ones lost This may not hurt quite as bad except it might be worse This book covers my introspective journey of self analysis I try to figure out for myself how looking over the side of a bridge with a stroller at a couple of ducks links itself with a group of friends I have been lucky to have for most of my adult life as well as to a girl from a long time ago that I never even kissed Eventually there may be a small pearl of wisdom or two along with some graphic sarcasm and descriptions and stories that had me laughing as I typed proving again that laughter is still the best medicine **Somnium** Tom Arnet,2010 *The Art Journal* ,1876 Art-Union ,1876
