Rich Church--poor Church? Enzo Gatti, 1974 *Rich Church--Poor Church? Some Biblical Perspectives* Enzo Gatti, 1974 Sharing Possessions Luke Timothy Johnson, 2011-01-24 This book is written as an exercise in theological reflection on one of the knottiest questions imaginable the connection between being a Christian and the way we own and use things When we turn to thinking about money and possessions we find ourselves in murky waters The things we own and use like our sexuality lie close to the bone of our individual and collective sense of identity So writes respected scholar Luke Timothy Johnson in his introduction to *Sharing Possessions* What Faith Demands Stepping purposefully into the murky waters of owning and sharing Johnson endeavors to clarify and define the ambiguous concept of human possession especially in relation to God's divine ownership and to discern the Bible's teaching on the mystery of human possessing and possessiveness This second edition reflecting thirty years of Johnson's further thinking on the subject features chapters expanded with fresh insights helpful new study questions for each chapter and a substantial epilogue updating the work All who found in Luke Johnson's treatment of possessions as part of the mystery of human existence a deeper and more fruitful approach to the problems of wealth and poverty will find in this new edition continued critical reflection and fresh insight Those for whom this is a first encounter will find out what made it worth reissuing after thirty years Sondra Ely Wheeler Wesley Theological Seminary

The Complete Layman's Guide To End Times Prophecy A Biblical Perspective Robert R. Ramirez, 2011-11 Have you looked around at the world and felt as though everything was falling apart America is struggling economically and no one has any answers Unemployment has been over 9% for over two years now It feels like the government is trying to take control of our lives There is speculation that Greece might collapse economically and if they do other European countries will follow suit The Middle East is in total chaos and very unstable with all these people rioting in the streets and wreaking havoc on their respective countries along with dictators falling and rising from power Iran is still telling everyone they are intent on annihilating Israel as they improve their nuclear capabilities As Christians our hope is in Jesus Christ we know that our God is sovereign so all the chaos in the world has no effect on how God brings the world to an end But the end is in sight and people are looking for something certain in this world There are so many questions Christians have regarding End Times Prophecy and do not understand simply because the church has not fulfilled its purpose in rightly dividing the Word of truth for the saints The Complete Layman's Guide to End Times Prophecy will bring together all the questions one might have regarding the end of the world and the return of the Warrior King Jesus Christ to this earth to set up His millennial kingdom This book is clear concise and cogent in its message and attempts to address all End Times Prophecy questions Doctor Robert Ramirez B A Political Science College of Santa Fe B A Pastoral Studies Moody Bible Institute MDiv The Master's Seminary DMin Trinity Southwest University Pastor Alive In Christ Bible Church President and Founder New Mexico Bible Institute Bookstore Catalog of Copyright Entries. Office,1976 **Christian Discrepancy, Disputes, Disservice and Devious Behaviour: 'An Evangelical Perspective'**

Rev Anthony George Small,2012-04-12 This book will give the reader a better understanding as to why there are different organizations denominations one Bible but so many interpretations conflicts and warfare among believers and corruption that is filtered down from leadership to the congregation as a spark that can either set off a fire or cause financial material and wealth gluttons to follow and pursue their devious ways of deception Jewish and Christian Views on Bodily Pleasure

Robert Cherry,2018-10-01 At the beginning of the Common Era Jewish renewal movements including Jesus ministry had similar views embracing moderate ascetic behavior Over the next three centuries however they moved in opposite directions Christianity came to firmly privilege anti pleasure views and female lifelong virginity while the Babylonian Talmud strongly embraced positive views on bodily pleasures and female sexuality The books most distinguishing feature is that it is the first time that one book contrasts in detail the evolution of Christian and Jewish ascetic beliefs More than other books it systematically presents the critical role played by Babylonian Jewry how they became the center of world Jewry with the virtual extinction of the Palestinian community their decisive rejection more so than the Palestinian community of any ascetic tendencies and how they came to migrate to the European continent during the medieval period It concludes by relating how the eighteenth century Hasidic movement and the nineteenth century Irish devotional movement reestablished the contrasting views that helps explain why Jewish immigrants and not Irish Catholics came to dominate twentieth century vaudeville **The Human Condition in Biblical Perspective**

Harold C. Warlick,1998 A renowned Christian communicator revises portions of his previously published material and together with a newly organized thematic format and updated focus addresses the religious issues and questions of our day In today s clamoring society Warlick applies theological reflection and ethical study to troubling and difficult issues Hal Warlick is a foremost Christian educator preacher who is not afraid to handle some of the most difficult theological and ethical issues But he writes every day language as he makes the connection between biblical concepts and emergent human conditions Each chapter is accompanied by Scripture reference and appropriate footnotes **A Gendered African Perspective on Christian Social Ethics**

Joseph Loïc Mben, S.J.,2021-03-09 Combining Catholic social teaching feminist and African liberation theology and the social sciences Joseph Loïc Mben SJ develops a contextual gendered African Christian social ethic that addresses the oppression and marginalization of working women in Sub Saharan Africa He focuses primarily on African women from working and poor classes living in either urban or rural settings particularly in Cameroon and thus shows the necessity of inflecting Catholic social teaching along the differential of gender A Biblical Perspective on How to Handle Worry and Fear

Understanding and Overcoming Your Emotional Issues-A Biblical Perspective and Solution Waltere Koti, 2023-02-09 If you were to watch the news lately you will notice that opioid addiction has been declared a national crisis as many turn to drugs and other substances like alcohol marijuana cocaine wine and spirits to control their mind and thought process Many also turn to psychiatrists to get relief from prescription medication All these drugs legal or illegal have one thing in common temporal and intermittent control of your feelings emotions and mind A few years ago while training as chaplain we had a guest speaker who is a psychiatrist with more than thirty years experience She came to give a speech on emotional issues and I raised my hand and asked her this fundamental question what causes depression Her response was Cause is unknown This response troubled me as I thought to myself if the cause is unknown then why are millions of people being medicated This book seeks to answer a fundamental question are emotional issues like loneliness fear anxiety depression and suicidal thoughts medical or spiritual issues Your response to this question will determine where you go for help

CHURCHES FOR SALE WHERE HAVE THE CHRISTIANS GONE? A Choir Boy's Perspective S.N. Duru, 2025-04-13 Actions have consequences Since the 1960s many churches have

been deconsecrated sold and turned into commercial use Did the post apostolic church follow the easy Broadway or the narrow and difficult way that leads to life That Jesus died for our past present and future sins is not the narrow and difficult way but the easy way that leads to moral decline The United States has produced great preachers There was Billy Sunday Dwight L Moody Evelyn Wyatt Rex Humbard Oral Roberts Robert Schuler and Billy Graham They did their best but the world was better when they started preaching than when they passed away The same will be said about the current batch of preachers This is not prophecy it is ongoing reality The moral decline will continue because the Imperial Church did not fully implement the Great Commission Consequently in 2 000 years the church has done what the Mother Church of Jews and Gentiles would not have done Because of the dissonance between the Gospel of Jesus Christ and the practice thereof disaffected Christians leave and their churches are sold The moral decline can be controlled or reversed Learn about Who opened the Pandora s box The church Establishment Regent or Executor A Moratorium on the Epistles The Deer in the Jungle A Tale of two faith Traditions Christianity for Dummies Prayers for what The case for cultural Populism Capitalism Culture and Empty Pews War and Peace When Pastors Retire This is a must read before leaving this world **ThirdWay**,1978-11 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **The City in Biblical Perspective** J.W. Rogerson,John Vincent,2014-12-18 The city is an ambiguous symbol in the Bible The founder of the first city is the murderer Cain The city of Jerusalem is the place chosen by God yet is also a place of wrong doing and injustice Jesus seems to have largely avoided cities except Jerusalem where he was crucified The City in Biblical Perspective examines the archaeological and social background of the urban biblical world and explores the implications of the deliberate ambiguities in the biblical text The book aims to deepen our understanding of both the biblical and the contemporary city by asking how the Bible s complex understanding of the city can illuminate our own ever more urban time Christian Perspectives on Sociology Stephen Grunlan,Milton Reimer,2001-04-02 The Bible and Politics in Africa Joachim Kügler,Masiwa Ragies Gunda,2012 Section 1 The Bible and broad political discourses in Africa Rewriting the Bible or de biblifying the public sphere Proposals and propositions on the usage of the Bible by public figures in Zimbabwe by Masiwa Ragies Gunda The Bible and the quest for democracy and democratization in Africa the Zimbabwe experience by Eliot Tofa The Bible and the quest for developmental justice the case of orphans in Namibia by Jannie Hunter The Bible in the service of pan africanism the case of Dr Tafataona Mahoso s pan african biblical exegesis by Obvious Vengeyi The ANC s deployment of religion in nation building from Thabo Mbeki to the RDP of the soul to Jacob Zuma by Gerald West The Bible and democracy in Africa how biblical science can contribute towards the establishment of plurality and democracy the Bible as a relevant tool in the quest for engendering plurality by Jephthah Kiara Gathaka Section 2 Some readings of the Bible in for political discourses in Africa Contextual theological reading of the Bible with indigenous communities the case of the Basarwa San in Botswana by Moji Ruele A theological reflection on Romans 13 1 7 in the 21st century Zimbabwean politics

Byars, 2011-01-01 The third volume in the exciting new Interpretation series offers a comprehensive look at the theology of sacraments For many church people worship is about preaching and music Baptism and the Lord s Supper are occasional additions to Sunday services Recognizing that church goers are uncertain about the need for sacraments Ronald Byars describes the possibility that the very doing of worship the actions observed the postures assumed the sound and sight of water the smell and taste of bread and wine will subtly alter the temper of the heart and the mind If we encounter the sacraments honestly they lead us to the very heart of the gospel **Linking Arms, Linking Lives** Ronald J. Sider, John Perkins, F. Albert Tizon, 2008-10-01 Among the various lines drawn between people in the church male and female young and old black and white rich and poor Republican and Democrat there is the line between the urban and the suburban The stereotypes of the edgy socially active multicultural urban Christian and the middle class comfortable upwardly mobile suburban Christian mix fact and fiction Linking Arms Linking Lives looks beyond stereotypes and makes a compelling case for partnership that crosses urban and suburban for effective ministry among the poor Drawing from a growing network of development practitioners pastors and theologians this book focuses on the experiences of partnership between urban and suburban entities to provide both theological foundations and practical guidelines for those who desire to partner effectively All who want to find viable ways to help the poor will welcome this thoughtful and hope filled book Includes a Foreword by Noel Castellanos New Perspectives on Healing, Restoration and Reconciliation in John's Gospel Jacobus Kok, 2016-10-05 In New Perspectives on Healing Restoration and Reconciliation in John Jacobus Kokus Kok investigates the depth and applicability of Jesus healing narratives in John s gospel Against the background of an ancient group oriented worldview it goes beyond the impasse of most Western approaches to interpreting the Biblical healing narratives to date He argues that the concept of healing was understood in antiquity as in some parts of Africa in a much broader way than we tend to understand it today He shows inter alia why the interaction between Jesus and the Samaritan

woman could be interpreted as a healing narrative illustrating the ancient interrelationship between healing restoration and reconciliation
