the story of how the British Empire's quest for food shaped the modern world Told through twenty meals over the course of 450 years from the Far East to the New World Collingham explains how Africans taught Americans how to grow rice how the East India Company turned opium into tea and how Americans became the best fed people in the world In The Taste of Empire Collingham masterfully shows that only by examining the history of Great Britain's global food system from sixteenth century Newfoundland fisheries to our present day eating habits can we fully understand our capitalist economy and its role in making our modern diets He is our cousin, Cousin Antony Barlow,2017-04-30 Emminent ancestors include James Lancaster 1610 1699 a member of the Valiant Sixty the earliest activists of the Society of Friends John 1822 1880 and Joseph 1827 1880 Cash who started the silk weaving business in Coventry in 1846 later famous for their name tapes Professor John Barlow 1815 1856 professor of Veterinary Studies at Edinburgh University and introduced the microscope there General George Monck 1608 1670 restored Charles II to the throne George Cadbury 1839 1922 founder of the Cadbury chocolate business and the model village of Bournville John Camden Neild 1780 1852 who gave his entire fortune of half a million pounds to Queen Victoria the year before she bought Balmoral John Henry Barlow 1855 1924 Quaker Yearly Meeting Clerk during the Great War leading pacifist and first Director of the Bournville Village Trust Jonathan D Carr 1806 1884 founder of Carr's water biscuits Samuel Bowly 1802 1844 anti slavery campaigner and friend of Wilberforce A Dictionary of Writers and their Works Christopher Riches,Michael Cox,2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer's nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication **British Working Class women authors (born before 1962) a list** Stefan Szczelkun ,2025-06-07 A collection of Wikipedia articles edited reformatted and with additions In chronological order References and sections on non literary activity are sometimes omitted hopefully not to the point of misrepresenting the author which might include feminist or political activism To my surprise the biographical material on Wikipedia was sometimes mesmerising although it was uneven Where there were gaps I have tried to fill them from other sources Refer back to the wikipedia articles for more context and references in some cases and if you have a verified source of information please update the Wikipedia article Wikipedia is published under a creative commons licence So this compilation also carries a creative commons licence Introduction Looking through Sarah Richardson's Writing on the Line 1996 I was struck by how many of the working class women writers were from North America and how many more were poets Howard Slater had made a list of British working class male novelists and I selected British woman writers from Writing on the Line and found that most of them now have

Wikipedia pages I first made a list of links Wanting to take this further I first looked to focus on novels and short story writers but this category started to break up as many writers wrote in many idioms producing fact fiction poetry plays screenwriting and journalism I decided on an arbitrary cut off point of writers born before 1962 When I first made the list I was thinking how few working class women novelists had been published in this period But then the lists of books by each author started to stack up and there s plenty to read and much that I missed even really hearing about Of course it focuses on the most successful others who produced a community published autobiography or self published novel did not get a Wikipedia page and they should really be included every life counts Others only published an autobiography perhaps in the last years of life but were extraordinary writers and people We could also discuss the genre snobbery in literary circles that puts crime young peoples literature romantic and fantasy fiction and perhaps historical based narratives in a lower category than the novel

**Solway Country** Allen J. Scott, 2014-11-19 The Solway Country the lands surrounding the inner Solway Firth constitutes one of the many small regional worlds of the British Isles that are remarkable for the ways in which their landscapes evoke a powerful sense of territorial identity rooted not only in their physical appeal but also in the richness and distinctiveness of their human history and geography The Solway Country is an archetypical but hitherto little known exemplar of places like these This book captures the spirit and substance of the Solway Country's allure by means of a series of layered narratives dealing with its natural milieu its past social and political turmoil its changing forms of rural and agrarian life and its responses to the industrial and urban forces that were unleashed in Britain after the eighteenth century The Solway Country has the added charm of being partly in England and partly in Scotland so that its personality partakes of elements of both At the same time the region exhibits a composite geographic unity derived from the central physical feature of the Solway Firth itself and from the many common aspects of local life and livelihood that have left deep imprints on the landscape This unity is expressed symbolically in the peculiar hybrid culture of ballads and songs that emerged alongside the theft murder and mayhem that raged in the Anglo Scottish marchlands in the days of the border reivers
