Richard Prince Check Painting:

Richard Prince Richard Prince, Gagosian Gallery (Los Angeles, Calif.), 2005 *Richard Prince* Richard Prince, 2005

Richard Prince Richard Prince, 2008 Ilse Zhalina is the daughter of one of Melnek's more prominent merchants. She has lived most of her life surrounded by the trappings of wealth and privilege. Many would consider hers a happy lot. But there are dark secrets especially in the best of families. Ilse has learned that for a young woman of her beauty and social station to be passive and silent is the best way to survive. When Ilse finally meets the older man she is to marry, she realizes he is far crueler and more deadly than her father could ever be. Ilse chooses to run. This choice will change her life forever. And it will lead her to Raul Kosenmark, master of one of the land's most notorious pleasure houses and who is, as Ilse discovers, a puppetmaster of a different sort. Altogether, Ilse discovers a world where every pleasure has a price and there are levels of magic and intrigue she once thought unimaginable. She also finds the other half of her heart. *Passion Play* is Beth Bernobich's first novel. *Richard Prince* Richard Prince, 1988 **Richard Prince: Paintings, Photographs [text booklet]** Richard Prince, 2002 *Richard Prince: Paintings* Richard Prince, 2002 **Richard Prince** Richard Prince, 1988 *Protest Paintings* Richard Prince, 2014-06-01 Together for the first time in a comprehensive exhibition, Skarstedt is delighted to present Richard Prince's *Protest Paintings* 1989-1994, the artist's sixth solo exhibition at the gallery. Devoted solely to this exceptional body of work and including paintings from across the entire series, the detailed catalogue of the *Protest Paintings* was published to accompany the exhibition. Featuring paintings from public and private collections, the exhibition demonstrates the breadth of Prince's creativity in this singular body of work. The range of paintings on show includes monochrome canvases with printed and handwritten jokes, patterned canvases with block text and brightly coloured abstract compositions overlaid with graffiti and drip marks. Rising to prominence in the 1980s, Richard Prince is a celebrated pioneer of a critical approach to art making. Appropriating images and text from advertising and popular culture, his photographs, sculptures and paintings explore ideas of American identity and consumerism whilst simultaneously challenging ideas of authorship and the privileged status of the unique artwork. Prince has been the subject of solo exhibitions at leading institutions worldwide, including Serpentine Gallery London, Solomon R. Guggenheim Museum New York, Whitney Museum of American Art New York and IVAM Valencia, amongst others. *Richard Prince: Super Group* Richard Prince, 2017-12-15

While Richard Prince, born 1949, is most often discussed for his strategies as an appropriation artist from the Marlboro cowboys in the 1980s to the Instagram portraits today, it is his own work as a painter that stands at the center of his approach, starting with paintings of jokes and cartoons, following up with, among other things, nurses and cowboys taken from the covers of dime novels and freewheeling riffs on Picasso and de Kooning. For his extensive new series *Super Group*, Prince uses objects loaded with meaning: the inner sleeves of vinyl records which he collages on canvas and then overpaints with band names, abstract washes and funny figures. Richard Prince's *Super Group* presents 51 works in this new series, engaging
