Race in Modern Irish Literature and Culture John Brannigan, 2020-01-19 This book sets out to expose through a combination of literary cultural and historical analysis the fictive nature of Irish monoculturalism and to probe figurations of racial identity racial difference and foreignness in Irish culture

Modern Irish Writers Alexander G. Gonzalez, 1997-08-26 While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940 the Irish Renaissance has continued to the present day and shows no sign of abating The period has produced some of the most important and influential figures in Irish literature some of whom are counted among the world's greatest authors The Revival saw a reestablishment of Ireland's literary connections with its Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past James Joyce boldly reshaped the novel and wrote short fiction of enduring value Contemporary Irish writers continue to be leading figures and include such authors as Brian Frigl Seamus Heaney and Eavan Boland Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers including Samuel Beckett William Trevor Patrick Kavanagh Medbh McGuckian Sean O Casey J M Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author's career a discussion of major works and themes an overview of the author's critical reception and a bibliography of primary and secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while an extensive bibliography concludes the volume

The Oxford Handbook of Modern Irish Theatre Nicholas Grene, Chris Morash, 2016-07-28 The Oxford Handbook of Modern Irish Theatre provides the single most comprehensive survey of the field to be found in a single volume Drawing on more than forty contributors from around the world the book addresses a full range of topics relating to modern Irish theatre from the late nineteenth century to the most recent works of postdramatic devised theatre Ireland has long had an importance in the world of theatre out of all proportion to the size of the country and has been home to four Nobel Laureates Yeats Shaw and Beckett Seamus Heaney while primarily a poet also wrote for the stage This collection begins with the influence of melodrama and looks at arguably the first modern Irish playwright Oscar Wilde before moving into a series of considerations of the Abbey Theatre and Irish modernism Arranged chronologically it explores areas such as women in theatre Irish language theatre and alternative theatres before reaching the major writers of more recent Irish theatre including Brian Friel and Tom Murphy and their successors There are also individual chapters focusing on Beckett and Shaw as well as a series of chapters looking at design acting and theatre architecture The book concludes with an extended survey of the critical literature on the field In each chapter the author does not simply rehearse accepted wisdom all of the contributors push the boundaries of their respective fields so that each chapter is a significant contribution to scholarship in its own right

Workshop company at the Theatre Royal Stratford East London in 1958 *The Hostage* is a play about a Cockney soldier held as a hostage in a Dublin lodging house in exchange for an IRA man who is to be hanged in Belfast Civic Guards accidentally shoot him in a raid on the house It is a witty and often profound comment on Anglo Irish relationships and on the Irish themselves This is Behan's best known and most popular play and a classic of the modern stage A magnificent entertainment which crowds in tragedy and comedy bitterness and love caricature and portrayal ribaldry and eloquence patriotism and cynicism Harold Hobson *The Times* *The Complete Plays* Brendan Behan, 1978 This work includes Behan's complete dramatic works in English three full length plays and three one act plays with biographical details on Behan and the Irish Republican Movement *A Reader's Guide to Fifty Modern British Plays* Benedict Nightingale, 1982 First pub 1982 by Pan as An introduction to fifty modern British plays *A Companion to Modern British and Irish Drama, 1880 - 2005* Mary Luckhurst, 2008-04-15 This wide ranging Companion to Modern British and Irish Drama offers challenging analyses of a range of plays in their political contexts It explores the cultural social economic and institutional agendas that readers need to engage with in order to appreciate modern theatre in all its complexity An authoritative guide to modern British and Irish drama Engages with theoretical discourses challenging a canon that has privileged London as well as white English males and realism Topics covered include national regional and fringe theatres post colonial stages and multiculturalism feminist and queer theatres sex and consumerism technology and globalisation representations of war terrorism and trauma

Masculinities and Manhood in Contemporary Irish Drama Cormac O'Brien, 2021-12-10 This book charts the journey in terms of both stasis and change that masculinities and manhood have made in Irish drama and by extension in the broader culture and society from the 1960s to the present Examining a diverse corpus of drama and theatre events both mainstream and on the fringe this study critically elaborates a seismic shift in Irish masculinities This book argues then that Irish manhood has shifted from embodying and enacting post colonial concerns of nationalism and national identity to performing models of masculinity that are driven and moulded by the political and cultural practices of neoliberal capitalism *Masculinities and Manhood in Contemporary Irish Drama* charts this shift through chapters on performing masculinity in plays set in both the Irish Republic and Northern Ireland and through several chapters that focus on Women's and Queer drama It thus takes its readers on a journey a journey that begins with an overtly patriarchal nationalist manhood that often made direct comment on the state of the nation and ultimately arrives at several arguably regressive forms of globalised masculinity which are couched in misaligned notions of individualism and free choice and that frequently perceive themselves as being in crisis **Ten Modern Irish Playwrights** Kimball King, 1979 *Anger and After (Routledge Revivals)* John Russell Taylor, 2013-12-19 When it was first published in 1962 *Anger and After* was the first comprehensive study of the dramatic movement which began in 1956 with the staging of John Osborne's *Look Back in Anger* and has since brought forward such dramatists as Brendan Behan Harold Pinter N F Simpson John Arden and Arnold Wesker Thoroughly
