Rockers Kings Of The Road:

Rockers! Johnny Stuart,2016-11-01 Rockers celebrates the biker style with panache and wit showing how a love affair between bikes and speed became the original touchstone of a youth cult which continues to fascinate and endure with its myths magic and melancholy In essence and although they did not know it rockers with their raw edginess studied cool and search for excitement sex and violence were icons Rockers achieves that rare marriage of immediacy and knowledge through research and first hand experience *The Music Sound* Nicolae Sfetcu,2014-05-07 A guide for music compositions events forms genres groups history industry instruments language live music musicians songs musicology techniques terminology theory music video Music is a human activity which involves structured and audible sounds which is used for artistic or aesthetic entertainment or ceremonial purposes The traditional or classical European aspects of music often listed are those elements given primacy in European influenced classical music melody harmony rhythm tone color timbre and form A more comprehensive list is given by stating the aspects of sound pitch timbre loudness and duration Common terms used to discuss particular pieces include melody which is a succession of notes heard as some sort of unit chord which is a simultaneity of notes heard as some sort of unit chord progression which is a succession of chords simultaneity succession harmony which is the relationship between two or more pitches counterpoint which is the simultaneity and organization of different melodies and rhythm which is the organization of the durational aspects of music *The Cambridge Companion to Metal Music* Jan-Peter Herbst,2023-09-14 Since its beginnings more than fifty years ago metal music has grown in popularity worldwide not only as a musical culture but increasingly as a recognised field of study This Cambridge Companion reflects the maturing field of metal music studies by introducing the music and its cultures as well as recent research perspectives from disciplines ranging from musicology and music technology to religious studies Classics and Scandinavian and African studies Topics covered include technology and practice identity and culture modern metal genres and global metal with reference to performers including Black Sabbath Metallica and Amon Amarth Designed for students and their teachers contributions explore the various musical styles and cultures of metal providing an informative introduction for those new to the field and an up to date resource for readers familiar with the academic metal literature **Marlon Brando** Burt Kearns,2024-04-02 Over the last eighty years Marlon Brando has become such an object of fascination buried under so many accreted layers of mythos and half truth that it is all but impossible to see the man behind the icon As we approach the centennial of this undisputed American legend Marlon Brando Hollywood Rebel isa revelatory biography that tells its story the same way the man himself approached a role from the inside Author journalist and pop culture authority Burt Kearns digs deep into the unexplored aspects of Brando s career interests and singular personality revealing how his roles on stage and screen combined with his wild and restless personal life helped to transform popular culture and society writ large His influence was both broad and deep Brando s intense approach to acting technique was emulated by his contemporaries as

well as generations of actors who followed from Nicholson and DeNiro to DiCaprio and Gosling But his legacy extends far beyond acting His image in *The Wild One* helped to catalyze a youth revolution setting the stage for rock n roll culture in a way that directly inspired Elvis Presley the Beatles Andy Warhol and punk rock culture Brando was also frank about his affairs with both sexes a leader of the sexual revolution and a hero of gay culture he defied stereotypes and redefined sexual boundaries in his life and the roles he played But of all his passions activism was even more important to Brando than acting he was an early supporter of Israel civil rights the American Indian movement Black Power gay rights and environmentalism Startlingly intimate and powerfully told *Marlon Brando Hollywood Rebel* shows how the greatest actor of the twentieth century helped lead the world into the twenty first Ossie Martin King, Martin Knight, Peter Osgood, 2012-01-27 In a 16 year career spent with Chelsea and Southampton goal scoring legend Peter Osgood made 560 appearances scoring 220 goals and winning two FA Cup winners medals He was part of the victorious Chelsea side that defeated the mighty Real Madrid in the 1971 European Cup Winners Cup final and is the last player to have scored in every round of the FA Cup including the final Ossie tells the story of the career and the extraordinary roller coaster personal life of the man who spearheaded a team that made as many headlines off the field as on The truth about the hard drinking and hard living antics of these Kings Road dandies Hudson Cooke Baldwin and company has never before been told Osgood tells of his strained relationship with manager Dave Sexton which resulted in his and other stars departures triggering a decline in Chelsea FC's fortunes that took some 20 years to reverse He recounts his experience in the Mexico World Cup of 1970 and is brutally honest about the challenges and problems faced by ex footballers as they attempt to adjust to life in mainstream society Peter Osgood was no ordinary footballer and Ossie is no ordinary football autobiography Like the King of Stamford Bridge himself was this book is entertaining outspoken and full of surprises The Cinema of Wim Wenders Roger F. Cook, Gerd Gemünden, 1997 The Cinema of Wim Wenders the first anthology of scholarly work on Wenders is a unique anthropology of source materials and selected critical essays on the films of Wim Wenders a major filmmaker in the so called New German Cinema movement His work probably more than that of any other European director reflects the tension between the European auteur tradition and the increasing dominance of the American media industry In both his filmmaking and his critical writing he explores how the relationship between image and narrative manifests the basic opposition between these two film traditions This book serves as an introduction to the central concerns of his cinema while situating his work within German film history and the contemporary debates about postmodern film and media theory Beautiful People Simon Doonan, 2009-04-14 A wickedly funny memoir with echoes of David Sedaris and Augusten Burroughs Beautiful People originally published in hardcover as Nasty is now a BBC comedy hit series from the producer of Ab Fab and The Office Proclaimed the most brilliant brash thing in type by Liz Smith Simon Doonan's saucy prose has established him as an emerging star among literary humorists In this break through memoir reminiscent of both Sedaris and Burroughs he revisits the landscape of his youth and displays the

irresistible charm that earned him his dedicated audience Long before he became a celebrity in his own right as the author of best selling books as the style arbiter of VH1 and America s Top Model and the marketing genius behind Barney s New York Simon Doonan was a scabby knee d troll in Reading England In Beautiful People Doonan returns to the working class neighborhood of his youth and chronicles the misadventures of the Doonan clan in all their wacky glory Readers meet his mother Betty whose gravity defying peroxide hairdo signified her natural glamour his father Terry an amateur vintner who turned parsnips into the legendary Chateau Doonan his grandfather D C a hard drinking betting man who plotted to win his fortune by turning Simon into a jockey and his demented grandma Narg and schizophrenic Uncle Ken both of whom lived upstairs Fearing he would fall victim to the insanity that runs in his family or worse the banality of suburban life Doonan decamps with his flamboyant best friend Biddie to London where they hope to find the Beautiful People that elusive clan who luxuriate on floor pillows and amuse each other with bon mots Throughout the memoir in essays about family holidays the tart who lived next door his first job Doonan continues his bumbling pursuit of the fabulous life only to learn in the end that perhaps the Beautiful People were the ones he left behind The Encyclopedia of Popular Music: Indexes Colin Larkin,2006

Provides information on a range of popular music genres including rock pop jazz folk blues heavy metal techno R B reggae and hip hop This biographical encyclopedia contains a name index an index of song titles and bibliographies by artist and subject Expanded to ten volumes the new edition contains 6 000 new entries and extensive revisions and updates throughout yielding 50% more material than the 1998 Third Edition In addition to a fully revised 10 volume hardcover edition The Encyclopedia of Popular Music will go online in 2007 as a regularly updated subscription product that will be interactive with Grove Music Online **A Stray Cat Struts** Slim Jim Phantom,2016-08-16 In June 1980 19 year old James McDonnell known as Slim Jim Phantom boarded a plane from New York City to London with his childhood friends and bandmates Brian Setzer and Lee Rocker In less than a year they went from being homeless hungry and living in punk rock squats to the toast of the London music scene The Stray Cats developed a signature sound and style that swept across the world released

multiplatinum albums and were embraced and befriended by classic rock acts like the Rolling Stones and Led Zeppelin as well as original punk heroes such as the Sex Pistols the Damned and the Clash and rock and roll originators Carl Perkins and Jerry Lee Lewis After ten years of marriage to actress Britt Ekland Slim Jim moved down the hill to Sunset Strip where his son was raised and he owned the world famous rock and roll bar Cat Club while continuing to play with a host of well known musicians Slim Jim a veteran of the London and LA music scenes recounts in his memoir not just the Stray Cats rise but a different type of life spent in the upper echelon of rock and roll stardom Black Boy O'Connor Bryan O'Connor,2022-01-08 This is a story of a young black boy with an unmistakable Irish surname who takes you on a journey of the first half of his life living and growing up in a totally white middle class neighbourhood When he starts school he finds he is still the only black face this doesn t change throughout all of his school years The story passes from early years to teenage years and into young

adult life The story begins with his earliest childhood memory as a three year old Then it goes on to describe why his dad is his first hero for whom this book was written Still in short trousers he goes on a trip overseas and talks of the place his parents call home a thousand miles away from the place where he was born in Dulwich London England The black boy is determined to have fun He is preoccupied like any other boy approaching teenage years with music cars and girls This is all that is important and his priority That same boy is now reaching manhood he is still having fun but has strengthened those teenage priorities of music cars and girls He is a young man working for a living now and paying his own way His philosophy has not changed more music faster cars and older women
