Riccardos Secret Child Expecting:

Riccardo's Secret Child Cathy Williams, 2010-07-17 Millionaire businessman Riccardo Fabbri was furious that his child had been kept a secret from him. He blamed his daughter's guardian the very pretty Julia Nash. And he intended to use seduction as his revenge. After all, no woman had immunity against the full force of his charm. But with each searing kiss he shared with Julia, Riccardo's passion drove him to consider a new, more permanent course of action. **The Italian**

Billionaire's Secret Love-Child Cathy Williams, 2008-12-01 After Charlie was seduced by gorgeous Riccardo di Napoli, she was shocked to find he was from an elite Italian family and was one of the country's wealthiest businessmen. Knowing the powerful tycoon could never love an ordinary English girl, Charlie fled, taking her precious secret with her. Now Riccardo wanted Charlie in his bed once more. But Charlie was wary. She knew that once Riccardo discovered the truth, he would claim her child as his own and Charlie as his convenient wife.

Signor Dido Alberto Savinio, 2014-01-14 Painter, musician, journalist, essayist, playwright, and composer Alberto Savinio was one of the most gifted and singular Italian writers of the twentieth century. Italian critics rank him alongside Pirandello, Calvino, and Sciascia, but he is hardly known to American readers. He was the younger brother of Giorgio De Chirico, and André Breton said that the whole Modernist enterprise might be found in the work of these two brothers. Savinio composed five operas and more than forty books. A friend of Apollinaire, figures on the scene during Savinio's artistic and literary career included Picasso, Cocteau, Max Jacob, and Fernand Léger. As the translator says, his writing like his panting moves easily from the everyday to the fantastic. Attempts to define it as surrealist are too limiting. It is free in spirit, profoundly intelligent, and beautifully controlled in style. The stories collected in *Signor Dido* are his last works, one story being sent to its publisher only four days before the author's death. And while this final collection was completed in 1952, it was not published in Italian until 1978. Composed with an extreme economy of means, they are the summing up of a rich and complex life. The stories contain haunting premonitions and at times piercing solitude, but they are all graced with Savinio's high comic sense, his fine self-humor, and that stylistic irony which, as he once said, is both a mask for modesty and a subtle way of insinuating oneself into the secret of things. *Argentinian Playboy,*

Unexpected Love-Child Chantelle Shaw, 2009-09-01 Billionaire polo player Diego Ortega has seen the world and sampled many of its women. Sweet beauty Rachel Summers has sated his appetite, so why does he find his body yearning for more? Rachel knows she is not Diego's type: less glamorous, supermodel, more wholesome country girl. But that doesn't mean she has to wear her heart on her sleeve. She kept her virginity a secret before he bedded her. But now she has to tell Diego she's carrying his baby. **Forthcoming Books** Rose Arny, 2004 **Love, Honour, and Jealousy** Niamh Cullen, 2019-05-09

Love, Honour, and Jealousy investigates the impact of the Italian economic miracle of the 1950s and 1960s on intimate life. Just as Italy was rapidly forged into an urban industrial nation in these years, the ways in which Italians thought about family, love, and marriage were transformed by migration and modern consumer culture. At the core of this book lies the investigation of

almost one hundred and fifty unpublished diaries and memoirs written by ordinary men and women who were coming of age during these years. These personal testimonies reveal unique insights into the experiences, thoughts, and feelings of those who came of age against the backdrop of a rapidly changing Italy. The personal stories are explored alongside the films, magazines, and music of the time, which were saturated with both new and old ideas of romance. Films and magazines encouraged young Italians to put romantic love and individual desire over family, contributing to changing expectations about marriage and often resulting in family tensions. At the same time, popular love stories were frequently laced with jealousy, hinting at the darker emotions that were linked in many minds to love. This darker side was a significant part of the story of changing ideas about intimacy in post-war Italy, as was the growing desire to marry for love. Control and violence against women was closely linked to southern ideas about family honour, but also to anxieties about Italy's changing society, which manifested itself in romantic jealousy. Through its exploration of courtship, marriage, honour, crime, forced marriage, jealousy, and marriage breakdown, *Love, Honour, and Jealousy* traces the ways in which the lives of both individuals and of the nation itself were shaped by changing understandings of romantic love and its darker companions, honour and jealousy. *Riccardo Freda* Roberto Curti, 2017-03-21. In an eclectic career spanning four decades, Italian director Riccardo Freda (1909-1999) produced films of remarkable technical skill and powerful visual style, including the swashbuckler *Black Eagle* (1946), an adaptation of *Les Misérables* (1947), the peplum *Theodora, Slave Empress* (1954), and a number of cult favorite Gothic and horror films, such as *I Vampiri* (1957), *The Horrible Dr. Hichcock* (1962), and *The Ghost* (1963). Freda was first championed in the 1960s by French critics who labeled him the European Raoul Walsh and enjoyed growing critical esteem over the years. This book covers his life and career for the first time in English, with detailed analyses of his films and exclusive interviews with his collaborators and family.

The Persistence of Hope Albert Alcalay, 2007. This is the personal saga of a young Yugoslavian artist who, well aware of the Nazi danger from its earliest days, was drafted into the Yugoslav army and taken prisoner of war. Released from the work camp because of his personal courage, Alcalay returned to Nazi-occupied Belgrade, where German reprisals caused the execution of over one hundred Jews. Despite the dangers, he and his family began a journey of escape that led them in various directions until an Italian family saved them. He survived to flourish in postwar Rome as a prominent member of a successor generation to the great Jewish Emotionalist movement that included Soutine, Pascine, Modigliani, Zadkine, and Chagall. Albert Alcalay is retired from Harvard University.
