Csinos, 2011-01-14 Children know God They encounter God in diverse ways as they walk along the spiritual journey Amidst this diversity four distinct avenues for connecting with God emerge in the lives of children word emotion symbol and action These are the four spiritual styles broad approaches to spirituality and faith through which children experience God and make sense of their lives in the world around them Children's Ministry that Fits blends insightful research relevant theory and practical ministry into a guidebook for discovering and understanding children's spiritual styles Drawing from theology personal experience and the spiritual lives of children David M Csinos offers practical wisdom that will help pastors parents and teachers to move beyond one size fits all approaches to children's ministry and begin nurturing the spiritual lives of children in welcoming and inclusive environments

Rock-solid Kids Larry Fowler, 2004-01-01 Sometimes children are viewed in terms of their future value But to Jesus children were precious in the here and now and He gave them His full attention and love In Rock Solid Kids Larry Fowler explains that we must view children in the same way and make certain that the way in which we teach children is based on what ought to be the most important influence the Word of God Rock Solid Kids will help parents teachers and children's ministry leaders build a strong ministry in the home or church modeled on scriptural teaching This examination of the biblical basis for children's ministry includes eight core chapters Each chapter is based on one or more Scripture passages and covers topics such as the importance responsibility content and golden opportunity of children's ministry

Rock-Solid Children's Ministry Larry Fowler, 2013-01-17 How Do We Measure Success in Our Ministry to Kids In children's ministry the essence of what we do is to impact the immeasurable the heart of a child While Bible knowledge is highly valuable in this endeavor knowing Scripture does not automatically translate to changing the heart of a child Practical application is also desirable but changing behavior can be done without a heart change Relating Scripture in such a way that it meets a child where he or she is at is critical but as an approach it may fail to build a solid enough foundation to equip children for the challenges that they will face later in life All three approaches must be synergized to have a greater impact and all three must be retargeted at the bull's eye the heart of a child Read this book to discover the seven standards of a rock solid children's ministry
