from Richard Mansfield the Man and the Actor This work was undertaken with the intention of making a permanent record of the events and achievements of Richard Mansfield s life and of presenting through them the personal side of his large and complex character as he revealed it to his intimates The only real acquaintance the public had with him was through the personality of the characters which he acted No attempt has been made to give a searching analysis of these

characterisations for this is a record of facts rather than of opinions Wherever this purpose appears to have been departed from it has been only with the idea of offering side lights which would illuminate the facts The narrative is based first of all on the confidences of his wife on my own intimate acquaintance extending over the last ten years of his life and on unreserved access to all his papers and letters It has been elaborated and verified by the generous cooperation of friends and collectors in many parts of America and England to whom I beg to offer this word of thanks About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
