Richard Kern, Richard Prince, 2011 Richard Kern's gloriously natural girls These photographs may strike some people as

sexist and others as sexy Either way they are uncommonly visceral The New York Times New York Richard Kern likes real women unpretentious unadorned and definitely undressed Those who love Kern know each book is an invitation to join him in his privileged world where natural young women share their most intimate moments Kern has never lost his boyish curiosity with girls and their secrets so instead of posing them in sterile sets he follows them through the house or rather his New York apartment from backyard to kitchen to bathroom to bedroom capturing every sexy and embarrassing moment Action is his most revealing book yet But we know that sometimes it can be a little risky to look at a book this revealing in public so this special edition comes with TASCHEN s clever new Panic Cover feature to end public censure once and for all Simply slip off the attractive but explicit cover reverse and redress your book for a sedate look perfect for all occasions For 240 pages we will still be careening through the life of Kern accompanied by dozens of energetic fun loving clothes dropping exhibitionists but those ladies in the park will think you re reading The Decline and Fall of the Roman Empire Young women want to show the world they re not like their man hating women s lib mothers a Kern model once told me and these girls certainly get the point across To further assist the young ladies in their rebellion the book includes an hour long DVD of original Kern film with an exclusive musical score by Thurston Moore of Sonic Youth Way to stick it to the Mom ladies And thank you Richard you lucky dog Dian Hanson
