Richard Hatfield The Seventeen Year Saga:

Richard Hatfield Richard Starr,1987 When New Brunswick Liberals crushed Richard Hatfield s Conservative government in the1987 election winning every seat in the legislature it marked the end of a high flying political career comprehending everything from high performance sports cars to ignominious drug busts Richard Starr chronicles the dramatic events of Richard Hatfield s seventeen years as premier of New Brunswick The author recounts Hatfield s many legislative successes his reform of political party finance and French language legislation He chronicles the failures and scandals as well from the millions squandered on the Bricklin project to Hatfield s arrest for marijuana possession on the brink of the 1987 election Richard Hatfield The Seventeen Year Saga is a fascinating full account of the political career of one of Canada s most controversial leaders

The Acadians James Laxer,2010-05-14 An evocative and beautifully written history of some of Canada s earliest settlers and their search for a definitive home In 1604 a small group of migrants fled political turmoil and famine in France to start a new colony on Canada s east coast Their roughly demarcated territory included what are now Canada s Maritime provinces land that was fought over by the British and French empires until the Acadians were finally expelled in 1755 Their diaspora persists to this day The Acadians is the definitive history of a little known part of the North American past and the quintessential story of a people in search of their identity In the absence of a state what defines an Acadian is elusive and while today s Acadian community centred in New Brunswick is more confident than ever it is entering a contentious debate about its future James Laxer s compelling book brilliantly explores one of Canada s oldest and most distinct cultural groups and shows how their complex often tragic history reflects the larger problems facing Canada and the world today

The Atlantic Provinces in Confederation E. R. Forbes,Ernest R. Forbes,Delphin Andrew Muisse,Bill Parenteau,1993-01-01 The Atlantic Provinces cover New Brunswick Nova Scotia Prince Edward Island and Newfoundland

In the Spirit of '68 Joel Belliveau,2019-11-01 The 1960s were a victorious decade for francophones in New Brunswick who witnessed the election of the first Acadian premier and the opening of a French language university But in 1968 students took to the streets of Moncton demanding further concessions What provoked these students to spark a cultural revolution on par with those overtaking English Canada and Quebec Were they simply heirs to a long line of nationalists seeking more rights for francophones as older histories suggest or were they leftists whose demands echoed the ideas of student movements in Quebec English Canada the United States and France Belliveau argues that the student movement emerged in the late 1950s as an expression of the province s changing youth culture but then evolved as students drew inspiration from the ideas of the New Left shifting allegiance from liberalism to radical communitarianism and ultimately fuelling the fires of a new brand of Acadian nationalism in the 1970s

The Age of Consequence Charles J. McMillan,2022-04-07 Since the election of Pierre Trudeau in 1968 Canada has had nine prime ministers a series of minority governments as many as sixteen leaders of the opposition and a turnover of party leaders in provincial governments This

rotation shows the vibrant nature of the Canadian political system which combines a measure of continuity and stability with change and policy innovation The Age of Consequence provides an insider's account of Canada's political environment over the last fifty years Focusing on the key personalities leaders and political parties of the era Charles McMillan reveals the reality of policy change in a world in flux bound by institutional constraints and propelled by personalities that advance or derail policy initiatives Choosing four policy themes economic competitiveness social justice national reconciliation and constructive internationalism the book traces Canada's policy evolution As a federation Canada's political system is shaped by policy initiatives leadership campaigns national elections the planning and machinery of governance and the strengths of its various leaders from John Diefenbaker and Lester B Pearson to Justin Trudeau Based on McMillan's personal experience as senior policy advisor to Prime Minister Brian Mulroney as well as on interviews policy papers and memos The Age of Consequence sheds light on how public policy is made the conflicts facing senior members of the government and the unique burdens placed on prime ministers

Big Worlds Jared J. Wesley, 2016-01-01 *Colossal Canadian Failures* Randy Richmond, Tom Villemaire, 2002-09-01 Did you hear the one about the canal builder who forgot canals need water The battle where everyone ran away Or the boat made of ice and the town that mixed up time How about the shovel invented for soldiers with a hole in it Colossal Canadian Failures is a lighthearted look at Canada's unsung heroes the eccentrics the failures the misguided and the just plain overoptimistic who never met an idea they could resist no matter how crazy From engineering blunders to business and political failures and more Colossal Canadian Failures provides a muchneeded ego boost for anyone who thinks they've said oops one too many times

The Yugo Jason Vuic, 2024-03-26 Six months after its American introduction in 1985 the Yugo was a punch line within a year it was a staple of late night comedy By 2000 NPR's Car Talk declared it the worst car of the millennium And for most Americans that's where the story begins and ends Hardly The short unhappy life of the car the men who built it the men who imported it and the decade that embraced and discarded it is rollicking and astounding and one of the greatest untold business cum morality tales of the 1980s Mix one rabid entrepreneur several thousand good communists a willing U S State Department the shortsighted Detroit auto industry and improvident bankers shake vigorously and you've got The Yugo The Rise and Fall of the Worst Car in History Brilliantly recreating the amazing confluence of events that produced the Yugo Yugoslav expert Jason Vuic uproariously tells the story of the car that became an international joke The American CEO who happens upon a Yugo right when his company needs to find a new import or go under A State Department eager to aid Yugoslavia's nonaligned communist government Zastava Automobiles which overhauls its factory to produce an American ready Yugo in six months And a hole left by Detroit in the cheap subcompact market that creates a race to the bottom that leaves the Yugo at the bottom

The History of Canada Series - The Last Act: Pierre Trudeau Ron Graham, 2011-04-05 Between the morning of Wednesday November 4 and the morning of Thursday November 5 1981 a fateful drama unfolded that changed Canada forever In one last attempt to renew

the constitution with the consent of the provinces Prime Minister Pierre Elliott Trudeau met behind closed doors in Ottawa with the ten premiers It was the culmination of more than five decades of constitutional wrangling and has been called the most important conference since the Fathers of Confederation got together in Quebec City in 1864 Faced with the threat of Quebec independence the ambitions of Western Canada and the provinces demands for more power Trudeau was embattled But he was fiercely determined to make Canadians fully independent and to entrench a Charter of Rights and Freedoms What happened that day still reverberates It severed the last important link to Canada s colonial past It guaranteed individual liberty and minority rights in the future It weakened the grip of the elites and gave ownership of the constitution to Canadians But it came at a price Quebec alone refused to sign the final deal Ren L vesque its separatist premier claimed he had been betrayed by his allies in the Gang of Eight The legend of the Night of the Long Knives took hold precipitating a series of events that came close to destroying the country Thirty years later author Ron Graham delivers a gripping account of the fractious debates and secret negotiations He uses newly uncovered documents and the candid recollections of many of the key participants to create a vivid record of that momentous twenty four hours Authoritative and engaging *The Last Act* is a remarkable combination of scholarly research and historical narrative [Canada Since 1945](#) Robert Bothwell, Ian Drummond, John English, 1989-12-15 From the preface A visitor seeing Canada for the first time since 1939 might well conclude that Canada even more than nations devastated by war has become another country On the surface so much remains the same the Liberals prevail in Ottawa the provinces quarrel with Ottawa and among themselves and we worry about Americans in our future But most of the pieces have been rearranged and the effect of the picture is quite different This is a book about our own times and as such it expresses definite views No reader will agree with everything we say We have not tried to end debate we have tried to clarify and broaden We trust that our readers will be encouraged to seek for themselves a better understanding of where Canadians have been and what they have become Electronic Format Disclaimer Images removed at the request of the rights holder *Dream Car* Dimitry Anastakis, 2024-03-26 *Dream Car* tells the story of entrepreneur Malcolm Bricklin s fantastical 1970s era Safety Vehicle 1 SV1 audaciously launched during a tumultuous breakpoint in postwar history The tale of the sexy yet safe SV1 reveals the influence of automobiles on ideas about the future technology entrepreneurship risk safety showmanship politics sex gender business and the state as well as the history of the auto industry s birth decline and rebirth Written as an open road the book invites readers to travel a narrative arc that unfolds chronologically and thematically *Dream Car* s seven chapters have been structured so that they can be read in any order determined by whichever theme each reader finds most interesting The book also includes a musical playlist of car songs from the era and songs about the SV1 itself **Executive Styles in Canada** Luc Bernier, Keith Brownsey, Michael Howlett, 2015-05-07 Canada s political regime is centred on the existence of a federal system of government within the institutions of Westminster parliamentary democracy This system places a great deal of political power in the hands of

cabinet ministers and while cabinet systems of government in Canada have evolved at different speeds in different federal and provincial governments they have over the last two decades increased centralization of administrative and legislative control in ever fewer hands This shift has been well demonstrated by scholars such as Donald J Savoie regarding the federal system but little examined in the context of provincial governance Executive Styles in Canada places equal emphasis on both levels explaining how and in what way cabinet systems have conformed to or diverged from this general pattern This unique collection is the only systematic cross provincial study of its kind and is certain to be of great benefit to anyone interested in the structure of government in Canada **Creating Postwar Canada** Magda Fahrni, Robert Rutherford, 2008-07-01

Creating Postwar Canada showcases new research on this complex period exploring postwar Canada's diverse symbols and battlegrounds Contributors to the first half of the collection consider evolving definitions of the nation examining the ways in which Canada was reimagined to include both the Canadian North and landscapes structured by trade and commerce The essays in the latter half analyze debates on shopping hours professional striptease the provider role of fathers interracial adoption sexuality on campus and illegal drug use issues that shaped how the country defined itself in sociocultural and political terms This collection contributes to the historiography of nationalism gender and the family consumer cultures and countercultures **Democracy with Justice/La juste démocratie** Alain-G. Gagnon, Brian Tanguay, 1992-05-15 The essays

in this volume 22 in English 5 in French examine themes important to the late Professor Paltiel including individual vs collective rights constitutional change lobbying and modern Quebec politics **Past Futures** Ged Martin, 2004-12-15 By nature human beings seek to make sense of their past Paradoxically true historical explanation is ultimately impossible Historians never have complete evidence from the past nor is their methodology rigorous enough to prove causal links Although it cannot be proven that A caused B by redefining the agenda of historical discourse scholars can locate events in time and place history once again at the heart of intellectual activity In Past Futures Ged Martin advocates examining the decisions that people take most of which are not the result of a process but are reached intuitively Subsequent rationalizations that constitute historical evidence simply mislead All historians can do is to locate them in time to explain not why a decision was taken but why then To illustrate Martin asks a number of questions What is a long time in history Are we close to the past or remote from it Is democracy a recent experiment or proof of our arrival at the end of a journey through time Can we engage in a historical dialogue with the past without making clear our own ethical standpoints Although explanation is ultimately impossible humankind can make sense of its location in time through the concept of significance a device for highlighting events and aspects of the past In so doing Martin suggests a radical new approach to historical discourse *Rivals for Power: Ottawa and the Provinces* Ed Whitcomb, 2017-05-01 *Rivals for Power* Ottawa and the Provinces tells the story of the politicians who continually contend over the division of power and money between Ottawa and the provinces The heroes and villains of this story include many of the leading lights of Canadian history from John A

Macdonald Wilfred Laurier and Maurice Duplessis to Pierre Trudeau Joe Clark Bill Davis Peter Lougheed and Jean Chretien The unique feature of this book is its focus no matter what their policies Canadian politicians over the years have engaged in an ongoing push and pull over power with both successes and failures As Whitcomb sees it the success of the provinces at preventing Ottawa from becoming the overwhelming power in Canadian life has been the key to the country's stability and its cultural cohesion But the failure of the provinces to achieve an equal measure of power and the growing gap between the have and have not provinces stands as an ongoing challenge and threat to the country's unity

Sustainable Energy Transitions in Canada Mark Winfield, Stephen Hill, James Gaede, 2023-11-15 Canadian energy systems need to evolve Beyond providing essential energy services they must respond to climate change enhance social justice and remain sensitive to local cultures and traditions Can they do this and still make financial sense Sustainable Energy Transitions in Canada gathers experts from across the country to share perspectives on leading theories and practices Contributors first deal with the conceptual aspects of energy transitions investigating such topics as energy justice and poverty the decolonization of energy community energy planning the role of energy systems modelling and links between energy and climate change policy Building on this foundation they offer case studies that cover the North the Atlantic region Quebec Ontario Alberta and British Columbia along with crucial but difficult to decarbonize sectors like transportation and space heating Running throughout this comprehensive discussion is a common thread the importance of paying attention to wider sustainability goals and distributional justice in the process of decarbonizing the Canadian economy

Just One Vote Ian Stewart, 2009-04-30 On January 12 1986 Jim Walding was nominated as the New Democratic Party candidate for the Manitoba constituency of St Vital Although Walding had been an MLA for fifteen years he had fallen out of favour with key elements in his party and won the nomination by only a single vote Walding went on in turn to bring down his own government by a single vote marking the only time in the history of Canadian politics that a majority government was brought down from within Combining data drawn from archives interviews and the media Just One Vote is a vivid and exceptionally detailed study of the nomination process Ian Stewart outlines the geographic social and political backdrop behind Walding's contested party nomination the unusual chain of events triggered by the contestation including the fall of the Pawley government and the NDP's defeat in the 1988 provincial election and examines the fallout from these events on Manitobans and Canadians
