4 Book Description *RIDE A WHITE ZEBRA* is a novel about the realization of dreams If our characters can succeed in selling a decrepit gray mule to the circus as a white zebra metaphorically speaking they can then count coup on a society that considers them to be non contributory The characters come together in the Mission Street District of San Francisco when Sally and Jack use Sidney's script *THE ATTACK OF THE GIANT FLEAS* possibly the worst script in the history of American cinema if *THE BLOB* is not considered to con Blue Lou into a blackjack hustle to raise 25 000 to fund a fake production company Lou has been an avid film buff since early childhood his mother was a drive in movie projectionist who hung his car seat next to the projector six nights a week and he is a sucker when it comes to anything dealing with the silver screen Getting himself involved in what to the casual observer would certainly be recognizable as a scam he proceeds to lead the intrepid hustlers to Reno to raise the 25 000 On the tour bus fate strikes Sidney when he meets Lorili during her abortive attempt to hijack the bus It is love at first sight and Sid is torn between duty and romance when Sally disarms Lorili and throws her off the bus Broken hearted Sidney goes through the motions as the gambling team actually does raise the money necessary to begin production on the film now entitled *THE AMNIOCENTESIS CONCURRENCE* *ZEBRA* is the story of the love between two young people of totally divergent backgrounds a young Jewish writer with great faith and a low threshold of pain and a dynamic Latino woman who has very little trouble identifying what she wants and even less in securing it It is the story of an old man who dreams cinemascopic dreams in Dolby sound and who wants little more than to be a part of something more creative than blackjack hustling before he dies It is the interweaving of two inept but dedicated con artists determined to finally make that last big score that will allow them to rest for the first time in their treadmill existences *ZEBRA* tells how these mismatched and unlikely characters actually bilk a casino out of the seed money necessary to start up a motion picture company how they attempt to con each other out of the bankroll and how they finally end up in Hollywood where it is walk the walk time Someone once said that to fill the job of the Presidency of the United States was impossible the

person elected was never qualified they were just forced to do the job and succeed because of the mantle of the office Such is true of Piece of the Action Productions a company so doomed to failure by virtue of its lack of virtue it actually does get off the ground ZEBRA as well as being a satirical look at movie making and the temperaments of show *Zebra* Christopher Plumb, Samuel Shaw, 2018-05-15 Common and exotic glamorous and ferocious sociable and sullen zebras mean many things to many people But one facet of zebras universally fascinates their stripes The extraordinary beauty of zebras striped coats has ensured their status as one of the world s most recognizable and popular animals Zebra print is everywhere in contemporary society on beanbags and bikinis car seats and pencil cases Many zoos house a zebra or two and they are a common feature of children s books and films Zebras have been immortalized in paint by artists including George Stubbs and Lucian Freud and they even have a road crossing named after them But despite their ubiquity the natural and cultural history of zebras remain a mystery to most Zebra is the most comprehensive and wide ranging survey ever published of the natural and cultural history of this cherished animal exploring its biology and cultural relevance in Africa and beyond Few know that there are three species of zebra plains mountain and Grevy s that one of these is currently endangered or that among the many subspecies was once found the quagga an animal that once roamed southern Africa in large numbers before dying out in the 1880s Drawing on a range of examples as dizzying as the zebra s stripes this book shows how the zebra s history engages and intersects with subjects as diverse and rich as eighteenth century humor imperialism and technologies of concealment Including more than one hundred illustrations many previously unpublished Zebra offers a new perspective on this much loved much depicted but frequently misunderstood animal **Think About This** Reverend Ajamu Bandele, 2022-11-03 The United States of America The U S A was chosen by God and blessed ThataEUR tm s why we stand out above all the rest This country was established on faith in God and courage ThataEUR tm s why in the beginning we couldnaEUR tm t be discouraged God has allowed our country to fly his colors over this land Cause He chose and guided us with His Almighty hand He inspired Betsy Ross to put His colors in our flag Cause she could had made it from an old green rag The red in our flag represents the blood of Jesus Christ Listen to this not once but twice The white in our flag represents the purity of our LORD And He wants us all to be on one accord The blue represents the sky that our God in Heaven put in place And the love that He has for this entire human race The stars in our flag represent GodaEUR tm s heavenly creation God allows us to fly this flag over our great and mighty nation Wake up America and realize That this nation is still blessed in GodaEUR tm s heavenly eyes Reverend Ajamu Bandele *How The Zebra Got Its Stripes* Harris Tobias, 2014-11-15 How did the zebra get its stripes This little animal fable answers that age old riddle in an amusing and clever way In this fanciful story of jealousy and intrigue the proud white horses are taught a valuable lesson They learn about equality humility and democracy Beautifully illustrated this story is perfect bedtime reading for all ages Simply Unique Poetry Rosetta Jenkins, 2019-05-24 No Available information at this time Author will provide once available Stiff Suit Tawna

The White Spaces of Kenyan Settler Writing Terrence L. Craig, 2017-03-27 The White Spaces of Kenyan Settler Writing provides an overview of Kenyan literature by white writers in the half century before Independence in 1964 Such literature has been overshadowed by that of black writers to the point of critical ostracism It deserves attention for its own sake as the expression of a community that hoped for permanence but suffered both disappointment and dispossession It deserves attention for its articulation of an increasingly desperate colonial and Imperial situation at a time when both were being attacked and abandoned in Africa as in other colonies elsewhere and when a counter discourse was being constructed by writers in Britain as well as in Africa Kenya was likely the best known twentieth century colony for it attracted publicity for its iconic safaris and its Happy Valley scandals Yet behind such scenes were settlers who had taken over lands from the native peoples and who were trying to make a future for themselves based on the labour willing or forced of those people This situation can be seen as a microcosm of one colonial exercise and can illuminate the historical tensions of such times The bibliography is an attempt to collect the literary resources of white Kenya in this historically significant period
