Rockford Family Secrets Karen A. Gibson,2003-11-25 This story is about a very open woman who met a man whose life is full of secrets a man who has never had a stable relationship with any woman in is life including his mother This is a man so full of hatred of women he s incapable of loving one Not to make excuses but it may not be entirely his fault That s because he was brought up in a family that didn t show love so he didn t learn love He grew up in complete and utter chaos being shuffled from one family member to the next even to some non family members people just on the block Not one any more reputable than the previous That could be due to the fact that they all had at that time one or more substance abuse problems coupled with the fact that his mother had six boys she didn t want to or just couldn t handle so they were allowed to run wild From what I gather the woman glows when she recounts stories of their youth and how everyone in the neighborhood would complain that her children were beyond bad She marvels at the fact that people would confuse one child for another when trouble came knocking It s my understanding she never attempted to discipline them but instead would defend them against their accusers fully aware of their guilt We re talking about a woman that hid the fact that one of her sons killed the other and allowed another man to go to prison for it Whatever the case the gentleman and I use that term loosely in this story has stumbled into my world and I am compelled to tell about it **Annie's Heaven** Karla Clark,2008-10 Have you ever wondered if your lost loved ones can look down on you from Heaven Annie Langdon can And what she sees is
