[Macabre Manifesto](#) , [A Mystery of Mysteries](#) Mark Dawidziak, 2023-02-14 An Agatha Edgar Anthony Macavity and Ohioana Award nominee *A Mystery of Mysteries* is a brilliant biography of Edgar Allan Poe that examines the renowned author's life through the prism of his mysterious death and its many possible causes It is a moment shrouded in horror and mystery Edgar Allan Poe died on October 7 1849 at just forty in a painful utterly bizarre manner that would not have been out of place in one of his own tales of terror What was the cause of his untimely death and what happened to him during the three missing days before he was found delirious and in great distress on the streets of Baltimore wearing ill fitting clothes that were not his own Mystery and horror Poe who remains one of the most iconic of American writers died under haunting circumstances that reflect the two literary genres he took to new heights Over the

years there has been a staggering amount of speculation about the cause of death from rabies and syphilis to suicide alcoholism and even murder But many of these theories are formed on the basis of the caricature we have come to associate with Poe the gloomy eyed grandfather of Goth hunched over a writing desk with a raven perched on one shoulder drunkenly scribbling his chilling masterpieces By debunking the myths of how he lived we come closer to understanding the real Poe and uncovering the truth behind his mysterious death as a new theory emerges that could prove the cause of Poe s death was haunting him all his life In a compelling dual timeline narrative alternating between Poe s increasingly desperate last months and his brief but impactful life Mark Dawidziak sheds new light on the enigmatic master of macabre *Focus On: 100 Most Popular Television Series by Universal Television* Wikipedia contributors, [MONSTER MAGAZINE NO.6 COVER C by VANCE CAPLEY](#) Vance Capley,2019-06-05 Monster Magazine no 6 is LOADED with tons of information about Kolchak the Night Stalker from Mark Dawidziak Sterling Clark and the Monster Magazine staff Warner Todd Huston writes about TV horror host Svengoolie We vist with Horror Host of the month the Unusual Stranger and much much more This edition sports a cover by Vance Capley **MONSTER MAGAZINE NO.6 COVER B by STERLING CLARK** Vance Capley,2019-06-05 Monster Magazine no 6 is LOADED with tons of information about Kolchak the Night Stalker from Mark Dawidziak Sterling Clark and the Monster Magazine staff Warner Todd Huston writes about TV horror host Svengoolie We vist with Horror Host of the month the Unusual Stranger and much much more This edition sports a cover by Sterling Clark **The Shawshank Redemption Revealed** Mark Dawidziak,2019-08-09 A 25th anniversary history and celebration of The Shawshank Redemption one of the most cherished American films of the late twentieth century and one of the finest movies made from a Stephen King story The movie not only boasts a great story it has a great backstory starting with the dollar deal that eventually led King and co stars Tim Robbins and Morgan Freeman to put their trust in a largely untested director making his first feature film Although the film received mostly positive reviews on its release in September 1994 the box office was disappointing and it failed to win many awards But as Andy tells Red in the film no good thing ever dies The movie found new life reaching an ever growing audience on cable and home video through word of mouth it became one of the top rented movies of 1995 Each year The Shawshank Redemption rises in polls asking film fans to name their favorite movies It has become nothing less than this generation s The Grapes of Wrath an inspiring story about keeping hope alive in bleak times and under the most horrendous conditions **Vampire Films of the 1970s** Gary A.
