Wallace, 2004-01-01 Rocky's Road Rocky Kuznik, 2022-02-03 Rocky's Road by Rocky Kuznik Burny's Journeys Brian Finkle, 2004 It's one man's story from childhood to his mid fifties and counting He never went looking for adventures or answers to life but because of timing coincidences synchronicities call it what you will that started early and have never ended he has been blessed with a lifetime of stories and then some He spent his first twenty years in small town Iowa before the U S Army decided that they had a need for him It was February of 1968 and it proved to be a bad time to be entering the military After a year in Vietnam he came home intact but a changed young man He packed up a van and headed west with everything he owned Except for the baseball cards that his parents had already thrown away Damn After joining Vietnam Veterans Against the War John Kerry was their president he went to D C and threw his medals away on the Capitol steps with a thousand or so other vets who realized that as a country we could make mistakes and this time we had He was thrown in jail in Denver with 78 other vets for simply trying to march as an organization in the Veteran's Day Parade It was a tough time for people to stand up to their government but he felt it was important and so did many people Those actions changed the direction of our country Maybe something like this the author suggests is needed again today After some bad relationships he hit the road for 2 1 2 years without an address to call his own He spent two fairy tale winters in Mexico and Guatemala where he explored caves found untouched ceynotes met many characters as well as great friends and all the while he compiled stories It was then that he began journaling and has never stopped nearly 30 years later and neither have the stories He had the most vivid dream of his life which magically eventually led him to his lovely bride They have now shared the past quarter of a century together including kids and grandkids It's all there along with the lessons and confessions Rocky Deirdre Bailleu, 2011-09 Most dogs especially cairn terriers don't make their living selling cookbooks But then Rocky is not like most dogs Any animal lover understands that our pets can communicate with each other and with us So it will come as no surprise that Rocky can talk

and understand human speech while it is only the humans he meets that can't speak dog Rocky has a mission in mind as he sets off on his cookbook selling adventures His travels take him across the country and back as he risks tail tooth and paw to help those in need The beautiful illustrations will help younger readers understand the story However the inspiring message of Rocky's tale will fill the heart and mind of any dog lover young or old especially those everyday heroes who live and work in the world of animal rescue Deirdre Bailleu who has been involved in dog rescue for ten years lives in Iowa with her husband Kenneth and an ever changing cast of rescue dogs Virginia Walker is an artist and muralist who has worked on many large commercial governmental private mural projects with her talented husband Steve Pedersen and lives in Baltimore Maryland with two adorable terriers

the extent of adding to the ugly statistics of high school dropouts in the region Shaking that hood mentality wasn't easy The streets was all I knew I was conditioned to embrace poverty as home Follow me as I take you through some unbelievable conditions and hardships But keep in mind that although it may seem as if I enjoyed my part in the despair I was never comfortable there I just couldn't seem to find a way out At the young age of sixteen Sicko merged with a sibling to form a hip hop group called the Darkside Mob Together they inked their first recording deal and went on to travel the states Performing alongside major industry artists their fan base expanded quickly Success seemed only a few events away Suddenly a stream of incidences occurred that landed them right back on the streets of the Bronx Along the endless violent path they chose to resume he and his brothers took a turn for the worse Burdens only got heavier Encounters came in the form of war scars and prison threats That's up until the authors desire for change A transformation that was far from easy In this heartfelt testimony you'll be walked through drastic measures to better understand the damaging of a childhood that affected one's adulthood You'll relate to the everyday occurrences that keeps humanity divided racial encounters segregation discrimination street wars financial barriers domestic disputes and so much more Then we'll transition to the mindset of an entrepreneur See I was raised in the sour apple where I've savored my bitter share So prepare to receive a real life account of how various negative pieces can be gathered and repaired Prepare to be encouraged This is my life Kwame King
