Command Lance thought his life was going well. He had his own ship, the Flying Mule, an awesome crew including his best friends Wen and Nood, a lovely and intelligent teenage daughter Sandy, and lucrative contracts hauling coconuts between two warring planets. When a twist of fate sends the Flying Mule to an unscheduled stop at a nearby spacebase, Lance's almost perfect world goes spiraling out of control. His daughter disappears, a leak in the hydraulic system temporarily grounds the ship, and a SpaceForce safety auditor who just so happens to be sleeping with Lance's ex is demanding a full audit of his cargo. Lance is forced to take evasive action. To find his daughter, he's got to leave the spacebase fast, but the only way he can is by kidnapping the SpaceForce officer and allowing a strange alien guy with a propensity to light fires to join his crew. Now Lance is at the mercy of the alien guy who not only knows where Sandy has gone but is taking the cargo to somewhere else to a planet in turmoil on the other side of the galaxy. Three Kings. Sandy is heading off to college as brand new cadet at the SpaceForce Academy when something goes horribly wrong with the transport plane. Two hundred teenagers are trapped with only a drunken captain and a mechanical droid who is programmed to do nothing more than serve tiny cups of soda and non legume snacks. Fortunately, the Flying Mule is in the vicinity and a rescue is only moments away. That's until the transport plane is sucked into a worm tunnel whisking everyone across the galaxy. Back on Rehnor, Dov has moved Ailana and her young son to his duchy in Kildoo after the destruction of yet another palace. As no one else is sitting the throne, Dov has declared himself the new king despite his lack of an army, lack of funds, and lack of subjects. Ailana has contracted a disease and has requested to see her son Amyr before she dies. Sir Bennet is now tasked with locating the elusive young man and dragging him back to Rehnor, kicking and screaming. In the meantime, in Karupatani, King Rekah frets about his own lack of funds to provide for the many immigrants returning to his shores. If only they had something to sell, something upon which they might build an economy.

Almost Heaven Doc Fletcher, 2023-08-10
December 2055: a baseball fanatic, 101-year-old man dies and goes to heaven. Beyond blessed by being reunited with loved ones who have gone before and meeting the two Guardian Angels who ushered him during his time on earth, he is embraced by The Other Side's peaceful, gentle, majestic, comforting, loving, and awe-inspiring beauty. As wonderful as it all is, including seeing Beethoven and Hendrix perform together on stage, John Prine, the opening act, to paddle endless winding rivers with a back that never aches, play in baseball games that joyfully run for days yet never tire, it is the opportunity to be sent back to earth by Saint Peter for a decade long, 1911 through 1920 human experience that is most intriguing with the opportunity to see arguably the greatest baseball player of them all, Ty Cobb, in action, viewed by a Tiger fan born 3 decades after Cobb retired. Almost Heaven takes you back to the 1910s, a decade that began with major league baseball teams constructing the first steel concrete stadiums to replace their old wooden ballparks and ends as the dead ball era of Detroit Tigers Ty Cobb. Wahoo! Sam Crawford begins its metamorphosis into the live ball era of home run king Babe Ruth. The dead ball era through 1919 was an

era noted for its scientific small ball approach when teams played for one run at a time by out thinking the foe bunting stealing bases hittin em where they ain t creating a mental hazard for the opposition by doing the unexpected and Ty Cobb was its leading practitioner *Coin Machine Journal* ,1940 *The Harlem Globetrotters* Chuck Menville,1978
