**Rich Church Poor Church** John Louis Muratori, 2007-05-15 Rich Church Poor Church is the financial blueprint for the modern day believer Full of biblical revelation and stewardship principles for wealth generation **Rich Church, Poor Church** Dr. J. Clif Christopher, 2012-11-01 Does your church have the necessary funds to do ministry In Dr Clif Christopher's nearly forty years in ministry as a pastor and President of Horizons Stewardship Company he has witnessed the financial stewardship practices of thousands of churches A few have exceptional records in acquiring and managing the necessary funds for mission and ministry but the vast majority struggle every year to get by In this important new work made even more relevant by our economic times Christopher contrasts the traits of the most productive congregations with those who perennially fail to secure the funds to perform transformational ministry Some churches practice the necessary financial habits that form the foundation of successful ministry and others waste valuable resources and undermine ministry opportunities Through Christopher's insight born out of years of experience and consultation readers can assess the financial condition of their own churches Rich Church--Poor Church? Some Biblical Perspectives Enzo Gatti, 1974 **Rich Church, Poor Church** Malachi Martin, 1984 **Rich Church--poor Church?** Enzo Gatti, 1974 **The Churches and the Development Debate** Ignatius Swart, 2006-05-01 This book newly addresses the question about the Christian churches participation in development The innovative element of this reflection is the way in which the author finds meaning and significance particularly in the concept of a fourth generation approach to strategic development engagement The book's essential argument is that a fourth generation strategy an approach that makes the contemporary social or people's movements the primary subjects of its development action and theory holds the greatest prospect for authentic participation by the Christian churches in development **Freedom and Discipleship** Daniel S. Schipani, 2021-12-29 An appraisal of liberation theology from the Anabaptist Mennonite perspective Freedom and Discipleship brings together essays by prominent theologians of that tradition and responses by Protestant liberation theologians Emerging from differing ethnic socio cultural and denominational backgrounds the contributors seek to promote an inter Christian dialogue This dialogue in turn locates foundations for both building and equipping the ecclesial community for mission especially the witness of peace and justice It spurs modern descendants of both traditions to reflect on their own radical roots while simultaneously raising critical questions on such topics as violence and nonviolence Freedom and Discipleship offers a unique assessment of liberation theology from the perspective of the Radical Reformation that stream of Protestantism which has understood the discipleship of Jesus to imply commitments to peace and to justice The contributors address the myriad dimensions of liberation theology including hermeneutical ecclesiological christological ethical and eschatological concerns In Part I Perspectives on Liberation Theology essays evaluate liberation theology at various points and in different ways Part II Dialogical Interface and Implications reflects the ongoing conversation in a dialectical and dynamic fashion In bringing

together liberation theology and the Anabaptist perspective Freedom and Discipleship makes a significant contribution to the engagement of two Christian traditions      The Tithe: God's Loving Provision to Us Jack Adams,2022-07-18 Perhaps you simply don't believe in tithing then this book is for you It will definitely show you the heart of God If you have been turned off by the prosperity doctrine and want nothing to do with tithing as a result I urge you to pick this book up and read it as it really brings balance to the tithing message I love it when God's anointing brings clarity on a particular subject That is exactly what God has done with this book The author's original intent was to write this book for pastors and teachers so that faith would arise in their hearts to teach about the tithe However everyone should read this book because faith comes by hearing the message and the message is loud and clear on why we should tithe If you really want God to be pleased with you read this book and apply the principles It will change your life      Spatialities of Urban Change Lochner Marais,Gustav Visser,2008-07-01 It is against a post colonial backdrop that the collection of essays assembled in this book aims to make a contribution to understanding the realities of urban centres which feature less frequently in the academic press The research reported in this collection echoes and highlights many of the themes found in both urban theory derived from the realities of many world cities and the challenges remarked upon in development theory seen in much of the work focused on South Africa's main metropolitan regions      **The Starter's Way** Edward Olsworth-Peter,Dwight J. Zscheile,2025-10-07 A call for new ways of starting thriving church communities based on global case studies of churches who have innovated from within their local communities As many established churches struggle to connect with people in increasingly post Christian societies there has been a vital shift in focus toward starting new Christian communities Many of these new forms of church are incarnationally embedded in local contexts as leaders and neighbors together follow the Spirit's lead in asking What would church look like for us together in this place This book edited by two leading thinkers around innovation in the Church one from the United States the other from the UK brings a rich and international array of practitioners and scholars together to explore starting new contextual Christian communities as a way of life Addressing this from an incarnational go and stay model of mission it seeks to offer an alternative perspective Rather than provide another how to manual the authors go deeper into unpacking the spiritual foundations inward qualities and outward practices that make for faithful vibrant and sustainable leadership of new Christian communities Framed around fifteen paradigm shifting principles The Starter's Way offers a hopeful exploration of the open ended journey of developing new forms of church that are responsive to the Spirit and to the uniqueness of local neighborhoods      *Revelations from Revelation* Patrick M. footsteps of God's leading in the past present and future If there was ever a book that should be and is studied today it is the book of Revelation In fact God has pronounced a blessing on those who hear read and keep the words of Revelation May this book be a springboard to still greater light for you      **Slaves to Racism** Benjamin G. Dennis, Anita K. Dennis, 2008 American racism traps Blacks even in Africa Prof Dennis chronicles the compulsive and repetitious nature of racism and its destructive effects on peoples and societies Dr Dennis's observations of the twists of irony and misplaced pride on all sides will provoke a wry smile as well as dismay During the 1990s Liberia descended into civil war and anarchy African Liberian rebel groups roamed the countryside randomly killing as they vied for power Doe was killed by a segment of these rebel groups and warlord Charles Taylor eventually became president in 1997      Acts Eckhard J. Schnabel, 2016-05-24 Concentrate on the biblical author's message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God's Word the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author's original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes

**God's Bankers** Gerald Posner, 2015-02-03 A deeply reported New York Times bestselling exposé of the money and the clerics turned financiers at the heart of the Vatican the world's biggest most powerful religious institution from an acclaimed journalist with exhaustive research techniques The New York Times From a master chronicler of legal and financial misconduct a magnificent investigation nine years in the making God's Bankers traces the political intrigue of the Catholic Church in a meticulous work that cracks wide open the Vatican's legendary enabling secrecy Kirkus Reviews Decidedly not about faith belief in God or religious doctrine this book is about the church's accumulation of wealth and its byzantine financial entanglements across the world Told through 200 years of prelates bishops cardinals and the Popes who oversee it all Gerald Posner uncovers an eyebrow raising account of money and power in one of the world's most influential organizations God's Bankers has it all a revelatory and astounding saga marked by poisoned business titans murdered prosecutors and mysterious deaths written off as suicides a carnival of characters from Popes and cardinals financiers and mobsters kings and prime ministers and a set of moral and political circumstances that clarify not only the church's aims and ambitions but reflect the larger tensions of more recent history And Posner even looks to the future to surmise if Pope Francis can succeed where all his predecessors failed to overcome the resistance to change in the Vatican's Machiavellian inner court and to rein in the excesses of its seemingly uncontrollable financial quagmire As exciting as a mystery thriller Providence Journal this book reveals with extraordinary precision how the Vatican has evolved from a foundation of faith to a corporation of extreme wealth and power      The Missionary Review of the World , 1919      Generosity, Stewardship, and

Abundance Lovett H. Weems Jr., Ann A. Michel, 2021-05-09 God's purpose in calling us to lives of faithful stewardship and generosity isn't merely to sustain the church. Rather, the continued existence of the church is essential to sustain the powerful transformative message of our faith. Lovett H. Weems Jr. and Ann A. Michel present the Bible's redeeming and transforming message of generosity, stewardship, and abundance in this comprehensive guide to Christian financial responsibility. The book provides practical advice to pastors and church leaders tasked with funding ministry and inspiring others toward responsible stewardship and greater generosity. It addresses church fundraising, stewardship campaigns, budgets, financing capital needs, endowments, and innovative approaches to economic sustainability. The book integrates the theological and practical dimensions of finance to empower congregational leaders to think critically about stewardship from a Christian perspective, help them use their personal and congregational possessions in the light of faith. Impressions of America and the American Churches George Lewis (of Ormiston.), 1845 *Eternity Now* Peter Hiatt, 2003-08-14 Pastor Peter Hiatt hopes to reclaim the wonderful book of Revelation to show that it is not only about seven little churches in ancient Asia Minor or weird creatures and cataclysmic geothermal events in the distant future; it is about you NOW and Jesus NOW and the Kingdom come NOW. **Exalting Jesus in Revelation** Dr. Daniel L. Akin, David Platt, Tony Merida, 2016-11-01 Exalting Jesus in Revelation is part of the Christ-Centered Exposition Commentary series. This series affirms that the Bible is a Christ-centered book containing a unified story of redemptive history of which Jesus is the hero. It's presented as sermons divided into chapters that conclude with a Reflect/Discuss section, making this series ideal for small group study, personal devotion, and even sermon preparation. It's not academic but rather presents an easy-reading, practical, and friendly commentary. The series is projected to be 48 volumes. **Justified by Her Children** Roy G. Pollina, 2021-04-20 In May of 1958, Virginia newspapers were reporting that the Christ Church, Martinsville, Virginia, congregational leadership had declared that their bishop's plan to integrate the summer youth camp is both illegal and ill-advised and that they would oppose any intermingling of the races. Amid this controversy, a quiet revolution stirred among that congregation's young people uplifted by their youthful energetic priest, The Reverend Philip Gresham. When these brave young people stood with their bishop in favor of an integrated youth camp, their opinion was derided as youthful naiveté. It was suggested that they focus on their studies and leave such problems to the adults. Rather than discouraging them, their church leadership's humiliating dismissal inspired them to devise a more tangible expression of their position. They would acquire and present a gift, a peace offering, as a token of their solidarity with their bishop. Racism will not be finally eradicated by one large divisive victory. The wall of racism will be undone brick by brick by the brave deeds of little-known men, women, and young people doing the right thing. *Justified by Her Children: Small Deeds of Courage Confronting a Tradition of Racism* reminds us that evil often masquerades as the accepted way of doing things and that confronting evil is often seen as opposing the good order of society. *Justified by Her Children* is written in the hope that readers will gain a better understanding of how it was and from that understanding know better how to deal with

how it is today In easy to read clear and concise terms Justified navigates the tradition of racism from the Virginia colonial enslavers to the Massive Resistance of Virginia segregationist of the 1950s Justified by Her Children is ultimately a story of grace and forgiveness but not before it wends its way through the trial and execution of the African American Martinsville Seven past the whispers about the sexual orientation of the young single priest and a congregation in conflict over letting its white children eat a box supper with black children at a church mission event to benefit hungry brown children Unless and until you understand how it was when racism was legally and culturally accepted then you will not understand how it is that white privilege still exists or why Black Lives Matter
