*The Ultimate Train Ride* The Disciple, 2022-05-26. The Ultimate Train Ride is the adventure of a lifetime. No other train in the history of the world will take you on a ride like this. It will encapsulate every human emotion that you possess. The train will reach higher peaks and lower valleys than ever seen before. You will laugh, you will cry, you will celebrate, and you will mourn. The train will take turns and twists you never thought possible. There may be times when you are sitting in the main compartment surrounded by people, and yet you will feel terribly alone. There will also be times when you are alone in your cabin and feel as though someone is always with you. There will be times when you look out the window at all the amazing sights to see, and yet you will miss the most beautiful sight of all. There will be other times when you close your eyes to rest, and you see visions of grandeur that words cannot express. Pictures may tell a thousand words, but even that cannot possibly scratch the surface of this ride. There is no description worthy to consider; you just have to experience it for yourself. So what are you waiting for? Hop on, fasten your seat belt, and get ready for what will assuredly be a lifetime worth of memories. May God richly bless you all. The Disciple. **Christianity Without the Cross** Thomas A. Fudge, 2003. Grounded in primary source research, this boldly revisionist book examines the doctrine of salvation in Oneness Pentecostalism, United Pentecostal

Church from its origins through its several developmental stages The gradual rise of a literal interpretation of Acts 2:38 eliminated a tradition of doctrinal diversity within Oneness thought which regarded salvation as occurring at repentance prior to water and Spirit baptism With this development a main link to the wider stream of evangelical Christianity was severed The water and Spirit theology resulted in a form of Christianity which does not necessarily require the cross in any meaningful sense for salvation This study recovers the lost theological tradition associated with important figures such as Howard A Goss A D Gurley W M Greer C H Tadon Wynn T Stairs Earl Jacques E P Wickens John Paterson and the Pentecostal Church Incorporated Combining traditional historical methodology and theological research with the principles of a broadly based oral history this study argues for a theological diversity within the history of Oneness Pentecostalism and in so doing bridges an important gap in the history and theology of the United Pentecostal Church On Target Living Chris
